Sermons Advent The Augustinian Ser:

Sermons, Advent Saint Thomas (of Villanova),1994 **Sermons to the People** Augustine of Hippo,2002-10-15 A superb new translation brings the words of Augustine the preacher stirringly to life When the great Saint Augustine was called from his country home to become Bishop of Hippo in the fourth century his new responsibilities took him away from the solitude of his writing and into the glare of the public eye The author of two of the greatest works of religious literature Confessions and City of God Augustine became a shepherd to the people inspiring and enlightening them with his sermons His skills as a speaker were as great if not greater than his skills as a writer According to his friend Possidius Those who read what Augustine wrote on the divine topics do get something out of them But those who saw and heard him in person they were the ones who got heaven and Earth Sermons to the People collects the homilies on the liturgical seasons of the Church Saint Augustine delivered over the course of his lifetime This Image edition includes the first sermons in that vast collection from Advent Christmas New Year s and the Epiphany Newly translated by William Griffin they address timeless concerns including the problems of materialism and the intellectual difficulties of faith Griffin renders the sermons with such immediacy it is as though he had been present when Augustine spoke to his flock Advent Saint Thomas (of Villanova),1994 *Cyclopædia Bibliographica:A Library Manual Of Theological And General Literature, and guide to books for Autors,preachers,students,and literary men.* James Darling,1859 **Seventeen Short Treatises of S. Augustine, Bishop of Hippo** Saint Augustine (of Hippo),1847 Cyclopaedia Bibliographica James Darling,1859 **The Apocalyptic Year 1000** Richard Landes,Andrew Gow,David Van Meter,2003-06-05 The essays in this book challenge prevailing views on the way in which apocalyptic concerns contributed to larger processes of social change at the first millennium Several basic questions unify the essays What chronological and theological assumptions underlay apocalyptic and millennial speculations around the Year 1000 How broadly disseminated were those speculations Can we speak of a mentality of apocalyptic hopes and anxieties on the eve of the millennium If so how did authorities respond to or even contribute to the formation of this mentality What were the social ramifications of apocalyptic hopes and anxieties and of any efforts to suppress or redirect the more radical impulses that bred them How did contemporaries conceptualize and then historicize the passing of the millennial date of 1000 Including the work of British French German Dutch and American scholars this book will be the definitive resource on this fascinating topic and should at the same time provoke new interest in and debate on the nature and causes of social change in early medieval Europe Cyclopaedia Bibliographica: a Library Manual of Theological and General Literature, and Guide to Books for Authors, Preachers, Students, and Literary Men.
