*Love Me, Love My Dog* Sir Pelham Grenville Wodehouse, 2020-09-28 After five minutes of silent and intense thought John Barton gave out the statement that the moonlight on the terrace was pretty Aline Ellison said Yes very pretty But I say by Jove said the voice behind them you should see some of the moonlight effects on the Mediterranean Barton You really should They would appeal to you There is nothing like them is there Miss Ellison Homicidal feelings surged up within John's bosom This was the fourth time that day that Lord Bertie Fendall had interrupted just as he got Aline alone It was maddening Man in his dealings with the more attractive of the opposite sex is either a buzzer or a thinker John was a thinker In ordinary circumstances a tolerable conversationalist he became when in the presence of Aline Ellison a thinker of the most pronounced type practically incapable of speech What he wanted was time He was not one of your rapid wooers who meet a girl at dinner on Monday give her their photograph on Tuesday morning and propose on Tuesday afternoon It took him a long while to get really started He was luggage not express But he had perseverance and provided the line was kept clear was bound to get somewhere in the end The advent of Lord Bertie had blocked the line From the moment when Mr Keith their host had returned from London bringing with him the son and heir of the Earl of Stockleigh John's manoeuvres had received a check Until then he had had Aline to himself and all that had troubled him had been his inability to speak He had gone dumbly round the links with her rowed her silently on the lake and sat by in mute admiration while she played waltz tunes after dinner It had not been unmixed happiness but at least there had been no competition But in Lord Bertie he had a rival and a rival who was a buzzer Lord Bertie had the gift of conversation and a course of travel had provided him with material for small talk Aline her father being rich and her mother a sort of female Ulysses had gone over much of the ground which Lord Bertie had covered and the animation with which she exchanged views of European travel with him made John moist with agony John was no fool but he had never penetrated farther into the heart of the Continent than Paris and in conversations dealing with the view from the summit of the Jungfrau or the paintings of obscure Dagoes in Florentine picture galleries this handicapped him On the present occasion he accepted defeat with moody resignation His opportunity had gone The conversation was now dealing with Monte Carlo and Lord Bertie had plainly come to stay His high pitched voice rattled on and on Aline seemed absorbed *Love Me, Love My Dog* Ava Summers, 2015-05-27 Can You Teach an Old Dog New Tricks A sweet romance short story with dogs Forty three year old Samantha Anderson is a romance novel writer who has
