Caroline van Eck,2023 This volume explores the creation and reception of Piranesi's three colossal neoclassical candelabra
Caroline Van Eck's study explores the intense interest taken by producers and consumers of art objects in objects that made the classical live again in the late 1700s and early 1800s Andrea Mantegna: Paintings in Close Up Roger

Godfrey,2015-01-06 Andrea Mantegna 1431-1506 one of the foremost north Italian painters of the 15th century A master of perspective and foreshortening he made important contributions to the compositional techniques of Renaissance painting Like other artists of the time Mantegna experimented with perspective e.g. by lowering the horizon in order to create a sense of greater monumentality His flinty metallic landscapes and somewhat stony figures give evidence of a fundamentally sculptural approach to painting He also led a workshop that was the leading producer of prints in Venice before 1500

Close Up,1927 **Close-up on Sunset Boulevard** Sam Staggs,2003-02-04 Billy Wilder's *Sunset Boulevard* a classic film noir and also a damning dissection of the Hollywood dream factory evokes the glamour and ruin of the stars who subsist on that dream It's also one long in-joke about the movie industry and those who made it great and who were in turn destroyed by it One of the most critically admired films of the twentieth century *Sunset Boulevard* is also famous as silent star Gloria Swanson's comeback picture Sam Staggs's *Close Up On Sunset Boulevard* tells the story of this extravagant work from the writing casting and filming to the disastrous previews that made Paramount consider shelving it It's about the writing team of Billy Wilder and Charles Brackett sardonically called the happiest couple in Hollywood and their raucous professional relationship It's about the art direction and the sets the costumes the props the lights and the cameras and the personalities who used those tools to create a cinematic work of art Staggs goes behind the scenes to reveal William Holden endlessly attacked by his bitter wife and already drinking too much Nancy Olson the cheerful ingenue who had never heard of the great Gloria Swanson the dark genius Erich von Stroheim the once famous but long forgotten *Waxworks* and of course Swanson herself who just like Norma Desmond had once been the greatest star of them all But the story of *Sunset Boulevard* doesn't end with the movie's success and acclaim at its release in 1950 There's much more and Staggs layers this stylish book with fascinating detail following the actors and Wilder into their post *Sunset* careers and revealing Gloria Swanson's never ending struggle to free herself from the clutches of Norma Desmond *Close Up On Sunset Boulevard* also chronicles the making of Andrew Lloyd Webber's musical production of *Sunset Boulevard* and the explosive diva controversies that dogged it The book ends with a shocking example of Hollywood life imitating Hollywood art By the last page of this rich narrative readers will conclude We are those wonderful people out there in the dark **Arnold Bocklin: Paintings in Close Up**

Carla Tagloff,2015-01-06 Arnold Bocklin was a Swiss symbolist painter influenced by Romanticism His painting is symbolist with mythological subjects often related with the Pre-Raphaelites He depicts fantastical figures alongside classical buildings frequently revealing an obsession with death creating a strange fantasy world Art critics have constantly found it not easy to categorize this original and eccentric artist Bocklin hated giving titles to his pictures and declared that he painted in order to
