Love Happens:

When Love Happens... Manish Kumar,2017-11-10 True love never dies It is redefined every time you feel it When Nish falls in love little does he know the impact it is going to have on his life Hailing from conservative backgrounds love is nothing less than war with the world for the lover and his beloved Albeit limited communication they still dare to dream of a life together But with the pressure of attaining stability in life he finds it impossible to chase his dreams endlessly An unassuming man from a modest background he fights helplessness and challenges thrown at him by life only to learn precious life lessons His faith in God gives him the strength to move on and find his calling in writing and poetry When Love Happens is a tale of shattered dreams and redemption of fear and fortitude and above all of the indomitable human will
