experiences and in relation to the nineteenth century Lied In her introduction to this book Lorraine Byrne examines the myths that have evolved around these artists and challenges the view that Goethe was unmusical and conservative in his musical tastes She also considers Schubert s life in relation to his obvious affinity with the poet and links the composer s Goethe settings with the poet s perception of the Lied Goethe judged the success of a setting by whether the meaning of the text had been realised in musical form In his Goethe settings Schubert translates the poet s meaning into musical terms and his rendition attains the classical unity of words and music that Goethe sought The core of this volume is the series of individual analyses of all of Schubert s solo dramatic and multi voice settings of Goethe texts These explore in detail both the literary and the musical dimensions of each work and Schubert s reading and interpretation of Goethe s writings This is the first study in English to treat both artists with equal attention and insight This together with its encyclopaedic coverage of this important corpus of works makes this volume an essential reference tool for all those who study Schubert and Goethe

Even in Darkness Barbara Stark-Nemon, 2025-07-30 Winner of two INDIEFAB prizes Gold for Literary Fiction and Bronze for Historical Fiction Readers Favorite Gold medal for Literary fiction. Spanning a century and three continents, Even in Darkness tells the story of Klara Kohler, whose early years as a beloved daughter of a prosperous German Jewish family hardly anticipate the harrowing life she faces as an adult: a saga of family, lovers, two world wars, a concentration camp, and sacrifice. Based on a true story, Even in Darkness highlights Klara's reinvention as she faces the destruction of life as she knew it and traces her path to survival, wisdom, and unexpected love. Night Fury Melissa Cummins, 2022-10-17 He lost his fated mate and he'll stop at nothing to get her back. Luke became obsessed with Johanna the moment he saw her. It wasn't just her beauty; it was the essence of her: the way she smiled, the way she laughed. But no matter how much he wanted to claim her, the mate bond never snapped into place until the day his enemy dragged her away. As a plus-size witch, Johanna has spent her life as an outcast. All she's ever wanted was to feel loved, to belong. Finding her fated mate should have been the miracle she'd always hoped for; instead, it was the start of her destruction. Captured and tortured, Johanna has been forced to betray Luke in unspeakable ways to protect him, leaving her nothing more than a scarred and broken shell. Luke will risk everything to save her from their enemies. But even if he does, can he save Johanna from herself? Night Fury is a dark vampire-human fated mate
