Seminary, a Search Paul Hendrickson, 1983 **Search** Michelle Huneven, 2022-04-26 Delectable Huneven treats us to a savory plot that blends spiritual yearnings with earthly pleasures Forks out Oprah Daily An NPR Best Book of 2022 From critically acclaimed award winning author Michelle Huneven a sharp and funny novel of a congregational search committee told as a memoir with recipes Dana Potowski is a restaurant critic and food writer and a longtime member of a progressive Unitarian Universalist congregation in Southern California Just as she s finishing the book tour for her latest bestseller Dana is asked to join the church search committee for a new minister Under pressure to find her next book idea she agrees and resolves to secretly pen a memoir with recipes about the experience That memoir Search follows the travails of the committee and their candidates and becomes its own media sensation Dana had good material to work with the committee is a wide ranging mix of Unitarian Universalist congregants and their candidates range from a baker and microbrew master pastor to a reverend who identifies as both a witch and an environmental warrior Ultimately the committee faces a stark choice between two very different paths forward for the congregation Although she may have been ambivalent about joining the committee Dana finds that she cares deeply about the fate of this institution and she will fight the entire committee if necessary to win the day for her side This wry and wise tale will speak to anyone who has ever gone searching and James Beard Award winning author Michelle Huneven s food writing and recipes add flavor to the delightful journey Search the Scriptures J.M. Myers, 2025-01-27 A Church in Search of Itself Robert Blair Kaiser, 2007-04-10 A deeply informed look at the intensifying struggle over the future of the Catholic Church Robert Blair Kaiser examines the most important and divisive issues confronting the Church the sex abuse scandal a shortage of priests due to the insistence upon celibacy the ban on contraception the roles of women in the Church the increased participation of laypeople in Church affairs He gives us an in depth and behind the scenes view of six of the cardinals who gathered in Rome in April 2005 to choose a new pope and through them makes clear why Catholics worldwide are increasingly leaving the Church or defying Church doctrine With passion and heartfelt concern Robert Blair Kaiser brilliantly illuminates the issues and the combatants in the battle for the soul of the Catholic world From the Trade Paperback edition The Never-ceasing Search Francis Otto Schmitt, 1990 Frank Schmitt has for two thirds of a century been searching for and in many cases finding explanations of major biomedical importance His is a very human story of a youth in high school doing experiments in a make shift chemical laboratory in the attic of the family home of a young university student who organized a students science society and whose undergraduate research on cell structure was published in major professional journals of a medical school student who wrote a thesis that attracted the attention of cardiologists for many years of a devoted husband who with his young wife spent two postdoctoral years in Berkeley London and Berlin and later made two trips around the world with her as he set up a worldwide network of neuroscientists As a young scientist at Washington University Schmitt investigated polarization optical and x ray diffraction

methods to discover the molecular structure of living tissues this long before molecular biology was established as a scientific discipline Schmitt was called to head biology at MIT in 1941 There he added electron microscopy to his ultrastructural repertoire and used much of it in wartime research As an Institute Professor MIT's highest rank he became a leader in the founding and characterization of the fields of biophysics and neuroscience Schmitt was also deeply committed to music along with his wife and had an interest in theology Photos Reformed Evangelicalism and the Search for a Usable Past Ian Hugh Clary, 2020-09-07 The question of how theology shapes a Christian historian's reading of the past has been debated thoroughly in various academic periodicals Should historians recognise the role of providence in their accounts of past events Should they sympathise with their subject's theology Can objectivity be lost due to theological bias And last but not least is there a compromise of faith if one writes natural instead of supernatural history Such questions are important for understanding the historian's profession Arnold Dallimore who trained and specialised in pastoral ministry in Canada wrote an influential biography of the revivalist George Whitefield as well as others on Charles and Susanna Wesley Edward Irving and Charles Spurgeon How did his Reformed theological perspective impact his historiography How does his work fit into larger historiographical debates concerning the nature of Christian history While other books look at Christian historiography using abstract and methodological approaches this book examines the subject precisely by looking at the life and work of an individual historian It does so by placing Dallimore in the context of being a minister in twentieth century Canada as well as his role in the development of Reformed Theology in the Anglosphere It also examines the quality of his various biographies focusing on key issues such as the nature of religious revival the problem of Christianity and slavery and the question of charismatic religious experience His study concludes by examining the relationship between the discipline and profession of church history and asking what is required for one to be considered a church historian **In Search of the Dharma** Chen-hua, 1992-08-25 This is the first and only book in English on modern Chinese Buddhism written by a practicing Chinese monk Chen hua provides a rare eyewitness account of Chinese monastic life and Buddhist practices before they were changed forever by the Communist revolution It begins with his departure from home in northern China to study Buddhism in Kiansu and Chekiang in the south and ends with his rejoining the monastic order in Taiwan after spending several years as a draftee in the Nationalist army Following century old traditions of Chan monks Chen hua made pilgrimages to all the major monasteries and holy sites and sought instruction from many famous masters His ordination at Pao hua Buddha recitation weeks at Ling yen scriptural studies at T'ien ning and a pilgrimage to Puto the sacred island of Kuan yin are some of the highlights of this candid and perceptive book The Introduction by Chun fang Yu places the work in a historical perspective Notes a glossary of Chinese terms maps and photos help readers who are new to the field *In Search of Meaning* Richard M. Pomeroy, 2000-09 *In Search of Meaning* is the result of the author's search for meaning while reflecting on his life experience as a forester as the director of a Job Corps Center War On Poverty as a director of personnel

