The Gifting K.E. Ganshert, 2015-06-15 If the world is right then I am crazy And crazy is dangerous In a world where nothing supernatural exists Tess Eckhart is positive she s going crazy After her complete freakout at a high school party her family is too So much that they pack their bags and move across the country next to a nationally renowned facility for the mentally ill Tess is determined to fit in at her new school despite the whispers and stares But when it comes to Luka Williams a reluctantly popular boy in her class she s unused to a stare that intense Then the headaches start and the seemingly prophetic dreams that haunt her at night As Tess tries harder to hide them she becomes increasingly convinced that Luka knows something that he might somehow be responsible But what if she s wrong What if Luka Williams is the only thing separating her from a madness too terrifying to fathom **Serendipity and The Three Princes** Theodore G. Catching the Dream Joyce W. Leo & Nathalie Roy, 2011-03-26 Catching the Dream is a collection of poems written by 14 poets from all over the world These poets all share a common trait they fell in love with Susan Boyle s voice and personality and were inspired enough to join a fan site for the first time ever for most of them where they discovered each other and enjoyed the pleasures of cyber creation and communication Long time lovers of words and word games they naturally

expressed the joy and wonderment they felt through poetry Their common adventure started with playing a word tag game of having the Last Word As they shared thoughts and feelings experimenting different poetic styles they gained trust with each other and joined on the same journey ultimately taking the form of individual spiritual quests into the common humanity that unites us all Calling themselves the Golden Girls these poets reflect the uniqueness and preciousness of gold as well as its overtones of age ripeness and wisdom Each poet has a distinctive voice but together they create a continuous chant their voices blending to sing a Hymn to Life The 211 poems were edited and arranged by Joyce W Leo and Nathalie Roy **The**
