**The Oxford Handbook of the Jewish Diaspora** Hasia R. Diner, 2021. The reality of diaspora has shaped Jewish history, its demography, its economic relationships, and the politics which that impacted the lives of Jews with each other and with the non-Jews among whom they lived. Jews have moved around the globe since the beginning of their history, maintaining relationships with their former Jewish neighbors who had chosen other destinations and at the same time forging relationships in their new homes with Jews from widely different places of origin. **Jews, Food, and Spain** Hélène Jawhara Piñer, 2022-11-22. 2023 Gourmand World Cookbook Awards Best Jewish Food Culture Book. 2022 National Jewish Book Award Finalist. A fascinating study that will appeal to both culinarians and readers interested in the intersecting histories of food, Sephardic Jewish culture, and the Mediterranean world of Iberia and northern Africa. In the absence of any Jewish cookbook from the pre-1492 era, it requires arduous research and a creative but disciplined imagination to reconstruct Sephardic tastes from the past and their survival and transmission in communities around the Mediterranean in the early modern period, followed by the even more extensive diaspora in the New World. In this intricate and absorbing study, Hélène Jawhara Piñer presents readers with the dishes, ingredients, techniques, and aesthetic principles that make up a sophisticated and attractive cuisine, one that has had a mostly unremarked influence on modern Spanish and Portuguese recipes. **The B'nai B'rith International Jewish Monthly**, 2000
