Sermon Ideas And Outlines:

100 New Testament Sermon Outlines John Phillips, Carefully crafted sermon ideas from an accomplished speaker for a wide range of preaching occasions

50 POWERFUL SERMON OUTLINES, VOL. 2 Christopher E. L. Toote, Ph.D., D.Min., 2019-05-05 Dr Christopher Toote has written a master preacher guide for pastors and teachers to learn how to outline a sermon access a biblical text understand multiple ways to interpret the Bible and provide applicable meaning in today's world Dr Toote understands how to prepare present and apply God's word He brings a scholar's mind and a pastor's heart to his writing This work is drawn from a deep well of experience in Christian and secular higher education and a lifelong practice of biblical exposition He's been on both sides of the pulpit as preacher and parishioner He has lived out the gospel on campus and preached and taught faithfully in congregations This book reflects years of hard work from a student of God's word He understands what it's like to work throughout the week and be responsible for the work of the word on a weekly basis When I read preaching textbooks I would rather read from those who prepare a new sermon regularly rather than a preacher who only speaks occasionally Dr Toote knows the weekly process of prayer reflection study and delivery He knows the experience of struggling through a Saturday night after a busy week with little time to prepare a message He understands the demands of a congregation and he has walked with people through life and death These sermon outlines reflect his pastoral experience In this three volume collection he offers the student of God's word 150 teachable ready to use outlines for teaching on relationships personal discipleship and trust in Jesus as Lord He mines treasures from 36 books of the Bible and over 113 key passages and scripture readings from both the Old and New Testaments Dr Toote explains favorite passages clearly and pushes the reader to study unfamiliar passages carefully His applications are personal practical and profound Each volume covers a broad sweep of scripture and yet has distinctive themes that emerge Volume one teaches us how to use the Bible to deepen and develop our relationship with the church our families and our parents The second volume deals with discipleship how to grow personally in our walks with the Lord The third volume focuses on Lordship how to trust Jesus in all spheres of life William D Shiell Ph D President Professor of Pastoral Theology and Preaching Northern Seminary Lisle Illinois
