

A heart-shaped sun or moon is positioned in the upper center of the image, glowing with a bright yellow and orange light. The background is a dark, gradient sky transitioning from deep orange near the heart to a dark, almost black, horizon. Below the horizon, a dark, textured surface, possibly water or a path, reflects the light from the heart, creating a shimmering trail that leads the viewer's eye towards the center. The overall mood is romantic and contemplative.

Ethics beyond Rules Keith D Stanglin,2021-08-17 An introduction to ethics that will help Christians rediscover a moral reasoning rooted in Scripture and navigate the ethical crises of our time How should Christians live How should we interact with one another Why do we think the way we do about right and wrong How should we approach today's complex moral questions Keith Stanglin realigns our ethical thinking around the central question What does real love require applying it to our ethical reasoning on many of the social issues present in today's culture abortion sexual ethics consumerism technology race and politics Moral evaluation must be based on more than our subjective feelings or the received wisdom or majority opinion of our community But thinking objectively and reasonably

about our ethical commitments is a process that's rarely taught in contemporary education or even in churches. *Ethics Beyond Rules* is a clear and accessible introduction for thoughtful Christians who want to lead moral lives, who want to define their moral code by firm biblical standards while acknowledging the complex nature of the issues at hand. Stanglin's love-based framework for moral decision making engages Scripture and the historic Christian faith, giving Christians the tools to clearly and mindfully consider the ethical problems of today and the foundation to confront new issues in the years to come.
