Save The Children Humanitarian Organizations:

Saving the Children Emily Baughan, 2021-11-23 Saving the Children analyzes the intersection of liberal internationalism and imperialism through the history of the humanitarian organization Save the Children from its formation during the First World War through the era of decolonization Whereas Save the Children claimed that it was saving children to save the world the vision of the world it sought to save was strictly delimited characterized by international capitalism and colonial rule Emily Baughan's groundbreaking analysis across fifty years and eighteen countries shows that Britain's desire to create an international order favorable to its imperial rule shaped international humanitarianism In revealing that modern humanitarianism and its conception of childhood are products of the early twentieth century imperial economy Saving the Children argues that the contemporary aid sector must reckon with its past if it is to forge a new future **Voluntary**

Organisations, the Red Cross, and the Features of Humanitarian Reconstruction in Western Europe after the World Wars Romain Fathi, Melanie Oppenheimer, Paul-André Rosental, 2025-06-11 This book explores the ways in which non government organisations have contributed to the reconstruction of and care for populations in Western European countries including but not limited to Belgium France Germany Italy and the United Kingdom in the aftermath of the World Wars Historical research on voluntary or non government organisations and their contribution to the reconstruction of states communities and humanitarian assistance to civilian populations following conflicts epidemics and disasters through the twentieth century has generally focused on non Western European countries except for Second World War II The historiography suggests that it is mostly in Eastern Europe the Middle East Asia and Africa that natural or man made disasters have occurred and that these places have been the focus for humanitarian assistance Rather the humanitarian enterprise is viewed through the binary of the Global North Global South those who save and those who are saved The chapters in this volume investigate how the Red Cross movement the League of Red Cross Societies the International Committee of Red Cross and individual national societies and other voluntary organisations such as the Rockefeller Foundation and a range of other international and local non government bodies have contributed to reconstruction in these countries at both national and local levels following times of crises such as wars civilian upheavals and disasters This book will appeal to scholars and students of history humanitarian studies international relations and social sciences The chapters in this book were originally published as special issues in European Review of History Revue européenne d'histoire

Empireworld Sathnam Sanghera, 2024-05-07 Bestselling author and journalist Sathnam Sanghera explores the global legacy of the British Empire and the ways it continues to influence economics politics and culture around the world 2.6 billion people are inhabitants of former British colonies The empire's influence upon the quarter of the planet it occupied and its gravitational influence upon the world outside it has been profound from the spread of Christianity by missionaries to the shaping international law Even today 1 in 3 people drive on the left hand side of the road an artifact of the British empire Yet

Britain's idea of its imperial history and the world's experience of it are two very different things. Following in the footsteps of his bestselling book *Empireland: How Imperialism Has Shaped Modern Britain*, Empireworld explores the ways in which British Empire has come to shape the modern world. Sanghera visits Barbados where he uncovers how Caribbean nations are still struggling to emerge from the disadvantages sown by transatlantic slavery. He examines how large charities like Save the Children and the World Bank still see the world through the imperial eyes of their colonial founders and how the political instability of nations such as Nigeria for instance can be traced back to tensions seeded in their colonial foundations. And from the British Empire's role in the transportation of 12.5 million Africans during the Atlantic slave trade to the 35 million Indians who died due to famine caused by British policy, the British Empire as Sanghera reveals was responsible for some of the largest demographic changes in human history. Economic, legal and political systems across the world continue to function along the lines originally drawn by the British Empire and cultural, sexual, psychological, linguistic, demographic and educational norms originally established by imperial Britons continue to shape our lives. British Empire may have peaked a century ago and it may have been mostly dismantled by 1997, but in this major new work, Sathnam Sanghera ultimately shows how the largest empire in world history still exerts influence over planet Earth in all sorts of silent and unsilent ways.

The Women of Berkshire Hathaway Karen Linder, 2012-04-05 A fascinating look at the top women at Berkshire Hathaway and how they got there. Although proportionally women continue to lag far behind men as CEOs and board members at major institutions, there has been a marked uptick in the number of female business leaders in recent years. Looking at the changes that have happened at Berkshire Hathaway, Warren Buffett's holding company, *The Women of Berkshire Hathaway: Lessons from Warren Buffett's Female CEOs and Directors* provides a unique look at the gradual shattering of the glass ceiling at one of America's top firms. An influx of female leadership over the past few years today there are four female CEOs up from just one a decade ago has invigorated Berkshire Hathaway with energy and unique female insight. Profiling these remarkable women, the book provides motivational and management information for a wide range of readers from business students to Buffett fans. Looks closely at the female board members of Berkshire Hathaway and the female managers who run Berkshire Hathaway companies. Follows the paths that brought these women to their current positions. Explores their working relationship with their employees and Warren Buffett and how they balance work and their private lives. The only book focusing on eight of the most powerful women at Berkshire Hathaway. *The Women of Berkshire Hathaway* is an inspirational read about the triumph of a group of remarkable women within a company once dominated by men.

