Louis Riel The Rebel And The Hero Canadian Lives

Leslie Monkman

Louis Riel The Rebel And The Hero Canadian Lives:

Louis Riel, the Rebel and the Hero Hartwell Bowsfield, 1971 The rise and fall of Louis Riel 1844-85 spanned only fifteen years yet he is one of the most controversial and colourful people in Canadian history The central figure in two rebellions which he led on behalf of the French speaking half breeds called Metis Riel has caught the imagination of Canadians as few other historical personalities have done His career began with the acts of resistance at the Red River Settlement in 1869 and continued through the formation of a Provisional Government and the notorious shooting of Thomas Scott in 1870 through years of mental illness and exile in the United States to the North West Rebellion of 1885 It reached an inevitable climax with his surrender and trial and the passionate outpouring of feeling that rocked the country when he was found guilty of treason and executed The religious and racial emotions of the time the bigotry and opportunism of politicians and Riel's own unstable mental condition all combine to make of his life a Canadian tragedy one that had profound consequences for Confederation

The Canadian Prairies Gerald Friesen, 1987-01-01 A history of the Canadian prairie provinces from the days of Native European contact to the 1980s *Louis Riel and the Creation of Modern Canada* Jennifer Reid, 2008-11 Since he was tried and hanged for treason in November of 1885 Louis Riel has been the subject of more histories biographies novels and poetry than any other figure in Canadian history Politician founder of Manitoba and leader of the aboriginal Metis people Riel led two resistance movements against the Canadian government the Red River Uprising of 1869-70 and the North West Rebellion of 1885 in defense of Metis and other minority rights Against the backdrop of these legendary uprisings Jennifer Reid examines Riel's religious background the mythic significance that has consciously been ascribed to him and how these elements combined to influence Canada's search for a national identity Reid's study provides a framework for rethinking the geopolitical significance of the modern Canadian state the historic role of Confederation in establishing the country's collective self image and the narrative space through which Riel's voice speaks to these issues

Le messianisme de Louis Riel Gilles Martel, 1984-10-02 Le premier mai 1876 Louis Riel crivait Mgr Courget Le Saint Esprit m'a dit Tu es le Messie de Gloire humaine que la Maison de Jacob s'attendait trouver dans le Verbe incarné A la suite de quel cheminement psychologique et sous la pression de quels facteurs sociaux Louis Riel en arriva-t-il cette conviction Quelle fut l'évolution de cette idéologie messianique et millariste tout au long de sa vie Enfin quel rôle joua cette idéologie dans ses actions politiques entre 1869 et 1885 Utilisant abondamment des sources manuscrites souvent inédites la présente analyse de sociologie historique entend situer la personne de Riel dans l'histoire collective du peuple métis La description circonstanciée des bouleversements socio-économiques du peuple métis et l'analyse détaillée des traumatismes psychologiques de Louis Riel se conjuguent pour clarifier d'un jour nouveau cette page controversée de l'histoire canadienne **Louis Riel** Saskatchewan Provincial Library. Bibliographic Services Division, 1973 **The Riel Problem** Albert Braz, 2024-06-06 Tracing Louis Riel's metamorphosis from traitor to hero Braz argues that through his writing Riel resists his portrayal as both a Canadian patriot

and a pan Indigenous leader After being hanged for high treason in 1885 the Métis politician poet and mystic has emerged as a quintessential Canadian champion The Riel Problem maps this representational shift by examining a series of cultural and scholarly commemorations of Riel since 1967 from a large scale opera about his life through the publication of his extant writings to statues erected in his honour Braz also probes how aspects of Riel's life and writing can be problematic for many contemporary Métis artists scholars and civic leaders Analyzing representations of Riel in light of his own writings the author exposes both the constructedness of the Canadian nation state and the magnitude of the current historical revisionism when dealing with Riel

On the Other Side(s) of 150 Linda M. Morra, Sarah Henzi, 2021-05-20 On the Other Side(s) of 150 explores the different literary historical and cultural legacies of Canada's sesquicentennial celebrations It asks vital questions about the ways that histories and stories have been suppressed and invites consideration about what happens once a commemorative moment has passed Like a Cubist painting this modality offers a critical strategy by which also to approach the volume as dismantling reassembling and re-enacting existing commemorative tropes as offering multiple conditional and contingent viewpoints that unfold over time and as generating a broader although far from being comprehensive range of counter memorial performances The chapters in this volume are thus provisional interconnected and adaptive they offer critical assemblages by which to approach commemorative narratives or showcase lacunae therein by which to return to and intervene in ongoing readings of the past from the present moment and by which not necessarily to resolve but rather to understand the troubled and troubling narratives of the present moment Contributors propose that these preoccupations are not a means of turning away from present concerns but rather a means of grappling with how the past informs or is shaped to inform them and how such concerns are defined by immediate social contexts and networks

