Island Episcopal Church. Diocese of Long Island. Convention, 1920 **Before the Resurrection** Emily Provance, 2025-03-31 How do Friends meetings and churches adapt to changing or shrinking communities A smaller or older meeting is no less valuable to God than a larger one but the more is better messaging of modern culture tells us otherwise This book weaves together logistical suggestions with eternal spiritual principles to help meetings right size their institutions Whether a group is altering its committee structures restructuring entirely selling a building or laying itself down the steps are essentially the same recognizing the need for change discerning the will of God at this time caring for one another and stepping forward into a new thing Friends are a resurrection people We know there will always be a renewal of life But resurrection is not the same as resuscitation How do we best make space for what God may do next **The Collected Works of Witness Lee, 1955, volume 4** Witness Lee, The Collected Works of Witness Lee 1955 volume 4 contains messages given by Brother Witness Lee in September through November 1955 Historical information concerning Brother Lee's travels and the content of his ministry in 1955 can be found in the general preface that appears at the beginning of volume 1 in this set The contents of this volume are divided into ten sections as follows 1 Twenty messages given in Hong Kong on September 21 through October 2 These messages are included in this volume under the title The Mingling of God and Man and the Principle of Resurrection 2 Three messages given in Hong Kong in September These messages are included in this volume under the title Fellowship with Saints in Southeast Asia 3 Twenty one messages given in Hong Kong in October and November These messages were previously published in a book entitled Further Talks on the Knowledge of Life and are included in this volume under the same title 4 Ten messages given in Hong Kong on October 3 through 18 These messages are included in this volume under the title A Record of a Bible Study on Romans and 1 and 2 Corinthians 5 Seven messages given in Hong Kong in October and November These messages are included in this volume under the title A Bird's eye View of Galatians Ephesians Philippians and Colossians 6 Seventeen messages given in Hong Kong on October 3 through November 3 These messages are included in this volume under the title Concerning How to Work for the Lord 7 A message given in Hong Kong on October 8 This message is included in this volume under the title Concerning How to Meet 8 A message given in Hong Kong on October 10 This message is included in this volume under the title Concerning How to Cultivate One's Character 9 A talk with Brother K H Weigh in Hong Kong on October 16 This talk is included in this volume under the title Knowing Christ as Life and Seeing the Light concerning the Tree of Life 10 Three messages given in Hong Kong on October 19 through 25 These messages are included in this volume under the title Concerning the Practice Needed

 Prime, 1872 The Meeting H.B. Schwartzman, 1989-05-31 In writing this book I discovered that everyone I talked to had his
 or her own theory about meetings and yet there is no theory of meetings in the research literature This makes writing about
 this subject both excit ing and hazardous It is always exciting to examine the significance of something that has been ignored
 but it is hazardous to write about something that everyone already thinks they understand Without re course to the
 legitimacy of a research tradition readers are likely to evaluate this study based on their own theory I have tried to take this
 into account by discussing what might be referred to as American folk theory about meetings see particularly Chapter 3 and
 also by juxtapos ing my own research in an American organization with research in traditional or non Western societies as
 conducted by anthropologists This juxtaposition throws into relief some of the important differences as well as similarities in
 views of meetings as well as the form of meetings across cultures It is also the only way that I know to examine how and
 when one s cultural context is affecting one s theoretical constructions If this book is successful it will challenge what I
 believe is the most common interpretation of meetings found in American society that is that meetings are a blank slate
 phenomenon useful as a tool for such functions as making decisions solving problems and resolving con flicts but having no
 impact on behavior in and of themselves **Rules of Discipline of the Yearly Meeting of Friends** Society of Friends.
