Satans Stones:

Satan's Stones Moniru Ravanipur, 2010-07-05 Women writers occupy prominent positions in late 20th century Iranian literature despite the increased legal and cultural restrictions placed upon women since the 1978 1979 Islamic Revolution One of these writers is Moniru Ravanipur author of the critically acclaimed *The Drowned and Heart of Steel* *Satan's Stones* is the first English translation of her 1991 short story collection *Sangha ye Sheytan* Often set in the remote regions of Iran these stories explore many facets of contemporary Iranian life particularly the ever shifting relations between women and men Their bold literary experimentation marks a new style in Persian fiction akin to magical realism Reports from Iran indicated that *Satan's Stones* had been banned there by government authorities While its frank explorations of Iranian society may have offended Islamic leaders they offer Western readers fresh perspectives on Iranian culture from one of the country's most distinguished writers

Reproduction of the original *Twelve Foundation Stones of the Scriptures* Elmer Mulhausen, 2012-09 I recommend this very readable entertaining presentation of the Christian faith by Elmer Mulhausen I like the way poems are used to present biblical truth in a simple direct and balanced way I like the fact that the book isn't long and laborious The book has something for everyone along the theological spectrum from scholars to new comers from conservative to liberals and especially that broad majority in between Dr Charles T Rice North Texas Association Minister United Church of Christ This book is a valuable resource for all lay Christians especially still maturing believers and those contemplating becoming a believer The Bible is a large and complex text of history teachings and truths It is difficult for even mature Christians to comprehend let alone new converts or those seeking information to make a decision Elmer simplifies the scriptures in an easy to read understandable and amazingly short book He provides an overview of the bible and the pillars of Christian faith that usually take years of personal and church lead Bible study to comprehend C W and Carole Vowell Southern Baptist lay

Satan's Strategic Command Jeffery Lee Owen, 2009-06-02 The word of God presents to humanity our pathway of reconciliation to our Heavenly Father Holy Writ also presents to mankind the origins of evil its effects on the human condition down through the centuries and finally its ultimate isolation and eradication from the universe Eternal or absolute truth is our pathway of reconciliation to our Heavenly Father As the Christian brethren seek to follow our lord and savior Jesus Christ growing in the spirit breaking the bonds of slavery to Satan and sin the carnal man is trapped in the darkness of his ignorance to the spirit of death and the wages of his sin The light of Gods word reveals the natural manifestation of evil and its impact on the condition of the human soul Thus the noblest of men can perceive the effects of evil and the benevolence of father God in the inner man as the effects of transgression impact our natural world The spirit of rebellion and its work is revealed in our natural world via the transgression of Gods commandments enslaving the masses to its power as the unaware continue in the blindness of their hearts The word of God has warned men to beware of the existence of evil as the condemned angels and the arch rebel Satan