Rediscovering Canadian History Paul W. Bennett, 1980 Canadian history including some activities

The Story of Louis Riel, the Rebel Chief Joseph Edmund Collins, 1885

Canada 2018-2019 Wayne C. Thompson, 2018-06-07 This is an annually updated presentation of Canada past and present continues to provide the reader an in depth look at the country's culture geography people economy politics and future The combination of factual accuracy and up to date detail along with its informed projections make this an outstanding resource for researchers practitioners in international development media professionals government officials potential investors and students Now in its 34th edition the content is thorough yet perfect for a one semester introductory course or general library reference Available in both print and e book formats and priced low to fit student and library budgets

Canada 2017-2018 Wayne C. Thompson, 2017-08-17 This is an annually updated presentation of Canada past and present The contents in this volume are organized into sections dealing with Canada's culture Geography people history from New France to the constitutional debates in the late 20th century political system including the constitution monarchy parliament legal and court system federalism and the provinces provincial governments parties and elections defense economy the future and a comprehensive bibliography The combination of factual accuracy and

up to date detail along with its informed projections make this an outstanding resource for researchers practitioners in international development media professionals government officials potential investors and students Now in its 33rd edition the content is thorough yet perfect for a one semester introductory course or general library reference Available in both print and e book formats and priced low to fit student and library budgets **Louis Riel, the Rebel and the Hero [sound Recording]** Annesley, Grace, narrator, Hartwell Bowsfield, 197? I Am Brother Oji Mello Ayo, 2022-03-31 In November 1989 the Royal Ontario Museum staged a controversial exhibit called Into The Heart of Africa This sparked a protest demonstration that proved to be a life changing experience for many The youth led outcry for change became a landmark in Ontario's race relations leading to an upheaval so impactful it altered the course of history for museums worldwide becoming in effect a milestone in the way museums mount and curate exhibits Thirty one years later for the first time the authorized biography of one of the main protagonists Adisa Oji the only demonstrator to be imprisoned for his actions is being told publicly Few people know of his courageous story a young man who heroically stood up against institutionalized racist practices and was punished His up until now unknown personal history sheds irrefutable light on the current public and global agitation regarding race and racism and compels us to honestly re examine the long lasting tragic effects of colonialism and slavery This biography fills an important gap even for those who may be familiar with the Royal Ontario Museum episode while providing an informative gripping history for those who may not In a world where the significant contributions of people of African ancestry are most often overlooked or given short shrift I AM Brother Oji honours and highlights for global recognition the life leadership and legacy of a young Canadian of African Caribbean descent who distinguished himself during a time of social controversy Adisa S Oji's extraordinary story provides a window of illumination on how to break cycles of oppression and exploitation His story is a source of fresh and thoughtful insight into what it means to be a person of African ancestry living in a predominantly white European milieu and calls attention to the effectiveness of efforts directed at addressing racial discrimination inequity and injustice With the help of abundant amounts of photographs Mello Ayo as narrator and social commentator weaves a vivid beautiful story of uncompromising triumph and self empowerment While the ROM episode provides a point of departure the unflinching narrative goes beyond and connects the past with the present to create an enchanting hero's journey transiting through the sociopolitical and historical landscapes of Jamaica Canada and Ghana At a time when many young people are becoming disenchanted slumping into alienation and learned helplessness or collapsing into sub cultures of violence a look at how one young man kept his youthful optimism alive and how he refused to become a victim while making a positive difference is deserving of our attention A Native Heritage Leslie Monkman, 1981-12-15 Disparity and division in religion technology and ideology have characterized relations between English Canadian and Indian cultures through out Canada's history From the earliest declaration of white territorial ownership to the current debate on aboriginal rights red man and white man have had opposing principles and perspectives

