Send No More Roses:

Send No More Roses Eric Ambler, 2023-10-03 A battle of criminal minds leads to deadly attacks in the Gold Dagger Award winning author's thriller of cerebral twists and sophisticated wit. In the parlance of criminology, an Able Criminal is one who flies below the radar of crime syndicates and law enforcement alike. Employing no discernable pattern or method, he is virtually uncatchable, but that won't stop criminologist Frits Krom from trying. Krom believes that Paul Firman, the director of an ostensibly legitimate international investment firm, is a textbook Able Criminal. Surprisingly, Firman has agreed to an interview with Krom at his secluded villa on the French Riviera. But amid their barbed exchanges, it becomes clear that the host and his guest are under siege by a third party, one whose motives and violent intentions are unclear. Now criminal and criminologist will have to join forces in order to survive. **Send No More Roses** was previously published under the title **The Siege of the Villa Lipp**.

The Siege of the Villa Lipp Eric Ambler, 2012-12-11 The Able Criminal, as defined by noted criminologist Frits Krom, strikes with no discernible pattern or method and flies below the radar of crime syndicates and law enforcement agencies alike. He is virtually uncatchable, but Krom is willing to try. He knows that Paul Firman, the director of an ostensibly legitimate international investment firm, is in fact an expert in tax avoidance and a textbook Able Criminal. Surprisingly, Firman agrees to submit to an interview with Krom and his two colleagues at his secluded villa on the French Riviera. He's more than a little curious about what they really want from him and confident he can avoid implicating himself. But it soon becomes evident that the host and his guests are under siege by a third party, one whose motives and violent intentions are unclear. If they are to survive, the criminal and the criminologists will have to band together. **The Siege of the Villa Lipp** is a classic Eric Ambler tale of suspense in which a man thrust into a high stakes situation far outside of his usual expertise finds himself at the mercy of forces beyond his control. **Send no more roses** Eric Ambler, 1973 **Cause for Alarm** Eric Ambler, 2011-10-19

Nicky Marlow needs a job. He's engaged to be married, and the employment market is pretty slim in Britain in 1937. So when his fiancé points out the Spartacus Machine Tool notice, he jumps at the chance. After all, he speaks Italian, and he figures he'll be able to endure Milan for a year long enough to save some money. Soon after he arrives, however, he learns the sinister truth of his predecessor's death and finds himself courted by two agents with dangerously different agendas. In the process, Marlow realizes it's not so simple to just do the job he's paid to do in fascist Italy on the eve of a world war.

Alarms and Epitaphs Peter Wolfe, 1993 Examines both the differences and the continuity between the early and late work of American thriller writer Ambler and considers the five novels published under the name Eliot Reed that he wrote with Australian writer Charles Rodda. Paper edition, unseen. 15.95. Annotation copyright by Book News Inc. Portland, OR.

Literary Pragmatics (Routledge Revivals) Roger D. Sell, 2014-10-14 Up until the mid 1980s most pragmatic analysis had been done on spoken language use considerably less on written use and very little at all on literary activity This has now radically changed Pragmatics could be informally defined as the study of relationships between language and its users This volume first published in 1991 seeks to reposition literary activity at the centre of that study The internationally renowned contributors draw together two main streams On the one hand there are concerns which are close to the syntax and semantics of mainstream linguistics and on the other there are concerns ranging towards anthropological linguistics socio and psycholinguistics Literary Pragmatics represents an antidote to the fragmenting specialization so characteristic of the humanities in the twentieth century This book will be of lasting value to students of linguistics literature and society Roger D Sell discusses the reissue of Literary Pragmatics here http://www.routledge.com/articles/roger_d_sell_discusses_the_reissue_of_literary_pragmatics
