Beal,2010-11-11 This story is about some of my personal experiences of love changes beginning with first love on through maturity into spiritual love I ve weathered through the experience of infidelity loss of a love through drug abuse and adultery and the emotional roller coaster that comes along with each experience I discuss how one can be mislead by the feelings of the heart if it does not work in conjunction with the logic of the mind I ve not only expressed the up s and down s of each situation in a story but I ve expressed the emotions poetically as they occurred I went onto discuss as story progresses the learning experience that comes through these love changes as one matures In which one finally realizes that love begins when you have an understanding of yourself and make Jesus first in your life You will then have the desires of your heart fulfilled **Love Changes Everything** Donna L.
