Love And Commitment:

Learning to Live the Love We Promise Lewis B. Smedes, 2001-03-20 Each one of us enjoys deep relationships held together by an invisible cord called commitment and every important community depends on the strength of that unseen cord At times we find it a joy to keep our commitments At others it seems difficult even impossible to honor those spoken and unspoken pledges If you deeply desire to make and keep commitments If you want insight into what makes relationships work or to learn what to do when a relationship is in crisis If you feel trapped by a bad commitment and wonder if you can experience grace and a new beginning Best selling author Lewis Smedes offers insights that will profoundly affect the way you interact with and relate to others Find out what you and those you love can gain from committed relationships discover how to cope when someone close to you breaks your trust and determine which if any relationships should continue forever as well as how you can make these relationships last in Learning to Live the Love We Promise **Love and Commitment**

Do Love Andrew Rankin, 2013-03-13. We're all love hacks, but it doesn't have to be this way. Jesus gave a new teaching on the eve of His crucifixion: Love one another as I have loved you. He said that His followers would be known for their love. Yet few have experienced His love. Fewer still actually love like Him. As a recovering love hack, Rankin knows firsthand the struggles of moving beyond feelings and good intentions into the reality of loving others through actions. For love to become a way of life, we need to follow Jesus down a clear path. **Do Love** is a fresh call to establish love as the distinctive Christlike trait in our lives.

Such an Undying Love Pasquale De Marco, 2025-04-27. Such an Undying Love is an introspective exploration of love in its myriad manifestations, delving into its complexities, contradictions, and transformative power. Through a tapestry of poignant anecdotes, insightful reflections, and thought-provoking questions, the author invites readers on a journey to unravel the mysteries of this enigmatic emotion and illuminate its profound impact on our lives. Within these pages, we explore the many facets of love, from the exhilarating highs of passionate romance to the enduring warmth of familial bonds. We examine love's ability to heal wounds, inspire dreams, and connect us to something greater than ourselves. Yet we also acknowledge the challenges that love can bring: the heartbreak, the disappointment, and the pain of loss. The book delves into the nature of love, questioning what it means to truly love and be loved. It examines the role of love in our personal lives, our relationships, and our communities, exploring how love can shape our identities, our values, and our actions. We explore the diverse expressions of love, from the tender affection between friends to the fierce loyalty of family. Furthermore, the book explores love's enduring legacy, its impact on history and culture, and its potential to shape a better future for all. We examine how love has inspired great works of art, literature, and music, and how it has driven social and political movements throughout the ages. We also consider the challenges that love faces in a world often driven by materialism, individualism, and inequality. Ultimately, Such an Undying Love is a celebration of love in all its forms, a testament to its power to transform lives and create a more just and compassionate world. It is an invitation to readers to reflect on their own experiences of love, to appreciate its beauty and complexity, and to harness its transformative power to create a better future for themselves and for generations to come.
