Hawkins,1880 *Sermons on the Christian Life (Classic Reprint)* George Burgess,2015-07-09 Excerpt from *Sermons on the Christian Life* The publisher of this volume has been anxiously desirous to promote by such

means as his position might place in his power the habit of reading for direct religious edification He has believed that both in the private chamber and in the family circle especially when any are deprived wholly or partially of the privileges of the sanctuary no other books will quite supply the place of printed sermons and he has regretted that in our country so few volumes of this class are offered to the public In the hope that the taste of thoughtful persons may not be yet at settled variance with what was formerly esteemed so favourable to the growth of individual and domestic piety he determined to enter on the publication of several volumes from living preachers of the Church if their consent could be obtained and if the first results of the enterprise should not be mere discouragements About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Sermons on the Christian Life ... Arthur John Maclean, 1855 *Christian Life, its Course, its Hindrances, and its Helps* Thomas Arnold, 2023-11-23 Reprint of the original first published in 1878 **Christian Life, Its Course, Its Hindrances, and Its Helps** Thomas Arnold, 1858 *Twenty-Five Village Sermons* Charles Kingsley, 2014-03-08 *Twenty Five Village Sermons* Christian Life By Charles Kingsley He watereth the hills from his chambers the earth is satisfied with the fruit of thy works He causeth the grass to grow for the cattle and herb for the service of man that he may bring forth food out of the earth and wine that maketh glad the heart of man and oil to make his face to shine and bread which strengtheneth man's heart Did you ever remark my friends that the Bible says hardly any thing about religion that it never praises religious people This is very curious Would to God we would all remember it The Bible speaks of a religious man only once and of religion only twice except where it speaks of the Jews religion to condemn it and shews what an empty blind useless thing it was What does this Bible talk of then It talks of God not of religion but of God It tells us not to be religious but to be godly You may think there is no difference or that it is but a difference of words I tell you that a difference in words is a very awful important difference A difference in words is a difference in things Words are very awful and wonderful things for they come from the most awful and wonderful of all beings Jesus Christ the Word He puts words into men's minds He made all things and He makes all words to express those things with And woe to those who use the wrong words about things For if a man calls any thing by its wrong name it is a sure sign that he understands that thing wrongly or feels about it wrongly and therefore a man's words are oftener honest than he thinks for as a man's words are so is a man's heart out of the abundance of our hearts our mouths speak and therefore by right words by the right names which we call things we shall be justified and by our words by the wrong names we call things we shall be condemned Christian Life Spiritual Growth Christian Education Christian
