Kasturi's influential hagiography Sathyam Sivam Sundaram little scholarly attention has been paid to the hagiographer himself and his importance to the movement. In detailing Kasturi's relationship to Sathya Sai Baba, Rigopoulos emphasizes that the hagiographer's work was not subordinate to the guru's definition of himself. Rather, his discourses with the holy man had a reciprocal and reinforcing influence resulting in the construction of a unified canon. Furthermore, Kasturi's ability to perform a variety of functions as a hagiographer successfully mediated the relationship between the guru and his followers. Drawing on years of research on the movement as well as interviews with Kasturi himself, this book deepens our understanding of this important pan-Indian figure and his charismatic religious movement. **Bhagavan Sri Sathya Sai**

Baba Abhinav Publications, Vinayak Krishna Gokak, 2003-06. Bhagavan Sathya Sai Baba has been a name to conjure with in different parts of the world. An enchanting bhajan composer and singer, a world teacher and unexcelled educator of the vital a Yogishwara, pressing an amazing variety of talent and capacity into service for the fulfillment of his mission, a kalpataru or a wish-fulfilling tree for his devotees, the very avatar of Love, the voice of one's own innermost heart speaking to each individual, externally a universal presence to be felt and known, a promoter of the unity of world religions and of a philosophy that embraces Matter and Spirit and the inaugurator of a new social order, he is easily the most colourful and many-faceted prophet that modern India has produced. Several antinomies meet and mingle and are reconciled in his personality, the most significant pair being one of Solitude and Multitude. Thousands of Sathya Sai Baba Samitis function in all parts of India and there are hundreds of them in the U S A U K and several other parts of the world. Crowds collect in their lakhs to hear him in India. What is the secret of this charismatic power that Bhagavan Baba wields wherever he goes? Baba declared in the Sri Sathya Sai World Conference held in Bombay in 1968 that the mission for which he has come is the spiritual regeneration of India and of the mankind through her. And he has said that he will not cease from his labours till his mission is fulfilled. **I AM I** Nelline Naidoo; Ben Gerritsen, 2012-04-20. Reimagining God and Resacralisation Alexa Blonner, 2019-05-14. This book shows that widespread resacralisation has been taking place, which is producing new ways of perceiving God and the divine. The last century has seen unmistakable changes in religious practices and the concept of spirituality right across the world. There was a broad expectation for much of the twentieth century that religious worldviews would eventually succumb to the challenge of secularist materialism, but this process of secularisation has yet to occur as predicted. The book begins by contrasting theories of secularisation and resacralisation. Throughout the book, conceptual threads or new religious themes related to this resacralisation are discussed in terms of three main categories: reimagining God's nature, substance and location; reimagining human value and purpose.

and reimagining modes of redemption Finally the book considers how these threads are moving in various different directions and what the religious future might hold This is a bold examination of contemporary spirituality that will appeal to academics and scholars of religious studies new religious movements and the sociology of religion TRANSFORMING HUMANITY Dinesh Chandra Bhargava, About the Book First I give you what you want so that gradually you will want what I have really come to give you Liberation itself The vast number of visitors from all over the world from all walks of life and all faiths has been converging at Prasanthi Nilayam in a remote region of Southern India just to have a glimpse of a Holy man Sri Sathya Sai Baba the Avatar of the present Age Royalty Heads of State Politicians Industrialists Judges Priests Doctors Army Generals Scientists Actors Cricketers Teachers Students General Public all congregate at this Abode of Supreme Peace His Ashram resembles a mini United Nations of spiritual seekers with groups of foreign devotees wearing different coloured scarves for country wise identification The book contains dramatic eye witness accounts of extraordinary Sai phenomena and the wonders taking place in Sai Baba s Ashram Never before in the history of the world have there been so many indications of the descent of the Full Avatar in human form The miracles of Krishna and Jesus must be taken on trust and faith those of Sri Sathya Sai Baba you can see for yourself The author describes the various ways how Sri Sathya Sai Baba is transforming humanity discusses the factors on which his devotees base their belief in him outlines his Mission and explains how he is achieving it The danger from which Man has to be rescued has never been so great and the evil over the Earth never so pronounced as now Sathya Sai Baba s Mission starts with nothing less than the transformation of humanity to reinstate the supremacy of the spirit over matter and offer liberation itself Sathya Sai Baba is short in stature has a huge halo of hair on his head wears an orange robe walks as though his feet are gliding on the floor displays a majestic grace works all day long but at the same time maintains an austere life style He is a fountain of knowledge although he has never read any books he speaks in the most profound way with remarkable clarity and spontaneity as he has no need to think he always gives discourses impromptu as he has no need of any notes or preparation he replies to searching questions by scientists theologians and other intellectuals with a ready and spontaneous answer on any subject This Avatar never engages in any spiritual practice does no Japa or reciting the holy name no Dhyana or meditating and no Yoga practising union with God He knows no worship or prayer for He is the Highest He only teaches you to worship and pray The Rishis and Saints of yore evolved through spiritual practice to high levels of consciousness and God realization to ascend heavenwards The Avatar by contrast is already born fully divine and descends downwards His humanitarian projects are unique like his Schools and Universities that provide free education world class Super Specialty Hospitals in rural areas that provide free treatment to one and all and massive water systems that provide drinking water to millions of people in drought prone districts all established in record time Sathya Sai Baba s Global Education Programme based on human values aims to bring about worldwide social transformation reduce strife and turmoil and unite mankind to live as one family in peace and harmony The
