Saxual Feelings:

Sexual Feelings Elina Valovirta, 2014-08-15 The present book offers a reader theoretical model for approaching anglophone Caribbean women's writing through affects emotions and feelings related to sexuality a prominent theme in the literary tradition How does an affective framework help us read this tradition of writing that is so preoccupied with sexual feelings The novelists discussed in the book chiefly Erna Brodber Opal Palmer Adisa Edwidge Danticat Shani Mootoo and Oonya Kempadoo are representative of various anglophone Caribbean island cultures and English speaking backgrounds The study makes astute use of the theoretical writings of such scholars as Sara Ahmed Milton J Bennett Sue Campbell Linden Lewis Evelyn O Callaghan Lizabeth Paravisini Gebert Lynne Pearce Elspeth Probyn Eve Kosofsky Sedgwick and Rei Terada as well as the critical writings of Adisa Brodber Kempadoo to shape an individual focused argument The works of the creative artists treated and this volume hold sexuality and emotions to be vital for meaning production and knowledge negotiation across differences be they culturally geographically or otherwise marked that challenge the postcolonial reading process Elina Valovirta is a Post Doctoral Fellow employed by the Turku Institute for Advanced Studies TIAS and stationed in the Department of English University of Turku Finland She has published on Caribbean women's writing in English feminist pedagogy and cultural studies

Sex in Marriage Dorothy Walter Baruch, Hyman Miller, 2023-04-24 First Published in 1963 Sex in Marriage presents down to earth practical guidance on the emotional and physical aspects of life love and marriage The authors both experienced psychotherapists have felt that a new approach was needed The book explains in a straightforward and thorough manner the sources of satisfaction and the roots of discontent that lie beneath the surface of any marriage It traces marriage from the beginning through its middle years and into its older stages including considerations that are concrete and practical but still have a fundamental and sound emotional base The book illustrates how attitudes in sex and marriage go back to childhood and how early experiences though forgotten can still exercise important influences In helping to alleviate old guilts and anxieties the book makes an essential contribution This is an interesting read for sociologists psychologists and for general readers

Sex and Manners Cas Wouters, 2004-10-06 Sex and Manners is a dazzling book that examines changes in American Dutch English and German manners books regarding the changing relationship between men and women It examines the disappearance of rules for chaperonage and the rise of new codes for public transport public dances courting dates and the work place

Dual Attraction Martin S. Weinberg, Colin J. Williams, Douglas W. Pryor, 1995-06-01 For the past two generations extensive research has been conducted on the determinants of homosexuality But until now scant attention has been paid to what is perhaps the most mysterious and potentially illuminating variation of human sexual expression bisexuality Today as ignorance and fear of AIDS makes greater awareness of all forms of sexual behavior an urgent matter of private and public consequence leading sex researchers Martin Weinberg Colin Williams and Douglas Pryor provide us with the first major study of bisexuality Weinberg Williams and Pryor

explore the riddle of dual attraction in their study of 800 residents of San Francisco Fieldwork intensive interviews and surveys provided a wealth of data about the nature of bisexual attraction the steps that lead people to become bisexual and how sexual preference can change over time They found that heterosexuals more often than homosexuals become bisexual that bisexual men and women differ markedly in their sexual behavior and romantic feelings that most bisexuals ultimately settle into long term relationships while continuing sexual activity outside those relationships and they also explain why transsexuals often become bisexual Moreover the authors discovered that as the AIDS crisis unfolded many bisexual men entered into monogamous relationships with women and bisexual women into more lesbian relationships Recent media accounts attest that a growing number of researchers and writers are narrowing the fundamental cause of sexual preference to a single factor biology But if as this study shows learning plays a significant part in helping people traverse the boundaries of gender if past and present intimate relationships influence their changing preferences and if bisexual activity is inseparable from a social environment which provides distinctive sexual opportunities then a mosaic of factors far more complex than those previously considered must be entertained in explaining the fuller spectrum of sexual preferences Dual Attraction is one of the most significant contributions to our understanding of sexuality since the original Kinsey reports and Bell and Weinberg s 1978 international bestseller *Homosexualities* It is must reading for all those interested in the study of sexual behavior especially now since the onset of AIDS

