T. Robinson

Saul And David:

Give Us a King! ,1999 Everett Fox s translation of the biblical books from Genesis through Deuteronomy has been widely acclaimed as a scholarly religious and literary masterpiece Praising its unique and authoritative approach the New York Times Book Review said It makes it possible for us to take up the Scripture as if we had never seen it before In Give Us a King Fox turns to the two books of Samuel which contain some of the Bible s most famous stories and most unforgettable personalities the barren Hannah who will be mother to the prophet Samuel the tragic King Saul Bathsheba the object of King David s illicit desire and the future mother of King Solomon and King David himself the romantic hero who becomes a legendary but morally compromised monarch Accompanied by illuminating commentary and notes Fox s masterful translation re creates the echoes allusions alliterations and wordplays of the Hebrew original so that the reader is finally able to experience in English the full power of the ancient saga of the original once and future king *Fate of King Saul* David M. Gunn,1980-05-01 David M Gunn wrote The Fate of King Saul to inspire a renewed interest in the study of the Old Testament as well as the study of Saul He explores the study of Saul and researches the narrative aspect of the books of Samuel Additionally he also researches the narrative that is a part of the Old Testament since the content can be complicated and difficult to understand *David, Saul, and God* Paul Borgman,2008-04-16 The biblical story of King David and his conflict with King Saul 1 and 2 Samuel is one of the most colourful and perennially popular in the Hebrew Bible Paul Borgman focuses on one of the key features of ancient Hebrew narrative poetics repeated patterns taking special note of even the small variations each time a pattern recurs **Saul and David** ,1973 **The Darker Side of Samuel, Saul and David** G. D. Vreeland,2007-10 Integrity is often discussed challenged occasionally vindicated but what does it look like Sometimes the best highlight of the diamond is the velvet against which it is cast Likewise narrative artistry subtly depicts flaws in character and flaws in leadership When some ancients moved from insignificant provincials to emperors in a generation why did those of the United Monarchy of Israel only achieved the mini empire Kitchen and varying degrees of regional influence Dr Vreeland maintains that how leaders respond to God s rules of engagement and how they treat people make the difference between greatness and mediocrity Lest this book be confused with a commentary it must be said that it can be read ad loc However each section is designed to be a stand alone essay that might be read ad seriatim Throughout Dr Vreeland endeavors to be personable but professional playful but pointed impassioned at times but always thought provoking Dr Vreeland received his Ph D from Trinity International University in Theological Studies Old Testament in 1994 After raising support as a missionary he served for four years at the Nairobi International School of Theology He was then invited to be part of the faculty of Northwest Baptist Seminary He has concluded six years there July 07 as Associate Professor of Semitic Languages and Biblical Literature He teaches Hebrew and English Bible and other special topics So far as the church in America is concerned his love is serious biblical study as related to integrity and leadership hence this work on First Samuel

and its sequel in Second Samuel Dr Vreeland has been married for 26 years to the love of his life Donna who is the finest English Bible scholar on the planet and to whom this volume is gratefully dedicated They have 3 grown children **David's Flight: Hunted by King Saul** Ahmed Musa,2024-12-13 A king's jealousy A young hero's courage A flight for survival that would shape a destiny David the anointed future king of Israel was once the favored son in law of King Saul But when jealousy and fear took hold of Saul's heart David's world turned upside down Suddenly the very man who had once called David a friend became his fiercest enemy David's Flight Hunted by King Saul takes you deep into the wilderness of Israel where David pursued by a paranoid king learned the hard lessons of faith patience and reliance on God As Saul's relentless pursuit brought David into dangerous situations he was forced to flee for his life yet through it all God's protection and purpose for David's future never wavered In David's Flight Hunted by King Saul you will discover The dramatic shift in David's life from the champion of Israel to a fugitive on the run and how this change challenged his faith and trust in God The complexities of Saul's jealousy and fear and how those emotions blinded him to God's will for his kingdom and David's role in it The powerful moments when David though hunted and betrayed refused to take matters into his own hands waiting for God's perfect timing for his elevation to the throne The emotional and spiritual growth David experienced in the wilderness where God taught him invaluable lessons about humility leadership and dependence on divine guidance The encouragement and inspiration we can draw from David's refusal to retaliate against Saul showing the power of forgiveness and trust in God's justice David's flight wasn't just about physical escape it was about spiritual survival and preparation for a future he didn't yet understand Every cave he hid in every battle he fought and every moment of vulnerability shaped him into the leader God intended him to be Through betrayal hardship and seemingly impossible odds David's heart was tested and it was in the wilderness where God refined his character Have you ever felt hunted or betrayed by someone you trusted How does David's story challenge you to wait on God and trust His protection even in the darkest times David's story teaches us that even in our lowest most desperate moments God is with us preparing us for what lies ahead Trusting His timing and His purpose will always lead us to the victory He has promised Step into David's Flight Hunted by King Saul and learn from the remarkable resilience of a young man who refused to let fear or hatred turn him away from his calling When God is with us no enemy can prevail our journey through the wilderness is never in vain **The Fate of Saul's Progeny in the Reign of David** Cephas TA Tushima,2012-06-28 This narrative critical study offers a bold and comprehensive analysis of the relationship between David and Saul's heirs Tushima inquires into whether Saulides tragedies were due to continuing divine retribution pure happenstance or David orchestration Focusing on the story of David and its interconnections with the fate of the Saulides and employing the criterion of justice the author presents the other side of King David who is generally depicted as hero Tushima argues that David was most often unjust and calculating in his dealings with the vanquished house of Saule Thematic and motific threads arising from this study are considered within their contexts in Israel's traditions for their biblical theological

