Sauna Detoxification Therapy A Guide For The Chemically Sensitive:

Sauna Detoxification Therapy Marilyn G. McVicker, 2017-06-09 For sufferers of multiple chemical sensitivities MCS the lack of information on toxicity coupled with skepticism misdiagnosis and very limited research in the medical community has made treatment difficult In the early 1980s doctors began to experiment with thorough sweating as a way of purging the body of harmful chemicals The use of a sauna was found surprisingly effective for treatment of a variety of illnesses Information on sauna detoxification therapy is therefore presented here in full so that MCS sufferers can make informed choices The causes and symptoms of MCS are discussed along with current medical information Real life experiences of those who have chosen sauna treatment are provided with a look at such options as health clubs detox centers and home sauna units The special value of this book is its detailed specifications and drawings for a home sauna made entirely of nontoxic building materials Appendices include a directory of manufacturers and distributors product information helpful organizations publications and other information *Understanding Multiple Chemical Sensitivity* Els

Valkenburg, 2010-01-13 This personal view of multiple chemical sensitivity and environmental illness is supported by research In a question and answer format the effects of exposure to perfume smoke air fresheners cleaning products exhaust and other air contaminants are examined and linked to symptoms such as headaches allergies asthma and fatigue The book contains additional testimony and reports from 37 sufferers as well as listings of resources and related scientific articles

Intentional Healing Jennie Sherwin, 2012-05-16 Intentional Healing is a story of transformation It is the story of a conservative Western educated woman confronted with debilitating and bizarre symptoms that no one can explain No one that is until she meets a diagnostic detective Dr Leo Galland in New York City who refers her to a pioneer in environmental medicine Dr William J Rea in Dallas Texas He in turn refers her to Deborah Singleton founder and director of A Healing Place and her healing team who introduce her to the possibility of healing from within With their guidance she begins the process of expanding her consciousness and understanding the real roots of illness Her journey which included initiation into Reiki channeling and healing from Navajo hataali takes her from dark nights of the soul to not only freedom from illness but also the discovery of her own healing abilities In her energy practice in Santa Fe New Mexico she now teaches others the healing approaches that brought her to wellness and spiritual growth **Environmental Health Perspectives**, 1993 *Living*

with Multiple Chemical Sensitivity Gail McCormick, 2009-10-21 The people profiled in this book tell how you can create a positive life when you no longer can work shop attend church and public events or socialize without unpleasant or worse consequences to your health from low level chemical exposures *Living with Multiple Chemical Sensitivity* is a collection of personal stories describing the lives and coping strategies of people with MCS from all over North America It describes dozens of alternatives to the kinds of isolation and hopelessness that threaten people with this illness Laced with inspiration courage and humor these stories dispel myths associated with people who have MCS and will help others to articulate their

own experience of the illness to family friends coworkers and health care providers Foreword by Pamela Reed Gibson of James Madison University Appendices include a medical overview resources for further information and support and a sociologists view of MCS by Steve Kroll Smith director of the Environmental Social Science Research Institute University of New Orleans Includes photographs of persons whose lives are described Chemical Sensitivity Bonnye L.
