Sergeant Patrick Gass Chief Carpenter:

Sergeant Patrick Gass, Chief Carpenter William Kloefkorn, 2002-01-01 Verse in the voice of Sgt Patrick Gass on the Lewis and Clark expedition 1803 1806 Swallowing the Soap William Kloefkorn, 2010-01-01 This volume the first to span the forty year career of Nebraska state poet William Kloefkorn brings together the best known and most beloved poems by one of the most important Midwestern poets of the last half century Collecting work from limited editions and hard to find books along with Kloefkorn's most anthologized poems *Swallowing the Soap* is an indispensable one volume compendium of the work of a major American poet **Rooted** David R. Pichaske, 2009-05 David Pichaske has been writing and teaching about midwestern literature for three decades In *Rooted* by paying close attention to text landscape and biography he examines the relationship between place and art His focus is on seven midwestern authors who came of age toward the close of the twentieth century their lives and their work grounded in distinct places Dave Etter in small town upstate Illinois Norbert Blei in Door County Wisconsin William Kloefkorn in southern Kansas and Nebraska Bill Holm in Minneota Minnesota Linda Hasselstrom in Hermosa South Dakota Jim Heynen in Sioux County Iowa and Jim Harrison in upper Michigan The writers intimate knowledge of place is reflected in their use of details of geography language environment and behavior Yet each writer reaches toward other geographies and into other dimensions of art or thought jazz music and formalism in the case of Etter gender issues in the case of Hasselstrom time past and present in the case of Kloefkorn ethnicity and the role of the artist in the case of Blei magical realism in the case of Heynen the landscape of literature in the case of Holm and the curious worlds of academia best selling novels and Hollywood films in the case of Harrison The result Pichaske notes is the growing away from roots the explorations and alter egos of these writers of place and the tension between the here and there that gives each writer's art the complexity it needs to transcend provincial boundaries Quoting generously from the writers Pichaske employs a practical jargon free literary analysis fixed in the text making *Rooted* interesting readable and especially useful in treating the literary categories of memoir and literary essay that have become important in recent decades