and redemptive historical import **The Fate of King Saul** David M. Gunn,1980 **Blood and Honey** T. Robinson,1993

Today the news is full of reports of Middle East conflict at the heart of which lies the state of Israel hero to some and villain to others In this book the actor presenter director and writer Tony Robinson presents an account of the background to this ancient and never ending story and reveals how little life has changed over the centuries He retells Bible stories involving characters such as Samuel Saul David and Goliath and in his search for the Promised Land he finds blood and honey instead of the milk and honey he was expecting *The History of Saul, David and Solomon* James Allen Moseley,2019-11-09 The stories of Saul David and Solomon are inextricably entwined but they are scattered in the Bible between the books of 1 and 2 Samuel 1 and 2 Chronicles and 1 and 2 Kings This book tells you the full true story of Israel s Greatest Kings in a single uninterrupted narrative Samuel the righteous Judge and Prophet anoints Saul a Benjamite the tallest of his countrymen as Israel s first King As Saul disobeys God and declines into madness defeat and suicide David the shepherd from Bethlehem of the tribe of Judah arises to kill the giant Goliath and become the King s son in law and rebel leader on the run Finally David becomes King of Judah and then King of Israel and the House of Saul loses its royal standing David is a man after God s own heart but his deliberate sins adultery and murder result in bloodshed and civil war His son Solomon secures the throne over the heads of his older brothers and receives unparalleled wisdom wealth and power from God He builds the First Temple but then falls into apostasy The story of these men covers the transition of Israel from a theocracy ruled by Judges accountable directly to God to a monarchy with all the failings of men If you are a believer this book will enhance your devotions by helping you know the Biblical narrative more intimately If you are a skeptic its logic will challenge your doubts Here you will discover facets of this era surprising things in plain sight in the ink on the pages of Scripture but that many have overlooked

Losch, 2008-05-13 More than any other book the Bible offers an amazing collection of fascinating characters ranging from the holiest of the holy to some of the most depraved scoundrels imaginable Many are mentioned only in passing yet history and archaeology can often fill in the blanks and flesh them out as exciting human beings For this reason we have in many cases been able to tell much more about them than the Bible alone reveals Richard R Losch from the preface A comprehensive gathering of persons found in the Bible including the Apocrypha All the People in the Bible really delivers on its title literally all of the Bible s characters appear in this fascinating reference work From the first article on Aaron to the final entry on Zophar Richard Losch details each person in a lively narrative style The bulk of the book consists of Losch s A Z articles covering the familiar and the not so familiar figures in Scripture Names of people who are found only in genealogies or who had no significant effect on history are included solely in the alphabetical listing starting on page 452 That listing All the People in the Bible and Apocrypha includes pronunciations brief identifications and biblical references Persons covered in greater detail in the main part of the book are identified in bold print Losch s intriguing look at all the people in the Bible is anything but a dry reference work This is a book to dip into and enjoy over and over

David in Distress Vivian L. Johnson, 2009-09-01 This book analyzes the thirteen historical psalms 3 7 18 34 51 52 54 56 57 59 60 63 142 in the Psalter that refer to crucial moments in King David s life as recorded in the Samuel narrative 1 Sam 16 1 Kings 2 Because most Psalms research focuses on the original setting the so called Sitz im Leben of these late additions to the book of Psalms they have received little attention Using a text based analysis Johnson has found that these historical psalms focus on episodes of King David s life in which he experienced trouble For example Psalm 3 refers to the coup started by his son Absalom Psalm 59 refers to the evening when Saul tried to kill David and Psalm 57 refers to David s days as a fugitive fleeing from Saul By highlighting situations of David during his times of distress these historical psalms tend to recast him as a man
