Another Jesus, a Different Spirit, a Different Gospel

Steven H. Propp, 2011-12-13 It's the Christmas season, the most wonderful time of the year for most people in River City, California. But for Jehovah's Witnesses, Lawrence and Brad, it's a time for them to try to explain the truth about this holiday season to the people of the community. Their earnest efforts may earn them ridicule, disagreement, or a door slammed rudely in their faces, but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovah's coming Kingdom. Whereas for Elders Skousen and Marshall, two Latter-day Saint Mormon missionaries, the season is another opportunity to share their Church's distinctive interpretation of the Christian gospel, but their efforts are often rebuffed as well. In the course of their work, these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ, the Community of Christ, RLDS, Seventh-day Adventists, and Oneness Pentecostals, not to mention skeptics, atheists, and the increasing numbers of people who lack any particular religious beliefs. But when a local church brings in a researcher to give a series of lectures on cults and specifically targeting the Jehovah's Witnesses and Mormons, a confrontation is ensured where theological and biblical concepts collide in a public forum. Who, if anyone, really has the Truth? Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season? Are objections raised about the secularization and rampant commercialism of the modern celebration valid? Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions. Readers of the authors' earlier novel *A Multicultural Christmas* will be pleased to see a brief reappearance of two characters from that book. *The Missionary Family* Dwight P. Baker, Robert J. Priest, 2014-08-29

The title of this book points to a feature the missionary family often considered to be a distinctive of the Protestant missionary movement. Certainly the presence of missionary families in the field has been a central factor in enabling, configuring, and restricting Protestant missionary outreach. What special concerns does sending missionary families raise for the conduct of mission? What means are available for extending care and support to missionary families? These issues are the focus of the chapters in part 1 of this book. In recent years, an increasing number of reports have surfaced of sexual abuse in mission settings. Some reports have been based on recovered memories, the assessment of which raises difficult questions. Clearly, sexual abuse in mission settings and how to understand allegations of abuse based on recovered memories are matters of grave concern to mission agencies and mission supporters as well as to missionary families. Part 2 serves the mission community by scrutinizing such matters, offering legal, historical, and psychological perspectives on the topic. In a new feature, *Forum on Sexual Orientation and Mission: An Evangelical Discussion*, the Evangelical Missiological Society takes up a pressing issue of our day. Fourteen evangelical scholars participate in the discussion found in part 3. Far from being the final word, this forum is presented with the prayer that it will serve as an opening to and basis for ongoing missiological
