Love And Survival The Scientific Basis For The Healing Power Of Intimacy:

Love & Survival Dean Ornish, 1998 What do love and survival have to do with each other Dr Dean Ornish's clinical research demonstrates that they are enmeshed in fact that our very survival depends on the healing power of love According to Dr Ornish the real epidemic in our culture is what he calls emotional and spiritual heart disease We can heal the loneliness isolation alienation and depression that are prevalent in our society and Dr Ornish provides the key to unlocking the miracle of love and allowing the healing to begin

Love and Survival Dean Ornish, 2011-11-15 The Medical Basis for the Healing Power of Intimacy We all know that intimacy improves the quality of our lives Yet most people don't realize how much it can increase the quality of our lives our survival In this New York Timesworld renowned physician Dean Ornish M D writes I am not aware of any other factor in medicine that has a greater impact on our survival than the healing power of love and intimacy Not diet not smoking not exercise not stress not genetics not drugs not surgery He reveals that the real epidemic in modern culture is not only physical heart disease but also what he calls spiritual heart disease loneliness isolation alienation and depression He shows how the very defenses that we think protect us from emotional pain are often the same ones that actually heighten our pain and threaten our survival Dr Ornish outlines eight pathways to intimacy and healing that have made a profound difference in his life and in the life of millions of others in turning sadness into happiness suffering into joy

Love & Survival Dean Ornish, 1999 **Love and Survival** Dean Ornish, 2016-05-10 The Medical Basis for the Healing Power of Intimacy We all know that intimacy improves the quality of our lives Yet most people don't realize how much it can increase the quality of our lives our survival In this New York Timesworld renowned physician Dean Ornish M D writes I am not aware of any other factor in medicine that has a greater impact on our survival than the healing power of love and intimacy Not diet not smoking not exercise not stress not genetics not drugs not surgery He reveals that the real epidemic in modern culture is not only physical heart disease but also what he calls spiritual heart disease loneliness isolation alienation and depression He shows how the very defenses that we think protect us from emotional pain are often the same ones that actually heighten our pain and threaten our survival Dr Ornish outlines eight pathways to intimacy and healing that have made a profound difference in his life and in the life of millions of others in turning sadness into happiness suffering into joy

Love & Survival Dean Ornish (M. D.), 1998 Examines Dr Ornish's clinical research that demonstrates that our very survival depends on the healing power of love Building Intimate Relationships Rita DeMaria, 2013-08-21 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company Love and Survival Dean Ornish, 2001 Dr Dean Ornish transformed the treatment of heart disease when he proved that it could be reversed through diet and exercise In this book he shows that the real epidemic is an emotional and spiritual heart disease the profound sense of loneliness isolation alienation and depression in our society and the most powerful factor in the healing process are feelings of love connectedness and spiritual transformation He proves that the healing power of love and intimacy is more important than

any other factor in medicine not diet smoking exercise stress genetics drugs or surgery have a greater impact on our quality of life incidence of illness and premature death from all causes Dr Ornish writes both from his clinical research and from his own struggles for intimacy and communication sharing the techniques and strategies he has found effective in his personal life