for the U S Forest Service in California and Hawaii and as a Peace Corps volunteer in the Dominican Republic Upon his retirement in 1981 his search for meaning took him to the Pacific School of religion where his thoughts crystallized as he found one of the great theologians of the 20th Century Paul Tillich **In Search of Emily** Masako Takeda,2005 Cultural Writing Memoir Asian American studies IN SEARCH OF EMILY JOURNEYS FROM JAPAN TO AMHERST is Takeda's account of several journeys to the United States from Japan to study the poetry and life of Emily Dickinson Takeda not only recounts how she discovered the places Dickinson lived but she also relates how Dickinson touches her life and the lives of people she met along the way Takeda also explores her relation to her native Japan from her vantage point in the U S and what it means to live abroad as a Japanese woman She also tackles the problem of learning living and writing in a second language IN SEARCH OF EMILY chronicles the transformation of a young Japanese girl's blossoming interest in poetry into a lifelong pursuit after the enigmatic Emily Dickinson MASAKO TAKEDA was born in Nagano Japan in 1945 She grew up in Osaka where she now lives Graduated from Kyoto University in 1972 Masako initially taught at Mie University and has been teaching at Osaka Shoin Women's Un In Search of Christmas Elizabeth Morris-Pierce,Stephen A. spirit of joy and giving Roles can be doubled up for the small congregation and only a few basic props are needed Last Year In Bethlehem The Story Of Eli The Shepherd reminds us that the story of Christ s birth is more than a holiday tradition It combines a dramatic monologue with hymns and candlelight for a moving Christmas Eve worship experience On the first anniversary of the first Christmas a gruff but friendly shepherd tells of the night that changed his life Suggestions for costuming makeup and staging are included along with historical background on shepherds during Jesus time O Holy Night brings together scripture song and poetic readings to create a touching Christmas Eve worship service that can involve several participants without requiring lengthy rehearsal It is an especially attractive option for smaller churches without many resources but this enchanting service will be a glorious experience for any congregation [In Search of Liberty](#)

Ronald Angelo Johnson,Ousmane K. Power-Greene,2021-07-15 In Search of Liberty explores how African Americans since the founding of the United States have understood their struggles for freedom as part of the larger Atlantic world The essays in this volume capture the pursuits of equality and justice by African Americans across the Atlantic World through the end of the nineteenth century as their fights for emancipation and enfranchisement in the United States continued This book illuminates stories of individual Black people striving to escape slavery in places like Nova Scotia Louisiana and Mexico and connects their efforts to emigration movements from the United States to Africa and the Caribbean as well as to Black abolitionist campaigns in Europe By placing these diverse stories in conversation editors Ronald Angelo Johnson and Ousmane K Power Greene have curated a larger story that is only beginning to be told By focusing on Black internationalism in the eighteenth and nineteenth centuries In Search of Liberty reveals that Black freedom struggles in the United States were rooted in transnational networks much earlier than the better known movements of the twentieth century *In Search*

of Salt Frederick Quinn,2006-08-01 Relatively recent Bantu speaking migrants to central Cameroon the Beti have had an eventful history Based on extensive interviews and traditional Beti Fang poetry in addition to German and French archival sources the author of this readable study recreates the social structure of the Beti and their self perceptions in pre colonial times their disruptive encounters with first German 1880 1918 and then French 1918 1960 colonialism until Cameroon s independence *In Search of the New Testament Church* C. Douglas Weaver,2008 When John Smyth organized the first Baptist church he wanted to establish the New Testament church believer s baptism was the missing link Baptists of

subsequent eras often continued the search to embody New Testament Christianity Unique to surveys of Baptist life Doug Weaver highlights this restorationist theme as a way to understand Baptist identity Weaver does not force the theme but the search is ever present It is found in the insistence upon believer s baptism but also in examples like the Sabbath worship of Seventh Day Baptists the nine rites of colonial Separate Baptists the women preachers of Free Will Baptists the trail of blood of Landmarkism the social gospel of Walter Rauschenbusch the fundamentals of fundamentalism and the ministry of the European pioneer Johann Oncken Like other recent Baptist studies Weaver describes Baptist diversity Still he highlights the

