El Sendero Luminoso, the Shining Path, in Context, 1990 **El Sendero Luminoso (the Shining Path) in Context**, 1990 **The Shining Path in Huancavelica, Peru** Nicholas A. Robins, 2024-02-19 This is the first work exploring the colonial roots modern context trajectory and legacy of the Shining Path insurgency in the region of Huancavelica Peru one of Peru's most impoverished and Quechua speaking regions The use of terroristic violence to implement a revolutionary and exclusivist ideology was without precedent in Latin America presaging later movements such as ISIS Integrating interviews testimonials survey data and the vast primary and secondary literature on the insurgency this work examines how Huancavelican communities experienced and continue to shoulder the consequences of an exterminatory conflict thirty years after the insurgency was largely although not entirely defeated *Casebook on Insurgency and Revolutionary Warfare*, 2012

Sendero Luminoso in Context John M. Bennett, Laurence Hallewell, 1998-10-22 El Sendero Luminoso The Shining Path is Peru's long standing Maoist revolutionary group that has significantly shifted the entire landscape of Peruvian political social and cultural life in fundamental ways Emerging from the fractured leftist movements of the 1960s The Shining Path has garnered world wide attention as a unique self sufficient revolutionary group The focus of the bibliography is on major works dealing with The Shining Path articles and studies published in Latin American and other related scholarly journals and Peruvian books that deal directly with the effects wrought by The Shining Path upon Peru Also included are titles that do not deal directly with The Shining Path but discuss in depth the political context which nurtured the development of revolutionary groups such as The Shining Path and MRTA Tupac Amaru the Peruvian guerrilla group that captured world attention in 1997 by holding the Japanese embassy hostage for months Approximately 1500 entries are included in this thorough bibliography Short annotations highlight important aspects of the source The bibliography is segmented into helpful subject areas that provide a cohesive sphere of information concerning the intersections of The Shining Path and Peruvian life as well as interest in the revolutionary movement abroad A helpful index completes this work **Historical**

Dictionary of Terrorism Sean K. Anderson, Stephen Sloan, 2009-08-03 The United States Department of Defense defines terrorism as the calculated use of unlawful violence or threat of unlawful violence to inculcate fear intended to coerce or to intimidate governments or societies in the pursuit of goals that are generally political religious or ideological While terrorism has been around for centuries it was the al Qaeda attacks of September 11 2001 that brought home to the world and most particularly the United States just how dangerous terrorism can be The third edition of the Historical Dictionary of Terrorism presents the full spectrum of forms of political violence through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on major terrorist groups and their leaders significant terrorist events cyber terrorism counterterrorism and social science concepts regarding the motivations and group dynamics of terrorist groups Authors Sean K Anderson and Stephen Sloan move beyond the gut reaction we have to this volatile and divisive topic by

providing a reliable and objective reference on terrorism **Transpacific Revolutionaries** Matthew D. Rothwell, 2013 This book shows how Maoism was globalized during the 1949-1976 period highlighting the agency of both Latin American and Chinese actors While Maoism has long been known to have been influential in many social movements and guerrilla groups in Latin America author Matthew Rothwell is the first to establish the way in which Latin American communists domesticated Maoism to Latin American conditions and turned Maoism into an influential political trend in many countries By utilizing case studies of the formation of Maoist guerrilla groups and political parties in Mexico Peru and Bolivia the book shows how the movement of Chinese communist ideas to Latin America was the product of a highly organized effort that involved formal connections between Latin American activists and the People's Republic of China It represents a major contribution to three developing fields of historical inquiry Latin America in the Cold War the global 1960s and Chinese Maoist foreign relations **Culture and Customs of Peru** Cesar Ferreira Ph.D., Eduardo Dargent-Chamot, 2002-11-30 The breadth of Peru's culture from pre-Columbian times to today is surveyed in this one-stop reference Modern Peru emerges as an ethnically divided nation progressing toward social integration of its heavily Indian and Hispanic population Ferreira and Dargent native Peruvians illustrate how the diverse geography of the country the Andes coast and jungle has also had a role in shaping cultural and social expression from history to art Further exploring the influence of Spanish colonialism and its modern blending with Indian traditions this volume covers the legacy of the Incas and Machu Picchu providing an authoritative overview of how the citizenry and major cultural venues such as the church media and arts have evolved A chronology and glossary supplement the text **Freedom or Security** Michael Freeman, 2003-05-30 Several democratic countries have used emergency powers to restrict or suspend individual liberties in order to fight terrorism more effectively Emergency powers are controversial in their potential to undermine democracy and civil liberties Freeman challenges popular arguments of both the supporters of emergency powers who focus on their expected effectiveness and the critics who focus on the dangers In reality the recent experiences of four different democratic states that have invoked emergency powers show that a positive outcome is just as likely as negative outcome As the United States fights its war against terrorism it should heed the lessons learned by other democracies in similar struggles particularly Great Britain's relationship with Northern Ireland in the 70s and 80s Uruguay's response to the Tupamaros in the late 60s and early 70s Canada's dealings with the FLQ in 1970 and Peru's conflict with the Shining Path movement in the 80s and early 90s

Latin American Studies Newsletter, 1981-1998 Massimo Mastrogregori, 2013-05-08 Annually published since 1930 the International Bibliography of Historical Sciences (IBOHS) is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The works are arranged systematically according to period region or historical discipline and within this classification alphabetically The bibliography contains a geographical index and indexes of persons and authors **Latin**
