Christman, 2024-10-17 He took the blind man by the hand and when he had spit on his eyes and laid his hands on him he asked him Do you see anything He said I see men but they look like trees walking Then Jesus laid his hands on his eyes again and he saw everything clearly Mark's account of a blind man needing two healing touches from Jesus graphically depicts the stubborn blindness of his disciples Peter epitomized this blindness when he was tempted by the popular view that Jesus was the Rome conquering savior of Israel rather than the suffering Servant of God Also the disciples didn't understand that Jesus miraculously fed the famished crowds with a few loaves and fish to meet immediate need and provide leftover fragments of food for future need Salvation was pictured for all time Essentially Mark's Gospel gathered leftovers historical fragments of Jesus' life to convey God's salvation across history to those Kierkegaard called the follower at second hand Like Peter disciples and even the crowds are tempted to false salvations where self is lost But ironically persons only become a self by taking up their own cross enabled by Jesus' second touch **My Wounds Have Made Me Well** Ruth Morgan Reynolds, 2015-08-30 We all experience loss and tragedy in our lives We can be wounded emotionally and physically Sometimes the wounds never heal For some of us the scars will remain forever serving as a constant reminder of our hardship We must learn to cope and get back on our feet Learning how others have dealt with severe injury and handicaps can help guide us to recovery and provide reassurance that we are not alone But we are never really alone God is always by our side My Wounds Have Made Me Well tells the story of Ruth Morgan Reynolds' quest to pull her life back together after a 5 ton work truck slammed into her vehicle head on while she drove home from work one day Her plans for her life were derailed her mobility became limited and she felt lost and adrift In despair and anguish she began to read the Bible from a

new perspective that of the afflicted in the stories and parables of Jesus She realized God had given her a great gift the ability to see beyond herself and how He intervenes to widen our perspectives and to refocus us on our true calling in life to serve and have faith in Him God challenges us to learn and grow from our experiences Abounding with references to the Word of God *My Wounds Have Made Me Well* offers a story of strength perseverance hope faith and discovery *Hasten, O King!* Mary Stafford Varnado,2012-12 How Great is Our God Believing God s promises transforms a human life and enables the believer to experience the abundant life Jesus came to earth to give Jesus said the thief does not come except to steal and to kill and to destroy I have come that they may have life and that they may have it more abundantly John 10 10 Many people today struggle with emotional physical or spiritual bondage Hasten O King is the story of the writer s journey through a life threatening illness and how her belief in God s power and His promises brought healing health and restoration Daughter be of good courage your faith has made you well go in peace Luke 8 48 Inspired devotionals from the author s personal journal encourage the reader to embrace God s Word and to live each day with renewed courage and hope even in the midst of adversity This book is recommended for small groups as well as for individuals seeking an easy to read yet in depth Bible study

Lowry,2013-05-17 Borrowing from the ancient rabbinic use of midrash as a means of opening Scripture to students James Lowry has chosen six texts from among those in which he believes Mark deliberately left silences The author is convinced Mark hoped his readers would be encouraged to raise a variety of possibilities as to what the evangelist left unsaid Beginning with Mark choosing not to name the temptations of Jesus Mark 1 12 13 and concluding with Mark choosing to conclude his narrative with the women leaving the tomb of Jesus in stunned silence Mark 16 8 Lowry spins short stories that suggest several alternative ideas as to how the biblical narrative might have played In half of the tales Lowry enters the text and adds fictitious material to Mark s narrative In the other half his stories are set in the small textile town of Great Falls South Carolina where the author grew up in the 1950s The hope is

these stories will encourage readers of Mark and groups of his readers to raise other possibilities

Mark Adrienne von Speyr,2012-08-01 These meditations on the Gospel of Mark with the exception of the second part on the Passion were given by Adrienne von Speyr between 1945 and 1958 to members of the Community of St John which she founded with the renowned theologian Fr Hans Urs von Balthasar Adrienne is speaking to young adults who have decided to live the state of the evangelical counsels in a secular profession as part of a recently established secular institute Nevertheless this contemplative commentary can be very useful for all who seek to meditate on Holy Scripture As always Adrienne here draws from the abundance of her own contemplation which keeps continually in view the harmonious unity of Christian dogmatic truth she gives to others what has been offered to her in contemplation without exegetical notes or any attempt at scholarship Since she is speaking to novices the train of thought is simple and practical yet rich in depth The points for meditation are not primarily for spiritual reading but an introduction to personal prayer They are meant only to point out a path because it is the Holy Spirit who directs contemplative prayer in all liberty As one reads through this book he will find in it a kind of synthesis of Adrienne von Speyr s spirituality This work will also be very useful to preachers catechists pastors communities and institutes who have understood with Pope Benedict XVI that It is time to reaffirm the importance of prayer in the face of the activism and the growing secularism of many Christians engaged in charitable work
