Lotus Land:

Lotus Land Peter Anthony Thompson, 1906 Pilgrims in Lotus Land Robert Kenneth Burkinshaw, 1995 Pilgrims in Lotus Land explores the remarkable growth of evangelicalism in an intensely secular province during the twentieth century Robert Burkinshaw explains why evangelicalism held such appeal paying particular attention to the distinctive character

Lotusland David Joiner, 2025-02-26 In its revised ten year anniversary edition Lotusland remains one of the only works of fiction by a US author to bridge the literary gap between the Vietnam War and contemporary Vietnam Nathan Monroe is a 28 year old American living in Saigon who falls in love with a talented and ambitious Vietnamese painter When he faces crises of love and his own ambitions his safety net appears in the form of Anthony an old domineering friend in Hanoi who runs a successful real estate firm Only much later does Nathan discover that Anthony has plans for him which clash with his desire to integrate into Vietnamese life Little do they know what lies in store for them after Anthony recklessly takes both of their futures into his own hands With lyrical prose and an eye on the social dynamics of a culture undergoing great change Lotusland dramatizes the power imbalances between Westerners living abroad and between Westerners and Vietnamese in love and friendship in the consequences of war and in the pursuit of dreams This edition features a brand new cover foreword two author interviews and an essay by the author on writing about Vietnam **Canadian Baptist**

Fundamentalism, 1878-1978 Taylor Murray, Paul R. Wilson, 2022-04-01 As the first single volume work to present a national picture of Baptist engagement with the fundamentalist movement in Canada in the late nineteenth and twentieth centuries Canadian Baptist Fundamentalism fills an important gap in the historiography It explores the contributions of well known fundamentalists such as T T Shields William Bible Bill Aberhart and J J Sidey while also introducing the reader to several lesser known figures including Joshua Denovan E J Stobo and T A Meister Together these studies demonstrate the diversity of the fundamentalist movement as it emerged and developed across Canada By drawing on material from across the country Canadian Baptist Fundamentalism addresses old themes in new ways and in the process raises a variety of questions and possibilities for new avenues of study The Evolution of Consciousness David R. Hawkins, M.D., Ph.D., 2024-10-15 Spiritual teacher and best selling author of Letting Go offers a thorough explanation of the levels of consciousness In this book renowned spiritual teacher Dr David R Hawkins offers an in depth look at each level in the Map of Consciousness and how it relates in general to the whole field of consciousness He also defines what is meant by linear and nonlinear content and context as well as the radical state of subjectivity awareness and consciousness The Map of Consciousness is used to illuminate the understanding of the ego and our programs and how to be free of them As Dr Hawkins explains the Map is not a hierarchy of worthiness but more like a prism that breaks up the light into different colors Spiritual work is making choices that move us up toward the Light In the second half of this book Dr Hawkins explores How to transcend positionalities Why just hearing certain information can be transformational That there is no such thing as

nothingness The Progressive Fields of Realization and the theory of evolution How to disassemble the ego The basics of quantum mechanics Throughout Dr Hawkins speaks on the emergence of positive spiritual energy that is dominating the consciousness field of mankind with profound implications for everyone The whole use of this scale the whole use of what we learn from it is merely to support the intention on the part of everyone here to move forward in consciousness and to fulfill the human potential

Letters From Lotusland Ian Whitcomb,2010-02 Ian Whitcomb One Hit Wonder British Invader of the 1960s and teen heart throb never went home Instead he tried to settle down in Los Angeles County where over the years he produced a Grammy winning CD wrote songs for movies auditioned for butler roles in TV commercials had and lost dogs married successfully and continued to play his ukulele as the ship went down Now the entire soap opera 1996 2008 roped together in hard copy with appropriate photos can be relished as a roller coaster of self pity vaunting and failed ambition jealousy bathos and pathos culminating in a Big Dream In other words this is a comedy book Mainline Show Biz may have passed Whitcomb by but here in these precious pages he creates his own world of heroes and villains with himself as King in order to get sweet revenge through the twisted lingo of his India rubber sword

Artist Joseph D. Ketner,1993 Duncanson persevered With no professional training he taught himself to paint by copying prints and portraits and sketching from nature He began his career as a house painter and decorator eventually graduating to the work that would make him famous in his time landscape painting **The Cyril Scott Companion** Leslie De'Ath,Lewis Foreman,Desmond Scott,2018 This Companion explores the life and work of this remarkably creative man It provides a comprehensive analysis and appraisal of all the available music and includes a complete catalogue of his musical works along with a discography Several works both music and literary are here newly catalogued and discussed Altogether the volume gives a broad picture of Scott s entire output in literary dramatic and philosophical genres Publisher **Songs from the South-west Country** Freeman Edwin Miller,1898 **Altruism in World Religions** Suzanne Neusner,Bruce Chilton,2005-11-08 In 1830 philosopher Auguste Comte coined the term altruism to provide a general definition for the act of selflessly caring for others But does this modern conception of sacrificing one s own interests for the well being of others apply to the charitable behaviors encouraged by all world religions In Altruism in World Religions prominent scholars from an array of religious perspectives probe the definition of altruism to determine whether it is a category that serves to advance the study of religion Exploring a range of philosophical and religious thought from Greco Roman philia to Judaism Christianity and Islam from Hinduism in India to Buddhism and the religions of China and Japan the authors find that altruism becomes problematic when applied to religious studies because it is in fact a concept absent from religion Chapters on Judaism Christianity and Islam reveal that followers of these religions cannot genuinely perform self sacrificing acts because God has promised to reward every good deed Moreover the separation between the self and the other that self sacrifice necessarily implies runs counter to Buddhist thought which makes no such distinction By challenging our assumptions about the act of self sacrifice as it relates to religious teachings the authors have shown altruism to be more of a secular than religious notion At the same time their findings highlight how charitable acts operate with the values and structures of the religions studied **Hindu Pilgrimage** Prabhavati C. Reddy,2014-03-26 In recent years changes in religious studies in general and the study of Hinduism in particular have drawn more scholarly attention to other forms of the Hindu faith that are concretely embodied in temples icons artworks rituals and pilgrimage practices This book analyses the phenomenon of pilgrimage as a religious practice and experience and examines Shr Shailam a renowned south Indian pilgrimage site of Shiva and Goddess Durga In doing so it investigates two dimensions the worldview of a place that is of utmost sanctity for Hindu pilgrims and its historical evolution from medieval to modern times Reddy blends religion anthropology art history and politics into one interdisciplinary exploration of how Shr Shailam became the epicentre for Shaivism Through this approach the book examines Shr Shailam s influence on pan Indian religious practices the amalgamation of Brahmanical and regional traditions and the intersection of the ideological and the civic worlds with respect to the management of pilgrimage centre in modern times This book is the first thorough study of Shr Shailam and brings

together phenomenological and historical study to provide a comprehensive understanding of both the religious dimension and the historical development of the social organization of the pilgrimage place As such it will be of interest to students of Hinduism Pilgrimage and South Asian Studies **Lotusland** Theodore Roosevelt Gardner,1995 Lotusland is one of the most dramatic gardens in the world This spectacular book eloquently chronicles the gardens and the life story of the eccentric Madame Ganna Walska the legendary woman who spent more than forty years and untold millions developing these gardens
