**American Freethought** David C. Hoffman, 2025-06-17 A history of how the freethought movement fought to maintain a secular United States Although today it has largely faded from public memory the American freethought movement played an important role in shaping the religious landscape of the United States Without its influence state and local governments might still demand that public officeholders subscribe to specific religious doctrines and prosecute those who question the existence of God or the authority of the Bible for blasphemy In *American Freethought* David C Hoffman traces the history of the freethought movement to discover the strategies that allowed it to endure and succeed in a fervently religious nation Hoffman argues that American freethought has proceeded through four waves a period of deism inspired by Thomas Paine s *The Age of Reason* and allied with Jeffersonian republicanism in the 1790s a revival in 1825 that centered on the celebration of Paine s birthday and drew in the followers of utopian socialist Robert Owen a golden age of freethought in the late 1870s that saw an unprecedented explosion of freethought publications and organizations together with a demand for the separation of church and state and a final resurgence in the 1920s that helped realize the remarkable series of twentieth century Supreme Court decisions that created America s present conditions of secularism Hoffman argues that the freethought movement was successful because it united people with a wide variety of religious outlooks including deists pantheists Unitarians Universalists spiritualists transcendentalists Humanists agnostics and atheists behind the idea that religion is freer and the state is more just when the government refrains from religious involvement

**Life of Rev. Hosea Ballou** Thomas Whittemore, 1854

**Dictionary of Early American Philosophers** John R. Shook, 2012-04-05 The Dictionary of Early American Philosophers which contains over 400 entries by nearly 300 authors provides an account of

philosophical thought in the United States and Canada between 1600 and 1860 The label of philosopher has been broadly applied in this Dictionary to intellectuals who have made philosophical contributions regardless of academic career or professional title Most figures were not academic philosophers as few such positions existed then but they did work on philosophical issues and explored philosophical questions involved in such fields as pedagogy rhetoric the arts history politics economics sociology psychology medicine anthropology religion metaphysics and the natural sciences Each entry begins with biographical and career information and continues with a discussion of the subject's writings teaching and thought A cross referencing system refers the reader to other entries The concluding bibliography lists significant publications by the subject posthumous editions and collected works and further reading about the subject     *A Series of Letters in Defence of Divine Revelation* Hosea Ballou, 1820     **A Checklist of American Imprints for 1820-1829** Richard H. Shoemaker, 1972     **A Checklist of American Imprints for 1820-1829: Title index** Richard H. Shoemaker, M. Frances Cooper, 1972

*Skepticism and American Faith* Christopher Grasso, 2018-06-04 Between the Revolution and the Civil War the dialogue of religious skepticism and faith profoundly shaped America Although usually rendered nearly invisible skepticism touched and sometimes transformed more lives than might be expected from standard accounts This book examines Americans wrestling with faith and doubt as they tried to make sense of their world

Yeah, reviewing a ebook **Series Of Letters In Defence Of Divine Revelation A** could increase your near contacts listings. This is just one of the solutions for you to be successful. As understood, finishing does not suggest that you have fantastic points.
