Grohman, 2008-06-02 Claimed by the Sea Long Island Shipwrecks provides an intimate look at eleven shipwrecks and maritime disasters that occurred in the waters of New York and Long Island Diver researcher and author Adam Grohman dives into the archives to explore the histories of various wrecks including the Savannah Lexington U S S Ohio Circassian Seawanhaka Oregon Louis V Place General Slocum U S S San Diego Andrea Doria and the Gwendoline Steers The chapters provide an in depth history of the vessel the circumstances surrounding their eventual demise and subsequent exploration by

Perils Of The Atlantic William Flayhart,2003-05-27 Perils of the Atlantic captures the stories of a number of vessels that experienced adventure on the high seas from the tragic loss of the liner Arctic in 1854 to the swift sinking of the Italian Andrea Doria in 1956 **Disaster At Sea** William Flayhart,2005-03-22 Flayhart delivers a gripping chronicle of mishap and mayhem filled with danger and heroism and rich with detail Sea Power A colorful and deadly history of ocean liner disasters from the mid nineteenth century to the present Disaster at Sea is a chronicle of the most frightening episodes in the maritime history of the North Atlantic From 1850 to the present day the Atlantic has been home to hundreds of ocean liners and cruise ships each more lavish than the last all of them symbols of wealth and luxury Perhaps this is why readers have always been fascinated by the lives of these ships and their deaths Many of us know the stories of the Titanic and the Lusitania Both tragedies caused tremendous loss of life even as they made the ships immortal But there are many little known accounts of extraordinary survivals at sea such as the Inman and International liner City of Chicago that jammed her bow into an Irish peninsula in 1892 but stayed afloat long enough for all to be rescued or the City of Richmond that survived a dangerous fire

in 1891 and a year earlier the City of Paris whose starboard engine exploded at full speed in the mid Atlantic and yet miraculously still made port Often such tales are forgotten even if the ship sank In 1898 the Holland America liner Veendam hit a submerged wreck and sank at sea but all lives were saved so this vessel s dramatic story seemed less important in maritime history than incidents involving human loss As recently as 2000 the Sea Breeze I sank off the East Coast of the United States while on a positioning voyage but all her crew members were rescued in a heroic effort by U S Coast Guard helicopters These stories and many others are dramatic and acclaimed maritime scholar William Flayhart has spent much of the last forty years in search of material from which to create colorful narratives Author of *The American Line 1871 1902* and coauthor of *Majesty at Sea* and the first edition of *QE2* Flayhart retells classic ocean liner disaster stories while bringing to light never before published but compelling episodes in man s ongoing battle with the sea Originally published in hardcover under the title *Perils of the Atlantic* *The Titanic Story* Stephen D. Cox,1999 The tragedy of the Titanic continues to fascinate readers and filmgoers Author Stephen Cox maintains that the true stories of those onboard are even more compelling than the fictionalized tale told in James Cameron s box office smash Cox retells the real story in human terms by focusing on a few individuals Through these survivors firsthand accounts he uncovers the fatal decisions that underlay the events **Maritime History at the Crossroads** Frank Broeze,2017-10-18 This volume seeks to critically review the contemporary state of maritime historiography as it stands at the volume s publication date of 1995 The volume is comprised of thirteen essays each focused on the recent research into the maritime concerns of a particular geographical location listed as follows Australia Canada China Denmark Germany Greece Ibero America India the Netherlands the Ottoman Empire Spain the United States and a final chapter concerning historians and maritime labour in Britain Australia and New Zealand One concern made evident by the collection is the lack of stable identity and cohesive aims within maritime history the subject holds many conflicting definitions and concepts The purpose of this volume is to explore the recent developments in maritime history plus the growth of scholarly interest to provide a beacon and stimulus for future work and to clearly direct and define maritime historiography toward a solid position in the field of history *Historical Dictionary of the 1950s* Bloomsbury Publishing,2000-07-30 Today Americans look back nostalgically at the 1950s an era when television and rock and roll revolutionized popular culture and Vietnam race riots drug abuse and protest movements were still in the future With homes in the suburbs new automobiles and the latest electrical gadgets many Americans believed they were the most prosperous people on earth Yet the era was tainted by the fear of thermonuclear war with the Soviet Union deepening racial tensions and discontent with rigid roles for women and the demands of corporate conformity A sense of rebellion had begun to brew behind the facade It manifested itself in rock and roll the budding civil rights movement and the appearance of a youth culture eventually exploding in the 1960s Providing a comprehensive overview this book includes entries on the prominent people major events issues scandals ideas popular culture and court cases of the decade that gave rise to the

tensions of the 1960s Lost Genius Kevin Bazzana,2009-02-24 The award winning author of Wondrous Strange the critically acclaimed biography of Glenn Gould explores the bizarre untold life of another brilliant and eccentric musician The composer Arnold Schoenberg called him an utterly extraordinary pianist of incredible originality and conviction yet today he is all but forgotten Born in Budapest in 1903 Ervin Nyiregyh zi nyeer edge hah zee was a remarkable prodigy at eight he performed at Buckingham Palace and when he was thirteen a psychologist published a book about him In his teens his idiosyncratic intensely Romantic playing electrified audiences and astounded critics in Europe and America But his adult career quickly foundered and he was reduced to penury In 1928 he settled in Los Angeles and eventually he withdrew from public life preferring to spend his time quietly composing Psychologically he remained a child and found the ordinary demands of daily life onerous he struggled even to dress himself He drank heavily was insatiable sexually he married ten times and described himself as a fortissimo bastard yet such was his talent and charisma that he numbered among his friends and champions celebrities such as Jack Dempsey Theodore Dreiser Bela Lugosi and Gloria Swanson Rediscovered in the 1970s he enjoyed a brief sensational and controversial renaissance before slipping back into obscurity He died in 1987 Lost Genius the product of ten years research is the first biography of Nyiregyh zi whose story is among the most fascinating and bizarre in twentieth century music
