## Welcome to United States History!

**Directions:** Your first activity of the year will help us get to know each other a little better. Your task is to fill up all of the boxes in the grid below. You will go around the room and find a different person who can answer each statement. Write the person's name and their answer in each box. There is one catch: you cannot use someone's name more than once! You can also ask your teacher to fill out a box. Good luck!

I visited another state this summer.	I can identify the people on Mount Rushmore.	I have watched a Presidential debate or speech.	I have visited our State Capitol.	I can recite the Preamble of our Constitution.
I have a family member or friend who has served in the U.S. military.	Over the summer, I visited a National Park or a state park.	I have been to more than ten states in the U.S.	I have recently eaten a food that was first globally traded at the Columbian Exchange (tomato, potato, etc.)	I have Native American heritage.
I have never left our home state.	I know who is on the \$10 bill.	<b>FREE SPACE</b>	I have visited a nearby lake or river.	I can name all fifty states.

## **School History Of The United States:**

**A School History of the United States** John Bach McMaster, 2006-05-01 The French held to the policy of making friends with the Indians. No pains were spared to win them to the cause of France. They were flattered, petted, treated with ceremonial respect and became the companions as the women often became the wives of the Frenchmen. Much was expected of this mingling of races. It was supposed that the Indian would be won over to civilization and Christianity. But the Frenchmen were won over to the Indians and adopted Indian ways of life. They lived in wigwams, wore Indian dress, decorated their long hair with eagle feathers and made their faces hideous with vermilion, ochre and soot from the French and the Indians. It is clear why **A School History of the United States**, first published in 1897, became a definitive textbook. Simple language, straightforward ideas and easy organization make it browsable and concisely informative. Outdated attitudes make it more quaint than provocative, yet it still serves as a quick and useful introduction to the story of the United States from the discovery of the New World by Europeans to the war with Spain at the turn of the 20th century, particularly for those readers interested in how the American perception of the nation's history has shifted over the last century. Handy historical maps abound and useful appendices include the complete Declaration of Independence as well as the Constitution of the United States as it stood at the beginning of the 20th century. OF INTEREST TO American history buffs, students of the history of education. Also available from Cosimo Classics. McMaster's **A History of the People of the United States** From the Revolution to the Civil War Vol 1 and **A Brief History of the United States**. American historian JOHN BACH MCMASTER (1852-1932) taught at the Wharton School of Finance and Economy at the University of Pennsylvania, Philadelphia from 1883 to 1919.
