Diversión Albert Sergio Laguna, 2017-07-18 In an era of warming relations between the US and Cuba this book updates the conversation about Cuban America by revealing how this community has changed over the past 25 years Albert Sergio Laguna investigates the generational shifts and tensions in a Cuban America where the majority is now made up of those who have arrived since the 1990s and those born in the US To probe these changes Laguna examines the aesthetic and social logics of a wide range of popular culture forms originating in Miami and Cuba from the 1970s through the 2010s They include the stand up comedy of performers like Alvarez Guedes festivals a media distribution network in Cuba called el paquete morning radio shows and the viral content of Los Pichy Boys among others This study illustrates the centrality of play in a community that has been described historically as angry and melancholic Diversión contends that our understanding of the Cuban diaspora is lacking not in seriousness but in play By unpacking this archive Laguna explores our complex often fraught attachments to popular culture and the way it can challenge and reproduce normative cultural ideologies especially in relation to politics and race In the wake of the largest Cuban migration wave to the US in history Diversión is crucial reading for those who seek to understand not only the Cuban American diaspora but cultural and economic life on the island Book jacket Carnival and National Identity in the Poetry of Afrocubanismo Thomas F. Anderson, 2017-04-03 Traces the ways that Cuban poets dealt with issues of national identity reflected in their views of Afrocubanismo often in response to historical changes in public and official opinions on the most visible manifestation of Afro-Cuban culture carnival Choice Uncovers a wealth of literary texts primarily poems that chart the impact of las comparsas Afro-Cuban festival dances on mainstream Cuban life Investigates the ways in which the relationship between racial and ethnic divisions and between castes and classes created a literary movement full to the brim with emotional and sensational resonances Wasafiri Underscores the sociopolitical and historical contexts of these poems which have shaped the literary production and message of the Afrocubanismo movement A tour de force Callaloo Successfully plumbs the position of the Afro-Cuban performer and

brings into sharp relief the way politicians historically sought to affect all elements of Cuban culture New West Indian Guide Carnival and National Identity in the Poetry of Afrocubanismo offers thought provoking new readings of poems by seminal Cuban poets demonstrating how their writings affected the development of a recognizable Afro Cuban identity Thomas Anderson examines the long running debate between the proponents of Afro Cuban cultural manifestations and the predominantly white Cuban intelligentsia who viewed these traditions as backward and counter to the interests of the young Republic Including analyses of the work of Felipe Pichardo Moya Alejo Carpentier Nicol s Guill n Emilio Ballagas Jos Zacar as Tallet Felix B Cagnet Marcelino Arozarena and Alfonso Cam n this rigorous interdisciplinary volume offers a fresh look at the canon of Afrocubanismo and offers surprising insights into Cuban culture during the early years of the Republic **Cuban Studies** 36 Louis A. Bustamante Escalona, 2024-08-22 Es posible que estemos familiarizados con los estudios en torno a la poesía del escritor cubano José Agustín Goytisolo (1928-1999) así como de su generación del cincuenta que sepamos de su posicionamiento político como intelectual de izquierdas y de su compromiso con diferentes causas sociales y políticas situaciones que plasman no solo en su activismo sino también en sus letras. No obstante cuánto ignoramos de su interés por América Latina su historia y sus letras y particularmente de su relación con la Cuba revolucionaria y su poesía cuánto desconocemos de la relación intelectual y editorial profesional que tuvo con diferentes figuras así como de sus labores dentro del sector del libro ya no como poeta sino como crítico y editor es decir qué sabemos del papel que desempeñó Goytisolo en cuanto mediador oculto o gatekeeper en el proceso de inserción y legitimación de los poetas cubanos de ese entonces y de las redes intelectuales de las que formó parte. En un intento por dar algunas respuestas a estos interrogantes en este libro se trazan al tiempo que recuperan y revelan ciertos datos y acontecimientos preliminares que son clave en el desarrollo del ejercicio de reconocer y visibilizar la cubanía de Goytisolo.
