Time Imperfect Bronislaw Wildstein,2020-01-29 An Imperfect Time is an epic story depicting the fate of people involved in the grim history of the twentieth century From the pogrom in the village near Pinsk to the reality of the Third Republic the author leads us along winding roads reversing the narrative changing epochs and countries We follow the fate of several generations of the Brok family to whom history did not spare anything neither suffering nor betrayal nor crime nor ideological asphyxiation But you can look at the book a little differently namely as a record and an attempt to understand the experiences that shaped today s Poland from the bloody October Revolution through hopeful Solidarity to the futility of the Third Polish Republic Finally this book can be read as a kind of morality play showing the struggle of people against the temptations of evil and nothingness those temptations that were effectively misled by the twentieth century **Triggering**

Faith Anna Karson, 2022-04-20 After surviving years of abuse and a near death experience at the hands of her now ex husband author Anna Karson received clarification from God She wanted to find God s purpose in everything A follow up from her first book Triggering Fear this story tells how knowing even the worst moments are meant for the glory of the Lord made her struggles worthwhile In Triggering Faith Karson shares how God didn t pave an easy road for her life but she knows His eternal love abounds every day Her trials didn t end after her escape from her abuser She experienced one serious issue after another such as several illnesses loss grief and the struggles of living with a severely mentally ill child But she remains strong in her faith that God sees her through each situation Karson delivers her story not for pity but to assure others facing the same challenges that God is here She encourages all struggling Christians to look to Christ for all things and to gain faith in His everlasting grace and mercy

The Covered Smile Sonja Lauren, 2003 The Covered Smile is a story of abuse neglect recovery forgiveness and triumph Even though dentists described her case as hopeless due to neglect Sonja survived surgical removal of most of her teeth at age 12 Here she shares her failures and victories and teaches the value of faith and forgiveness

A Very Special Journey of Grief, Grace, and Gratitude Julie Clark Ames, 2020-10-16 In No They Are Not Okay but It s Okay A Very Special Journey of Grief Grace and Gratitude Raising Special Needs Kids Julie shares with readers the full experience of raising special needs children from birth through puberty with an emotional honesty that is both real and raw Julie helps others understand the hardships and the joys Her goal is for parents to know they are not alone in their personal journeys or in the roller coaster of blame doubt and frustration they feel when they are struggling to understand why their child isn t perfect Emotional acceptance does come but that doesn t mean the struggles that fill daily life get easier Parenting under the best of circumstances is hard parenting children with special needs requires an entirely different set of skills and patience is the most important and the easiest to forget when bad days come This book is more than a memoir it is a story that provides guidance hope and education to parents and professionals who have or work with special needs children Since her daughters diagnoses Julie has become very proactive within the schools to help create the best possible environment for all special needs children in the community Because of her involvement with the schools extensive experiences both good and bad with the medical community and an unfortunate encounter with social services Julie can give readers the guidance they need to navigate their own way through the educational medical and legal waters that special needs families find themselves drowning in Julie s knowledge and experience is a lifeline to other moms and dads facing the same challenges Every parent has to know how to be their own child s strongest advocate They need to know what questions to ask when to demand answers and when to walk away from advice they don t trust This book will provide these tools Julie s story is about more than a mother and two challenged daughters It is about more than autism This story is about love faith and family It is about learning to accept something that cannot be changed and to embrace the gifts we are given despite perceived imperfections We cry We adapt We reflect We rejoice Most importantly we continue to live love and grow together