The most common solutions imposed on these conflicts by white men have relegated the Indian to the fringes of white society and consciousness This survey of English Canadian literature is the first comprehensive examination of a tradition in which white writers turn to the Indian and his culture for standards and models by which they can measure their own values and goals for patterns of cultural destruction transformation and survival and for sources of native heroes and indigenous myths Leslie Monkman examines images of the Indian as they appear in works ranging from Robert Rogers Ponteach or The Savages of America 1766 to Robertson Davies Pontiac and the Green Man 1977 demonstrating how English Canadian writers have illuminated their own world through reference to Indian culture The Indian has been seen as an antagonist as a superior alternative as a member of a vanishing and lamented race and as a hero and the source of the new myths Although white Indian tension often lies in apparently irreconcilable opposites Monkman finds in the literature surveyed complementary images reflecting a common humanity This is an important contribution to a hitherto unexplored area of Canadian literature in English which should give rise to further elaboration of this major theme

The History of Canada Series - The Last Act: Pierre Trudeau Ron Graham, 2011-04-05 Between the morning of Wednesday November 4 and the morning of Thursday November 5 1981 a fateful drama unfolded that changed Canada forever In one last attempt to renew the constitution with the consent of the provinces Prime Minister Pierre Elliott Trudeau met behind closed doors in Ottawa with the ten premiers It was the culmination of more than five decades of constitutional wrangling and has been called the most important conference since the Fathers of Confederation got together in Quebec City in 1864 Faced with the threat of Quebec independence the ambitions of Western Canada and the provinces demands for more power Trudeau was embattled But he was fiercely determined to make Canadians fully independent and to entrench a Charter of Rights and Freedoms What happened that day still reverberates It severed the last important link to Canada's colonial past It guaranteed individual liberty and minority rights in the future It weakened the grip of the elites and gave ownership of the constitution to Canadians But it came at a price Quebec alone refused to sign the final deal René Lévesque its separatist premier claimed he had been betrayed by his allies in the Gang of Eight The legend of the Night of the Long Knives took hold precipitating a series of events that came close to destroying the country Thirty years later author Ron Graham delivers a gripping account of the fractious debates and secret negotiations He uses newly uncovered documents and the candid recollections of many of the key participants to create a vivid record of that momentous twenty four hours Authoritative and engaging The Last Act is a remarkable combination of scholarly research and historical narrative

Canada 2013 Wayne C. Thompson, 2013-08-28 This is an annually updated presentation of Canada past and present

The Western Métis Patrick C. Douaud, 2007 This book contains a collection of articles concerning the Western Metis published in Prairie Forum between 1978 and 2007 These articles have been chosen for the breadth and scope of the investigations upon which they are based and for the reflections they will arouse in anyone interested in Western Canadian history and politics

L'empire des Bois-Brûlés

Joseph Kinsey Howard,1992-03-12T00:00:00-05:00 Histoire de l'Ouest canadien Relation des hauts faits du Manitoba et de la Saskatchewan et rôle de Louis Riel avec des personnages de premier plan *Language and State* Xing Yu,2017-05-19 This book argues that a tribe of the primitive society is formed because of kinship while a state of the civilized society is formed because of language When humans communicate using language they extend the distance and the reaches of communication They expand their communities States replace tribes Language underlies the formation of the state Then accordingly language also underlies the organization of the state as men create language solutions in the organization of the state such as constitution election and representation The extension of linguistic communication distance also underlies the formation of three juxtaposing branches of government administrative legislative and judicial body It also enables men to create various forms of civilization such as history philosophy literature art religion and law which play a role in the construction of men's spirit that guides the operation of the state Language presets the whole process of the progress of civilization Canada 2014 Wayne C. Thompson,2014-07-17 This is an annually updated presentation of Canada past and present The contents in this volume are organized into sections dealing with Canada's culture Geography people history from New France to the constitutional debates in the late 20th century political system including the constitution monarchy parliament legal and court system federalism and the provinces provincial governments parties and elections defense economy the future and a comprehensive bibliography The combination of factual accuracy and up to date detail along with its informed projections make this an outstanding resource for researchers practitioners in international development media professionals government officials potential investors and students Now in its 30th edition the content is thorough yet perfect for a one semester introductory course or general library reference Available in both print and e book formats and priced low to fit student and library budgets

As recognized, adventure as competently as experience virtually lesson, amusement, as with ease as union can be gotten by just checking out a books **Louis Riel The Rebel And The Hero Canadian Lives** in addition to it is not directly done, you could understand even more on the order of this life, on the order of the world.
