Excerpt from Sermons on the Card and Other Discourses Hugh Latimer a farmer s son was born about the year 1491 at  
Thurcaston in Leicestershire He was an only son with six sisters who were all well cared for at home He was a boy of  
fourteen when sent to Clare College Cambridge When about twenty four years old he had obtained a college fellowship had  
taken the degree of Master of Arts and was ordained Priest of the Roman Church at Lincoln In 1524 at the age of about thirty  
he proceeded to the degree of B D and on the occasion of his doing so he argued publicly for the Pope s authority against  
opinions of Melancthon Thomas Bilney went afterwards to Latimer s rooms gave him his own reasons for goodwill to the  
teaching of Melancthon and explained to him his faith as a Reformer in a way that secured Latimer s attention Latimer s free  
vigorous mind admitted the new reasonings and in his after life he looked always upon little Bilney as the man who had first  
opened his eyes With homely earnestness Latimer began soon to express his new convictions His zeal and purity of life had  
caused him to be trusted by the University as a maintainer of old ways he had been appointed cross bearer to the University  
and elected one of the twelve preachers annually appointed in obedience to a bull of Pope Alexander VI Now Latimer walked  
and worked with Bilney visiting the sick and the prisoners and reasoning together of the needs of Christendom The Bishop of  
the diocese presently forbade Latimer s preaching in any of the pulpits of the University Robert Barnes prior of the  
Augustinian Friars at Cambridge a man stirred to the depths by the new movement of thought then invited Latimer to preach  
in the church of the Augustinians Latimer was next summoned before Wolsey whom he satisfied so well that Wolsey  
overruled the Bishop s inhibition and Latimer again became a free preacher in Cambridge The influence of Latimer s  
preaching became every year greater and in December 1529 he gave occasion to new controversy in the University by his  
two Sermons on the Card delivered in St Edward s Church on the Sunday before Christmas 1529 Card playing was in those  
days an amusement especially favoured at Christmas time Latimer does not express disapproval though the Reformers  
generally were opposed to it About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books
