Forgotten Pedagogues of German Education Ralf Koerrenz,Sebastian Engelmann,2019-10-15 This book introduces six pedagogues from the German context to an English speaking audience and demonstrates their significant contribution to the field of alternative education First and foremost the authors emphasise the importance of understanding the history of education to realise that in fact what we understand as normal today is by no means the only course history could have taken The quest for alternative ways of schooling goes back to the late eighteenth century where educational thinkers advocated various approaches in the face of rapid societal change The chosen six thinkers are not well known in the English speaking scientific community and some are even infrequently cited in the German context In offering an historic and systematic introduction to concepts that can frame Alternative Education in different ways this book allows the reader to critically

reevaluate present forms of education by using the past as a mirror *The Morning Myth* Frank J. Rumbauskas, Jr.,2019-06-26 Does the early bird always catch the worm Society largely praises early risers while maligning so called night owls However countless research studies have shown that night owls are more successful and wealthier than early risers The Morning Myth proves that indeed night owls are generally more successful in life than early risers It restores night owls self confidence and encourages them to achieve more on their natural schedules In *The Morning Myth* Frank J Rumbauskas provides practical tips to help night owls thrive Informs employers about how much productivity they re losing by forcing night owls to be at work bright and early Offers advice on how to schedule both early risers and night owls for maximum productivity Shows night owls how to achieve maximum happiness at work Coaches managers on getting the most out of their night owl employees Whether you re a night owl yourself or employ those who find their work mojo later in the day The Morning Myth breaks down stereotypes and shows you how to increase productivity around the clock **The Parochial School, a Curse to the Church, a Menace to the Nation** Jeremiah J. Crowley,1905 Mischief in Macon: A Grain of Salt in the Pepper Shaker Sadie Allran Broome,2024-12-04 Back in 1981 a teacher s husband decided to go back to school to become an attorney He moved his little family from the small town of Cherryville North Carolina to Macon Georgia so that he could attend Mercer Law School Husband and wife embarked on an adventure where they made lifelong friends and had numerous mischievous adventures while being far away from home and the life they knew before They were in culture shock but enjoyed the wild ride It is the story of love friendship perseverance and joy This is an adult memoir and the author s purpose is to make one laugh out loud **The Coding Manual for Qualitative Researchers** Johnny Saldana,2012-10-04 The Second Edition of Johnny Salda a s international bestseller provides an in depth guide to the multiple approaches available for coding qualitative data Fully up to date it includes new chapters more coding techniques and an additional glossary Clear practical and authoritative the book describes how coding initiates qualitative data analysis demonstrates the writing of analytic memos discusses available analytic software suggests how best to use The Coding Manual for Qualitative Researchers for particular studies In total 32 coding methods are profiled that can be applied to a range of research genres from grounded theory to phenomenology to narrative inquiry For each approach Salda a discusses the method s origins a description of the method practical applications and a clearly illustrated example with analytic follow up A unique and invaluable reference for students teachers and practitioners of qualitative inquiry this book is essential reading across the social sciences *The Smart Set* ,1907 Perspectives on Preventing Student Drug Abuse Ronald J. Pedone,Margaret K. Gwaltney,1989 *Beyond Resistance! Youth Activism and Community Change* Pedro Noguera,Julio Cammarota,Shawn Ginwright,2013-05-13 The failure of current policy to address important quality of life issues for urban youth remains a substantial barrier to civic participation educational equity and healthy adulthood This volume brings together the work of leading urban youth scholars to highlight the detrimental impact of zero tolerance policies on young people s educational

experience and well being Inspired by the conviction that urban youth have the right to more equitable educational and social resources and political representation Beyond Resistance offers new insights into how to increase the effectiveness of youth development and education programs and how to create responsive youth policies at the local state and federal level
