Sennets Tuckets:

Wish for a Sinner Lynn Shurr,2014-07-25 Joe Dean Billodeaux womanizing star quarterback for the New Orleans Sinners thinks maybe just maybe he should look for a more wholesome woman than the ones who quickly signed his little black book when his promised season of celibacy ended Nellwyn Abbott who helps fulfill the dreams of critically ill children isn't interested in Joe his black book or becoming one of his conquests After overcoming childhood leukemia she knows there is more to life than casual pleasures While she rebuffs Joe at every turn she finds herself repeatedly thrown together with him by well meaning friends Though spooked by Nell's cancer experience Joe realizes there might be more to life than sex and football Can he convince Nell to give them the family she always dreamed of but thought was out of her reach Cincinnati Magazine ,2009-02 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region *The Gospel watchman* ,1880 Godonism Theo Von Cezar,2010-10-12 The story starts with friends Ahma and Jovian who like most humans have fallen on terrible luck There's nothing special about these two or humanity in general The dystopian grey world the men live in is held tightly in the grip of overpopulation People are subsisting and not much more The friends have nothing to look forward to until they happen to find the Church of All Nonbelievers What's the guiding principle of this somewhat sacrilegious institution As the book states GOD IS NOT INDEBTED TO THE UNIVERSE AND TIME WE ARE INDEBTED TO OUR GOD Enter a paranormal being who offers Ahma and Jovian the chance to rise above their meager existence The offer comes with a warning Should the two mess up the opportunity they'll bring their own ruination The story leads the friends down a winding path that is one half The Matrix and another half Heresy In the end the men find out their ties run deeper than ever thought the government's guiding hand in their lives more invasive and the lines between religion and science so completely blurred that both begin to look like futuristic psychology *Hot Tickets* H. George Frederickson,2019-11-06 In 2010 University of Kansas officials were shocked to learn that the FBI and IRS were on campus investigating Rodney Jones former head of the Athletics Ticket Office for stealing Jayhawks basketball tickets and selling them to brokers Investigators found that for more than five years Jones and a small ring of university officials had conspired to loot the university of 2 million in tickets reselling them for 3.5 million In what was perhaps the biggest scandal in college sports history all seven members of the Kansas Ticket Gang pleaded guilty to RICO Act indictments Five went to prison two were given probation for turning state's evidence Edie's Sinner Lynn Shurr,2023-01-30 Tyson Ramsey handsome arrogant and king of the campus for his football prowess has earned the title of The Golden Ram Though rude to student reporter Edie Billodeaux in an interview she can't help but feel a tiny bit of attraction However only long legged beauties ride on his motorcycle not short brunettes like her Still Edie is shocked when rumors of his drug use turn out to be true He is kicked off his college team leaving him with no future in the game Determined not to see talent wasted she hounds him into entering rehab What she doesn't foresee is her father a legendary

quarterback taking Ty under his wing to prepare him for the NFL Draft So much closeness so much temptation to become involved with a man determined to turn his life around

Horror Noire Robin R. Means Coleman, 2013-03 From King Kong to Candyman the boundary pushing genre of the horror film has always been a site for provocative explorations of race in American popular culture In *Horror Noire* Blacks in American Horror Films from 1890 s to Present Robin R Means Coleman traces the history of notable characterizations of blackness in horror cinema and examines key levels of black participation on screen and behind the camera She argues that horror offers a representational space for black people to challenge the more negative or racist images seen in other media outlets and to portray greater diversity within the concept of blackness itself *Horror Noire* presents a unique social history of blacks in America through changing images in horror films Throughout the text the reader is encouraged to unpack the genre s racialized imagery as well as the narratives that make up popular culture s commentary on race Offering a comprehensive chronological survey of the genre this book addresses a full range of black horror films including mainstream Hollywood fare as well as art house films Blaxploitation films direct to DVD films and the emerging U S hip hop culture inspired Nigerian Nollywood Black horror films *Horror Noire* is thus essential reading for anyone seeking to understand how fears and anxieties about race and race relations are made manifest and often challenged on the silver screen
