he has written one with impeccable expertise and panache Lincoln Steven Johnston,2018-08-16 The judgment that Abraham Lincoln is the finest president in the history of the United States borders on self evident This status tends to disable the very possibility of a more critical understanding or appreciation one that does not work explicitly or implicitly within the taken for granted frame of his greatness Still America is not blind to or ignorant of Lincoln s shortcomings Rather it is in part because of these shortcomings that Lincoln is revered Thus if the country needs to legitimize a problematic course of action it is Lincoln to whom it turns Lincoln America reminds itself suspended habeas corpus jailed political opponents suppressed speech held racist views and pursued racist policies The Lincoln that America idealizes is a thoroughly ambiguous figure Simultaneously the country tends to downplay or conveniently overlook the underside of Lincoln part of a larger political pattern in which it proclaims its exceptionalism while indulging the very worst as it conducts its political affairs It is time to take Lincoln s ambiguity seriously which might put America in position to recognize that one reason it routinely falls short of its democratic principles and commitments is that it may not just like Lincoln fully believe in them In Lincoln The Ambiguous Icon Steven Johnston explores Lincoln s complicated political thought and practice reinterpreting the Gettysburg Address the Second Inaugural and some of the many manifestations of Lincoln in film monuments and memorials that conceal but also reveal the terrible ambiguity of this marginally understood American figure The Long Reconstruction Frank J.

Wetta,Martin A. Novelli,2013-09-11 A century and a half after the Civil War Americans are still dealing with the legacies of the conflict and Reconstruction including the many myths and legends spawned by these events The Long Reconstruction The Post Civil War South in History Film and Memory brings together history and popular culture to explore how the events of this era have been remembered Looking at popular cinema across the last hundred years The Long Reconstruction uncovers central themes in the history of Reconstruction including violence and terrorism the experiences of African Americans and those of women and children the Lost Cause ideology and the economic reconstruction of the American South Analyzing influential films such as The Birth of a Nation and Gone with the Wind as well as more recent efforts such as Cold Mountain and Lincoln the authors show how the myths surrounding Reconstruction have impacted American culture This engaging book is essential reading for anyone interested in the history of Reconstruction historical memory and popular culture **Gathering to Save a Nation** Stephen D. Engle,2016-09-13 In this rich study of Union governors and their role in the Civil War Stephen D Engle examines how these politicians were pivotal in securing victory In a time of limited federal authority governors were an essential part of the machine that maintained the Union while it mobilized and sustained the war effort Charged with the difficult task of raising soldiers from their home states these governors had to also rally political economic and popular support for the conflict at times against a backdrop of significant local opposition Engle argues that the relationship between these loyal state leaders and Lincoln s administration was far more collaborative than previously thought While providing detailed and engaging portraits of these men their state level actions and their collective

cooperation Engle brings into new focus the era's complex political history and shows how the Civil War tested and transformed the relationship between state and federal governments **Exploring Lincoln** Craig L. Symonds, Frank J. Williams, 2015-03-02 Ubiquitous and enigmatic the historical Lincoln the literary Lincoln even the cinematic Lincoln have all proved both fascinating and irresistible Though some 16 000 books have been written about him there is always more to say new aspects of his life to consider new facets of his persona to explore Enlightening and entertaining Exploring Lincoln offers a selection of sixteen papers presented at the Lincoln Forum symposia over the past three years Shining new light on particular aspects of Lincoln and his tragically abbreviated presidency Exploring Lincoln presents a compelling snapshot of current Lincoln scholarship and a fascinating window into understanding America's greatest president **Congressional Record** United States. Congress, 1999 **When the Splendor Falls** Laurie McBain, 2016-03-01 One stolen kiss Two hearts from different worlds When war and time threaten to keep them apart will love be enough Virginia 1860 For Leigh Alexandra Travers life at her family's Virginia plantation is a paradise of summer picnics and sweet tea The daughter of a wealthy Southern horse breeder Leigh has no interest in the outside world Until she meets Neil Braedon Young and beautiful Leigh catches the sharp eye of Neil Braedon raised to manhood by Comanches not by the Braedons of Royal Bay Manor Their stolen kiss inflames a life altering passion As war storms across the divided land Leigh's family fights to preserve their fading Southern heritage even as Neil joins the Union army Against all odds in tumultuous times can Leigh and Neil forge a new future in the untamed West Praise for Laurie McBain Wonderfully romantic Romantic Times Lush and evocative Publishers Weekly **Frank Leslie's Illustrated Newspaper**, 1901 The Life and Struggles of William Lovett W. purchased a few specimens of him He proved to be a Superintendent of the Wesleyan Ministers of that district and I doubt not a very estimable man for all his notions about Chartists About the PublisherForgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.comThis book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
