

Louisiana Yesterday And Today

Michael Brown

Louisiana Yesterday And Today:

Louisiana, Yesterday and Today John Wilds, Charles L. Dufour, Walter G. Cowan, 1996-07-01 In Louisiana Yesterday and Today three veteran newspapermen examine the history and character of one of America's most remarkable states. This comprehensive entertaining work will inform natives of their rich heritage and familiarize others with the many sources of Louisiana's special charm. In concise thematic chapters the authors discuss practically every aspect of Louisiana's history. They explore in depth many specific events and eras including the Louisiana Purchase, the Battle of New Orleans, the Civil War and Reconstruction, and the rise of Huey P. Long. Illuminating Louisiana's wonderfully polyglot character, they trace the cultural milieu from earliest Indian days through the French and Spanish regimes into statehood. They tell of the pirate Jean Lafitte and the voodoo queen Marie Laveau, of the state's unique Cajun and Creole heritages, of the legendary red light district of Storyville, and of the excitement and debauchery of Mardi Gras. As a bonus, the book provides an incisive look at the state's 64 parishes as it portrays Louisiana's history, population, economy, culture, and outstanding tourist attractions, evincing the diversity most notably between north and south that characterizes the state. An excellent guide for visitors who wish to learn about Louisiana's past as well as its present attractions, *Louisiana Yesterday and Today* will also beckon natives to rediscover their heritage and the cultural wonderland that exists in their own backyard. **The Statesman's Yearbook**

2024 Palgrave Macmillan, 2024-01-03 Now in its 160th edition, *The Statesman's Yearbook* continues to be the reference work of choice for accurate and reliable information on every country in the world. Covering political, economic, social, and cultural aspects, the Yearbook is also available online for subscribing institutions. **The Statesman's Yearbook 2025** Palgrave Macmillan, 2025-01-10 Now in its 161st edition, *The Statesman's Yearbook* continues to be the reference work of choice for accurate and reliable information on every country in the world. Covering political, economic, social, and cultural aspects, the Yearbook is also available online for subscribing institutions.

Louisiana's Creole French People: Our Language, Food & Culture John LaFleur II, 2014-07-10 In this provocative and poignant book, *500 Years Of Culture: Louisiana's Creole French Metis People, Food, Language, and Culture*, I seek to provide my intelligent lay readers appropriate and useful scholarly resources which illustrate that a pre-Acadian culture of Canadian and North American Métis roots, to which was added European, African, and later Spanish elements combined in both Upper and Lower Louisiana, resulting in a multi-ethnic but distinctly unique Louisiana Creole culture. Though reminiscent of other kindred Creole cultures and people of the world of the former French Empire, she remains unique. This unique historic but forgotten culture existed prior to the arrival of the Acadians, and its cultural and linguistic traditions resulted in Louisiana's historic Creole culture. This multi-ethnic culture's food, ways, language, and social traditions were hijacked and promoted as if it was something totally new in the 1970s and 80s and then relabeled Cajun with no regard for the pre-existent and dominant history and sensibilities of the non-white ethnicities who were the true originators and creators of Louisiana's long indigenous and pre-Acadian culture. It is my hope to

sufficiently demonstrate through this historical narrative which is both passionate and humorous how greed ignorance and commerce joined hands in relabeling Louisiana s historic multi ethnic Creole French and metis culture as if Acadian Canada was the source of this remarkable and unusual culture which remains foreign to anything in Acadie Informative and well researched I submit to you the reading and caring public this revision which is also a much more readable better edited and supplemented text In this book for example a badly needed chapter on the cultural relationship between Louisiana Creole and Haitian Creole culture is provided and will prove to be a great source of help in avoiding needless confusion of these two separate but kindred cultures Though small this little book will no doubt prove to be a powerhouse of jaw dropping facts as it is an uproariously humorous expose of one of the most popular cultural forces in America and across the planet today And notwithstanding our best efforts sometimes typographical errors and misses occur For whatever imperfections of text remain I take full responsibility as I also apologize to you dear reader