Studies in the Psychology of Sex: Sexual inversion Havelock Ellis,1915

Studies in the Psychology of Sex Havelock Ellis,1915 *Love, Sex, and Your Heart* Alexander Lowen,2013-01-16 *Love Sex and Your Heart* elucidates how emotional life and physical being are one mutually reflective as two sides of a coin Emotional life is tied to physical being and physical health is dependent on emotional well being Alexander Lowen s insight into these powerful connections offers an innovative approach to cardiovascular health and the treatment of heart disease Lowen examines the feeling of love as a physiological process in the body When this process is frustrated as in the case of heartbreak or isolation especially during childhood people suppress their pain by unconsciously rigidifying their chest muscles This results in a chronic restriction of breathing movement and feeling It is this tension that limits pleasure and predisposes so many to heart disease This book features the principles and therapeutic techniques to help people understand their fear of love release chronic muscular tension and become more loving It is essential reading for health professionals and anyone interested in the health of the heart

The Married Guy's Guide to Great Sex Clifford L. Penner,Joyce Penner,2017-09-05

Keep the sizzle in your marriage Sex matters in a marriage a lot Yet many men secretly wonder Is she really satisfied What do we do when our desires don t match How can we get back the passion we used to feel The Married Guy s Guide to Great Sex will tell you what you really want to know how to make sex meaningful to your wife build desire get past sexual problems and enjoy guilt free sex Noted sex therapists Clifford and Joyce Penner also unveil the mystery of what women want and how simple it is to boost your love life by letting your wife lead Their candid clear style will

encourage you to make great sex happen or happen more often in your marriage This title is a repackaging of *The Way to Love Your Wife* and is a companion to the new title *Enjoy God's Gift of Sexual Pleasure for Women* also by the Penners How You and Your Mate Can Become a Super Couple James Milton Murphy, 2011-05-18 **Studies in the psychology of sex. v.1, 1901** Havelock Ellis, 1905 *Studies in the Psychology of Sex: The evolution of modesty, the phenomena of sexual periodicity, auto-erotism* Havelock Ellis, 1913 *The Philosophy of Sex* Alan Soble, Nicholas P. Power, Raja Halwani, 2008 Thirty contemporary essays that explore philosophically conceptually and theologically the nature social meanings and morality of contemporary sexual phenomena From publisher description **Mindworks** Alexander W. Astin, 2007-05-01 Know thyself is something that has been advocated by great philosophers psychologists and religious leaders since the beginning of recorded history The principal aim of this book is to promote greater self awareness through a deeper understanding of how your mind works and by cultivating your ability to observe your own mind in action Most of the chapters contain simple exercises that are designed to enhance your ability to understand and control your own thoughts feelings and actions Since your emotional reactions to life events are largely shaped by your beliefs many of these exercises are designed to help you get in closer touch with your beliefs and if necessary to change some of these beliefs Each of us has the ability right now in this conscious moment to begin reshaping our life's experience through a better understanding of how the mind works The book is thus intended for people who feel that they worry too much or are dissatisfied with their jobs or their relationships with others or always feel rushed because there are too many things that they have to do It's for people who want less frustration guilt irritability boredom or unhappiness and more love joy adventure and sense of control over their lives **Counseling for Sexual Disorders** Clifford Penner, Joyce Penner, 2024-12-26 Counseling for Sexual Disorders was first published as Volume Twenty Six of Resources for Christian Counseling by Word Publishing in 1900 as the protocol for sexual therapists to use in effectively treating couples experiencing sex dysfunction or those seeking increased sexual satisfaction The protocol was developed based on the research of Masters and Johnson which is the application of their findings to therapeutic intervention that they had intended but did not complete The addition of others like Helen Singer Kaplan works were incorporated into this practical handbook It has become the text frequently used in universities seminaries and graduate schools Since 1990 the basics are the same the table of contents reflects this stability but the terminology used and the knowledge gained through sex and the brain research organizations like ISSWSH Dr Irwin Goldstein and the Penners 50 years of clinical experience led to this much needed revised updated version Counseling for Sexual Disorders prepares the clinician and graduate student to have a clear comprehension of the Guidelines and Underlying Principles for the effective use of the evidence based strategies for assessment therapeutic intervention and relapse prevention The tools to implement those processes may be duplicated including the forms for assessment the 31 Sexual Therapy assignments and for gathering data regarding the couple's experience of the completion of the assignments

in the privacy of their own home This revision for professionals is now designed to parallel the client s handbook Restoring the Pleasure Thus the 31 assignments are identical in both books Studies in the psychology of sex v.1, 1920 Havelock Ellis,1920 *Studies in the Psychology of Sex: The evolution of modesty. The phenomena of sexual periodicity.*
