HUXLEY***

A photograph of a bird, possibly a sparrow or similar small bird, in flight. The bird is positioned in the lower-left foreground, with its wings spread wide, showing brown and grey feathers. It appears to be flying towards the right. The background is a scenic landscape featuring a range of mountains with significant snow cover under a clear blue sky. In the mid-ground, there are several tall, slender evergreen trees. The overall lighting suggests a bright, sunny day.
