Biblical Sermons Haddon W. Robinson, 1997-02-01 Haddon Robinson's method as presented in *Biblical Preaching* is employed in twelve expository messages offering concrete examples of how experienced preachers have made Robinson's homiletical principles work for them Robinson comments on each expository message interviews each preacher and contributes a sermon of his own The book shows how successfully his method of developing sermons can be adapted to different contexts

How Effective Sermons End Ben Awbrey, 2022-07-21 Extremely rare is the preacher whose preaching could not be improved substantially by readdressing his sermon conclusions Moreover a sermon conclusion marks the typical preacher's greatest need for improvement in his preaching This most significant element of a sermon has been championed for its importance in a sermon and yet the conclusion is trivialized in if not omitted from the preaching of sermons Whether textual topical or expository in preaching methodology the typical preacher has a greater understanding and better implementation of everything else related to preaching in contrast to what is understood and done in concluding sermons Much is not done and much more is not understood to conclude sermons with clarity strength and persuasiveness *How Effective Sermons End* provides a comprehensive approach and thorough examination of the sorely needed and long overlooked instruction regarding that most vital of all elements of a sermon the sermon conclusion This book fills the existing void in homiletical pedagogy about concluding sermons a void that prevents preachers from reaching their full potential of effectiveness in the ministry of preaching the Word of God The pathway of better preaching is knowledge and skill to effectively conclude sermons and this book floods that pathway with light

Preaching and Preachers D. Martyn Lloyd-Jones,2012-01-24 Some may object to my dogmatic assertions but I do not apologize for them Every preacher should believe strongly in his own method and if I cannot persuade all of the rightness of mine I can at least stimulate them to think and to consider other possibilities I can say quite honestly that I would not cross the road to listen to myself preaching and the preachers whom I have enjoyed most have been very different indeed in their method and style But my business is not to describe them but to state what I believe to be right however imperfectly I have put my own precepts into practice I can only hope that the result will be of some help and especially to young preachers called to this greatest of all tasks and especially in these sad and evil times With many others I pray that The Lord of the harvest may thrust forth many mighty preachers to proclaim the unsearchable riches of Christ **The Sermon Doctor** Harry Farra,2000-12-20 The quest to preach well is an endless one The Sermon Doctor combines the preaching and communication expertise of Harry Farra with the wisdom of the masters of all ages classic to modern Substantial help awaits both experienced and younger preachers Seminarians especially will find bedrock principles here to shape their preaching ministry In a unique Socratic format this creative guide to preaching records a series of fictional meetings between the Sermon Doctor and three discouraged preachers in search of a better understanding of effective preaching They have a deep desire to honor God and inspire congregations by revitalizing their faltering preaching techniques Many helpful insights are provided in this practical and creative handbook for today s sermon makers Living with the Sermon Robert P. Hoch-Yidokodiltona,2024-09-05 In Living with the Sermon readers will find a friendly companion to the preaching life With humor personal stories theological musings and practical signposts for those who live with the sermon Robert Hoch Yidokodiltona explores the highs and lows of the preaching life you will learn not only techniques for preaching but also how the life of the preacher is haunted by holy things There is according to Robert a wink and peek to the preaching life some playful mischief some mystery and yet in a practical spirit down to earth signposts to help along the way Whether you have been in the pulpit for many years or have just begun the journey this work will add to your wisdom and joy in the preaching life **Deep Preaching** J. Kent Edwards,2009 J Kent Edwards recalls a story that late pastor J Vernon McGee told about seeing children in South Africa playing a game of marbles in the dust with real diamonds The precious stones were being

handled with no regard for their true worth Edwards fears the same thing happens today when preachers offer Scriptural truth to listeners without being completely overwhelmed by its greatness themselves in the process Deep Preaching is his call to rethink preaching Edwards helps preachers learn to preach the word in ways that will powerfully change the lives of hearers He contends that sermons need not settle comfortably on the lives of the listeners like dust on a coffee table He encourages preachers to join him in casting off the lines that moor their ministries to the status quo and make every effort to steer their preaching out of the comfortable shallows He urges them to preach deep sermons rather than superficial ones moving beyond the yawn inspiring to the awe inspiring from the trite to the transforming A History of Preaching Otis Carl Edwards, 2004 Accompanying CD ROM contains the full text of volume one and two Volume two contains primary source material on preaching drawn from the entire scope of the church's twenty centuries Each chapter in volume two is geared to its companion chapter in volume one's narrative history *Preaching Without Notes* Prof. Joseph M. Webb, 2010-09-01 In this important book Webb makes two central claims First that effective preaching without a manuscript is not a matter of talent as much as it is a matter of preparation Preachers can learn the practices and disciplines that make it possible to deliver articulate thoughtfully crafted sermons not from a written page but as a natural spontaneous act of oral communication Throughout the book the author offers specific examples including a transcript of a sermon preached without manuscript or notes Second that the payoff of learning to preach without a manuscript is nothing less than sermons that more effectively and engagingly give witness to the good news **Grace (Journal Edition)** Charles H. Spurgeon, 2017-04-04 The good news is that you have inherited thousands of God's promises Charles Spurgeon discusses many of the provisions God has made for all of His children including unconditional love everlasting life and unshakable faith As you learn to accept God's free grace instead of trying to earn His favor you will discover a wonderful security peace and richness in your life Wesleyan-Methodist Magazine, 1850 *The Christ-Centered Expositor* Tony Merida, 2016-10-01 The Christ Centered Expositor by pastor and preaching professor Tony Merida provides a comprehensive overview of effective expository preaching that begins with the inner life of the expositor and then moves to the essential elements of sermon preparation and delivery Ideal for pastors teachers and students The Christ Centered Expositor will equip you for greater faithfulness to God his Word and his mission **Equip Yourself to Serve: A Training Course in Lay Ministry**, 1990
