Serial Thrill Killers:

Serial Thrill Killers Clifford L. Linedecker,1990-10-01 **Serial Murder** Ronald M. Holmes,Stephen T. Holmes,2009-07-21 Provides a solid review of the subject with an accessible incisive presentation including photos and features unique to this edition **The Killer's Confession: Descended into Madness** Pasquale De Marco,2025-05-06 The Killer s Confession Descended into Madness is a gripping and disturbing journey into the mind of a contract killer It is a story of violence betrayal and redemption Pasquale De Marco has spent years interviewing killers and his insights into their world are both fascinating and terrifying He shows us how killers think how they operate and how they justify their actions The Killer s Confession Descended into Madness is not for the faint of heart It is a graphic and unflinching look at the dark side of human nature But it is also a story of hope It shows us that even the most hardened criminals can change and that redemption is possible even for the most heinous crimes In The Killer s Confession Descended into Madness Pasquale De Marco tells the story of James Jimmy Keene a contract killer who has murdered over 20 people Keene is a complex and contradictory figure He is a cold blooded killer but he is also a loving father and husband He is a man who has committed unspeakable crimes but he is also capable of great kindness Keene s story is a cautionary tale about the dangers of violence It is a story about the power of redemption And it is a story about the human capacity for both good and evil The Killer s Confession Descended into Madness is a must read for anyone who is interested in the dark side of human nature It is a book that will stay with you long after you finish reading it If you like this book write a review on google books *American Homicide* Richard M. what makes a killer tick Bala and Maguire take us through the societal behavioral and cultural phenomena that make victims and their murderers our collective responsibility and to find out once and for all what makes a killer tick **The Face of Satan** Carroll Silvera,2022-12-09 The Face of Satan By Carroll Silvera They re on the most dangerous hunt of their lives When the FBI gets called in to look into the disappearance of a young woman no one expects the case to lead to something bigger But as more and more disappearances are uncovered suspicions lead to a human trafficking ring and a serial killer Time is limited and they have to act fast but will it be fast enough Geographic Profiling D. Kim Rossmo,1999-12-28 As any police officer who has ever walked a beat or worked a crime scene knows the street has its hot spots patterns and rhythms drug dealers work their markets prostitutes stroll their favorite corners and burglars hit their favorite neighborhoods But putting all the geographic information together in cases of serial violent crime murder rape arson bombing and robbery is highly challenging Just ask the homicide detectives of the Los Angeles Police Department who hunted the Hillside Stranglers or law enforcement officers in Louisiana who tracked the brutal South Side rapist Geographic Profiling introduces and explains this cutting edge investigative methodology in depth Used to analyze the locations of a connected series of crimes to determine the most likely area of offender residence geographic profiling allows investigators and law enforcement officers to more effectively manage information and focus their investigations This extensive and exhaustive work explains geographic profiling theories and principles and includes an extensive review of the literature and research in the areas of criminal profiling forensic behavioral science serial violent crime environmental criminology and the geography of crime For investigators and police officers deployed in the field as well as criminal analysts Geographic Profiling is a must have reference **CHALLENGE OF THE WHITE WITCH** JOHN L. BISOL,2019-12-13 In the King James Version of the Bible the text reads Beware of false prophets which come to you in sheep s clothing but inwardly they are ravening wolves They re always looking out for themselves at the expense of everyone around them As much as we want to believe that everyone has the best intentions it isn t always the case Some people only do things to benefit themselves and they don t care who they hurt in the process White Witches can be found in almost every setting You can t get rid of them but if you can spot them you can avoid falling into their traps **Watching the Devil Dance** William Toffan,2020-11-10 The unbelievable true story of Canada s first known spree killer told by a veteran of the Royal Canadian Mounted Police In June 1966 Matthew Charles Lamb took his uncle s shotgun and wandered down Ford Blvd in Windsor Ontario At the end of the bloody night two teenagers lay dead with multiple others injured after an unprovoked shooting spree In his investigation into Lamb s story Will Toffan pieces together the troubled childhood and history of violence that culminated in the young man s dubious distinction as Canada s first known spree killer at which point the story becomes too strange for fiction Travelling from the border city streets to the courtroom to the Oak Ridge rehabilitation centre and finally Rhodesia Watching the Devil Dance is both a thrilling narrative about a shocking true crime and its bizarre aftermath and an insightful analysis of the 1960s

criminal justice system *Police and Profiling in the United States* Lauren M. Barrow, Ron A. Rufo, Saul Arambula, 2013-07-15 Traditionally criminal profiling texts have focused exclusively on the technicalities of conducting an investigation but recent developments in criminal justice have encouraged greater consideration of the related fields of psychiatry forensics and sociology Highlighting the current paradigm shift in criminology towards a cross disciplinary understanding of behavior *Police and Profiling in the United States Applying Theory to Criminal Investigations* provides investigators with the insight necessary to view events data and evidence in the context of contemporary theory Topics include Classical and determinist views on criminal behavior and social theories on crime Inductive and deductive logic and the dangers of fallacies in logical reasoning Childhood deviant behaviors and research on the historical search for an explanation of criminal behavior Developing typologies based on different criminal characteristics Sexually based offenses serial and rage killings and hero complex killers The critical role of crime scenes in investigations and the Locard exchange principle The value of geographic profiling in solving crimes and modern approaches such as COMPSTAT Balancing the role of victims in crime solving with concern for their well being The book concludes with scintillating profiles of 13 of the most notorious serial killers Written in a practical and approachable manner this book enables investigators to combine theory instinct and hunches with contemporary technology to construct a solid criminal profile
