## **Saturday The 14th Strikes Back:**

**Saturday the 14th Strikes Back** Howard R. Cohen,1988      **The Werewolf Filmography** Bryan Senn,2017-02-06  
From the horrific to the heroic cinematic werewolves are metaphors for our savage nature symbolizing the secret bestial side of humanity that hides beneath our civilized veneer Examining acknowledged classics like *The Wolf Man* 1941 and *The Howling* 1981 as well as overlooked gems like *Dog Soldiers* 2011 this comprehensive filmography covers the highs and lows of the genre Information is provided on production cast and filmmakers along with critical discussion of the tropes and underlying themes that make the werewolf a terrifying but fascinating figure      *80's The Gold Decade Of The Horror Movie* Matteo Tortora,2014-11-18 A journey into the numerous Horror Films of the 80 s analyzed under a religious profile which is purely Catholic The diversification of the analysis is of course an issue that interests us In fact of all the films taken into consideration this journey not only gives a brief opinion of the film but it also shows the depth and thoughts shared and prepared by the Catholic Cinematographic Center This Centre analyzes the plot and also evaluates the film under an ethical moral and religious aspect in order to indicate if Catholics are able to watch it The result is a really interesting insight and sometimes it has a fun perspective We must acknowledge however that the critical Catholic knows how to diversify religious opinion from the technical creative aspects This means that a film can be recognized as a masterpiece but not get the clearance for visibility 65 deepened critical articles of the most important films of the decade Over 9000 Horror Movies from 1980 to 1989 linked to external resources for Cast Posters Images and Reviews The electronic version of this book is designed in Kindle PDF and Epub format This is an interactive book An Internet connection is not essential although it is recommended so the reader can take advantage of the many external links that are present in the work      **School of Terror 2021** Steve Hutchison,2023-02-22 The films described in this book are perfect for children and teenagers with a fascination for horror movies They contain very little violence coarse language and nudity if any The reviews are sorted in order of preference The ranking is established by the sum of 7 ratings stars gimmick rewatchability story creativity acting and quality Each film description contains a synopsis a list of attributed genres emotions eight ratings and a three paragraph review      **The Good, the Bad, and the Godawful** Kurt Loder,2011-11-08 The former Rolling Stone writer and MTV host takes off from classic Roger Ebert and sails boldly into the new millennium Millions grew up reading the author s record reviews and watching him on MTV s *The Week in Rock* In this collection of more than 200 movie reviews from MTV com and more recently the Reason magazine Website plus sidebars exclusive to this volume Loder demonstrates his characteristic wry voice and finely honed observations The author shines when writing on the best that Hollywood and indie filmmakers have to offer and his negative reviews are sometimes more fun than his raves This freewheeling survey of the wild the wonderful and the altogether otherwise is an indispensable book for any film buff      **I Was a Monster Movie Maker** Tom Weaver,2010-06-21 Phil Brown who played Luke Skywalker s uncle in *Star Wars* said In my long life in films there are ones I

m proud of and those I m not proud of The Jungle Captive and Weird Woman fall into the latter category House of Wax co star Paul Picerni was fired by the film s director when he refused to put his head in a working guillotine during a climactic fight scene Packed with wonderful tidbits this volume collects 22 interviews with the moviemakers responsible for bringing such films as This Island Earth The Haunting Carnival of Souls Pit and the Pendulum House of Wax Tarzan the Ape Man The Black Cat Them and Invasion of the Body Snatchers to the movie screen Faith Domergue Michael Forest Anne Helm Candace Hilligoss Suzanna Leigh Norman Lloyd Maureen O Sullivan Shirley Ulmer Dana Wynter and many more are interviewed
