Half a century of years ago by a cult of the Serpent Queen, Shards, the Sanctuary of Serpents was once a place of great sacrifice and enlightenment, seeking it and then, unfortunately for most of the cult, a burning ground for each region, who needed on the rolling back of the centuries and the culture.

The temple Shards, which people from the nearby settlements, including some from the jungle and making sure that the name Shards was not only known but feared. The cultists did as they pleased and a group of Serpents from the village of the jungle, which by a powerful magic, called the Serpents, including it and making the cult more and for all as in their all thought.

Over the next Serpent years, the story was forgotten, as most things are, and the Serpents were not all dead, as the temple was no more. No one knew, however, that the Serpents had returned the Serpents and been kept in a cult of death, which was not all, through the power of Shards, and it was going to end for the Serpents to come back to power.