Handbook on Humanitarianism and Inequality Silke Roth, Bandana Purkayastha, Tobias Denskus, 2024-02-12 This prescient Handbook examines how legacies of colonialism, gender, class and other markers of inequality intersect with contemporary humanitarianism at multiple levels.

Bellamy,2015 The Responsibility to Protect R2P principle is the international community s major response to the problem of genocide and mass atrocities a problem seen in Bosnia Rwanda and more recently in Syria This book argues that although it is far from perfect R2P offers the best chance we have of building an international community that works to prevent these crimes and protect vulnerable populations To make this argument the book sets out the logic of R2P and its key ambitions examines some of the critiques of the principle and its implementation in situations such as Libya and sets out ways of overcoming some of the practical problems associated with moving this principle from words into deeds **Foreign assistance and related programs appropriations for 1986** United States. Congress. House. Committee on Appropriations. Subcommittee on Foreign Operations and Related Agencies (1981-1987),United States. Congress. House. Committee on Appropriations. Subcommittee on Foreign Operations and Related Programs,1985 **America's Assistance to the Afghan People** United States. Congress. House. Committee on International Relations,2001 **The Politics of Service** Daniel Maul,2024-07-22 This book provides the first comprehensive history of the American Friends Service Committee AFSC the central aid agency of the Religious Society of Friends or Quakers from 1917 to 1945 Implying a thoroughly transnational approach it sheds a light on the important role American Quakers played in the emergence of a humanitarian sector both within the USA and beyond Through the Quaker lens the book addresses important tensions inherent to the history of humanitarianism in the 20th century Following the AFSCs aid operations from the First World War through post war Germany and Soviet Russia to the Spanish Civil War and into the Second World War it deals with the AFSC s conflicting roles as a specifically American aid organization on the one hand and its position within transnational religious and pacifist networks on the other and it opens a window to processes of professionalization the development of a humanitarian market place and the complex relationship of religious and secular strands in the history of international relief The Humanitarians Joy Damousi,2022-08-11 A longitudinal study spanning six decades to map the national and international humanitarian efforts undertaken by Australians on behalf of child refugees **Military Training And Children In Armed Conflict** Jenny Kuper,2005 During recent armed conflicts such as those in Iraq the former Yugoslavia and Rwanda public attention was repeatedly caught by images of children both as civilians and as soldiers Those conflicts like so many others were vivid reminders that where there is armed conflict there are also almost always children Soldiers and officers fulfil many roles in relation to such children sometimes as combatants sometimes as humanitarian workers sometimes as protectors and or sometimes as enemies and abusers This book aims to address three main questions what are the obligations of officers of national armed forces in relation to children either

civilians or combatants whom they or those under their command may encounter while participating in situations of armed conflict How realistic and achievable are these obligations How can compliance with them be encouraged monitored and or enforced The book examines these questions in the context of military training In doing so it has another inextricably linked aim to see if there are ways in which the training of officers can improve the protection of children in armed conflict situations in accordance with international law and policy It is intended for use particularly by those involved in training of national armed forces including officers themselves and members of governments non governmental organisations NGOs and inter governmental organisations It is hoped that it will also be of interest to lawyers academics and others concerned with child rights and related law and policy It contains examples of actual training materials that can be modified for use in different countries and contexts

The Mother and Child Project Zondervan,2015-03-31 Dozens of influential leaders have heard the pleas of mothers and children in developing countries Raising their voices to inspire a movement to increase healthy pregnancies and lower death rates Melinda Gates Kay Warren Bill Frist Kimberly Williams Paisley Michael W Smith and more speak out about why people of faith must get involved in The Mother and Child Project Raising Our Voices for Health and Hope Almost 287 000 women die each year because of pregnancy and birth complications Many orphans are left behind in the wake of this tragedy and without a mother many of those children die as well If only enough people knew We have the resources to prevent this crisis but we must take action Fortunately Hope Through Healing Hands a nonprofit organization promoting awareness for healthy mothers and children worldwide is already spreading the word Not only can we save lives reduce abortions and decrease death rates but also we can help build healthier thriving families and bring stability and sustainability to families communities and nations The question is will you join them Making Aid Agencies Work Terry Gibson,2019-07-01 Terry Gibson combines large scale industry analysis with attention to the lives and worlds of the people the aid industry aims to serve and he demonstrates how to overcome barriers between the two worlds and free flows of learning resources and even political influences that might lead to better outcomes Challenging Child Protection

Lorraine Waterhouse,Janice McGhee,2015-08-21 Challenging Child Protection offers a ground breaking new perspective which will illuminate and improve the professional understanding and practice of social workers and child protection workers Taking a fresh look at the principles underlying child protection this book provides a thought provoking analysis of the evidence base which underpins professional understanding and intervention It outlines the ways in which agencies have worked to prevent child abuse and neglect and traces key changes in UK policy as well as situating these amid wider trends in Europe With contributions from a wide variety of disciplines including philosophy and anthropology this is a uniquely diverse collection of academic perspectives This book challenges our conceptions of child protection and encourages readers to think critically about why children are harmed by adults how society views child abuse and how this informs practice
