**Fabulous Creatures, Mythical Monsters, and Animal Power Symbols** Cassandra Eason, 2007-12-30 Eason provides an extensive overview of the mythology legends and folklore surrounding fabulous and strange fantasy creatures from different lands and ages from Chinese dragons and the Native North American thunderbird to the demon hounds of Celtic and Norse legend. She describes how in various ages and cultures people have identified with the idealized qualities of wise creatures as a source of power and better understanding of their own personalities and used the behavior of birds and other sacred creatures to gain oracular information in Ancient Egypt and the Classical and Celtic worlds. This book offers both traditional and little known folklore and legend about familiar real life creatures such as the horse, the cat, and the raven, and delves into the weird and wonderful world of saints who claimed to change into deer and modern cryptozoological monsters such as Bigfoot, Mothman, and lake and sea monsters as well as the rationale behind animal or headed deities of the Aztecs, Egyptians, and Celts in whose name people went to war.

**The Celtic Golden Dawn** John Michael Greer, 2025-05-23 A century ago Celtic groups descending from the famed Hermetic Order of the Golden Dawn pioneered a fascinating form of ceremonial magic invoking Pagan Celtic powers instead of relying on the more commonly used Judeo-Christian names and symbols. Those groups disappeared many decades ago and their teachings were lost. But today their legacy has been reborn. Respected occult author and Grand Archdruid John Michael Greer has re-created a complete magical system based on the Celtic Golden Dawn traditions. This new book provides students with a complete curriculum of Druidical magic and occult wisdom including training in ceremonial magic, meditation, pathworking, divination, geomancy, and herbal alchemy, allowing self-initiation into the three degrees of Ovate, Bard, and Druid. Structured to resemble a long lost correspondence course, *The Celtic Golden Dawn* presents a series of knowledge lectures, meditations, and rituals leading to mastery of the most important magical techniques.