persistent commitment of most Baptists to an informal constellation of Baptist distinctives. Alongside the quest for the New Testament church and congregational community Weaver especially highlights the Baptist commitment to religious liberty and the individual conscience. This emphasis while later reinforced by Enlightenment ideals could already be found in the biblicist piety of the earliest Baptists who insisted that individual believers must have the right to choose their religious beliefs because they would stand alone before God at the final judgment. Both chronologically and thematically this book addresses such themes as the role of women, the social gospel, ecumenism, charismatic influences, and theological emphases in Baptist life. The book's focus is America, but it also includes helpful introductory chapters on early English Baptists and international Baptists.

The Search for Social Salvation Gary Scott Smith, 2000-01-01. In their studies of social Christianity, scholars of American religion have devoted critical attention to a group of theologically liberal pastors, primarily in the Northeast. Gary Scott Smith attempts to paint a more complete picture of the movement. Smith's ambitious and thorough study amply demonstrates how social Christianity, which included blacks, women, Southerners, and Westerners, worked to solve industrial, political, and urban problems: reduce racial discrimination, increase the status of women, curb drunkenness and prostitution, strengthen the family, upgrade public schools, and raise the quality of public health. In his analysis of the available scholarship and case studies of individuals, organizations, and campaigns central to the movement, Smith makes a convincing case that social Christianity was the most widespread, long-lasting, and influential religious social reform movement in American history.

A Search for the Spiritual James Emery White, 1998-10-01. This is the book to put into the hands of seekers. With disarming candor and no church-speak, White explores the basics of the Christian faith.

In Search of Promised Lands Samuel J. Steiner, 2015-03-09. The wide-ranging story of Mennonite migration, theological diversity, and interaction with other Christian streams is distilled in this engaging volume, which tracks the history of Ontario Mennonites. Author Samuel J. Steiner writes that Ontario Mennonites and Amish are among the most diverse in the world in their historical migrations and cultural roots. In their theological responses to the world around them and in the various ways they have pursued their personal and communal salvation, *In Search of Promised Lands* describes the emergence and evolution of today's 30-plus streams of Ontarians who have identified themselves as Mennonite or Amish from their arrival in Canada to the last decade. *In Search of Promised Lands* also considers how various Mennonite groups have adapted to or resisted evangelical fundamentalism and mainline Protestantism, and it identifies the nineteenth and twentieth-century shifts toward personal salvation and away from submission to the church community. Volume 48 in the *Studies in Anabaptist and Mennonite History* series. Find out more.

about Ontario Mennonite and Amish history at the author's blog [In Search of Japan's Hidden Christians](#) John Dougill, 2016-09-15 *In Search of Japan's Hidden Christians* is a remarkable story of suppression, secrecy and survival in the face of human cruelty and God's apparent silence. Part history, part travelogue, it explores and seeks to explain a clash of civilizations of East and West that resonates to this day. For seven generations, Japan's Hidden Christians preserved a faith that was forbidden on pain of death. Just as remarkably, descendants of the Hidden Christians continue to practise their beliefs today, refusing to rejoin the Catholic Church. Why? And what is it about Japanese culture that makes it so resistant to Western Christianity? [The Search for a Common Identity](#) Brian R. Talbot, 2007-01-01 *The Search for a Common Identity* explores the process by which Scottish Baptists came to recognize the need for a union of Baptist churches in Scotland prior to 1869. This book identifies the major leaders in each of the three main Baptist streams in the early nineteenth century and shows how they came to the conviction that it was important for them to establish a common identity. At the heart of their unity was an enthusiasm for evangelism. The Baptist Home Missionary Society was formed in 1827. Its early successes demonstrated the wisdom of cooperation between the different Baptist agencies in Scotland. There had been three attempts to form a union of churches that failed because differences of perspective could not be reconciled. The principal achievement of the 1869 Baptist Union was in enabling Baptists with different theological opinions to come together to promote common practical objectives. In short, a shared sense of purpose led to the growth and establishment of the Baptist Union of Scotland.

In Search of Christ in Latin America Samuel Escobar, 2019-11-30 Noted theologian Samuel Escobar offers a magisterial survey and study of Christology in Latin America. *In Search of Christ in Latin America* examines the figure of Jesus Christ in the context of Latin American culture, starting with the first Spanish influence in the sixteenth century and moving through popular religiosity and liberationist themes in Catholic and Protestant thought of the twentieth and twenty-first centuries, culminating in an important description of the work of the *Fraternidad Teológica Latinoamericana* (FTL). Escobar provides theological, historical and cultural analysis of Latin American understandings of Christ and places liberation theology within its social and revolutionary context. This book is an important step toward a rich understanding of the spiritual reality and powerful message of Jesus.
