Lazy Love Keion Henderson, 2024-08-06. Bestselling author and Senior Pastor of The Lighthouse Church and Ministries shares how to strengthen your relationships with family, partners, friends, and others, and find deeper satisfaction by learning to love better. Humans are meant to love and be loved, but so often we fall short at loving well. We take others for granted. We make assumptions. We forget to show our affection. We grow lazy. We so often fail in our relationships with our families, our partners, our friends, and fellow humans because we are lazy in our love for one another, says Keion Henderson, pastor of the mega church Lighthouse Church in Houston. Lazy love prevents us from experiencing the deep, soulful fulfillment we long to know. It keeps us from being known and enjoyed by those around us. And it stops us from stepping out to give who we are without expecting anything in return. In his new book *Lazy Love*, Henderson unpacks the four kinds of love mentioned in the Bible: eros or attraction, phileo or friendship, storge or familial, and agape or spiritual love, and shows readers how each shapes our relationships and our lives. He also encourages readers to uncover the unhealthy practices that often lead to damaged or broken relationships and helps readers break free of the patterns that keep us from loving well. The good news is that each of us can learn to love better and to improve our relationships with our partners, our children, our friends, our co-workers, and our neighbors. *Lazy Love* will help readers become better at loving others in all areas of their lives.

Nazitwere,2016-02-29 At a young age the Lord told me that I would write books and that my first book would be a testimony of how the Lord helped me to get married a virgin he said it was going to be my duty to tell other ladies to walk in purity because that is what he desires for them all At that age I did not even know I would get married a virgin but anything the Lord says comes to pass Married a Virgin hopefully will help young women understand why the Lord desires us to walk in purity and resist the lusts of the flesh 1 john 2 16 A lot of young people today have multiple sexual partners and they do not understand that they are sinning against their own bodies and in the process forming ungodly soul ties Children as young as 10 are sexually active because society does not dispute immorality Engaging in sexual activity is actually viewed as a norm As a counselor I have spoken to a lot of young children and this is their view The social media movies and music potray sex in various forms thereby creating curiosity to explore sex at a premature age Guidance counsel and advice are therefore important in a young persons life Corinthians 6 18 says Keep on running away from sexual immorality Any other sin that a person commits is outside his body but the person who sins sexually sins against his own body There are many Christian women who are struggling with sex outside marriage but the Lord Jehovah is willing to forgive those who truly repent and change their lifestyles God showed me a vision that made me understand the dangers of having sex outside of marriage in this generation A lot of immorality is taking place in the world today I do not think I am better than anyone else but my goal is to help people understand the importance of abiding by Gods commandments

The Globalization of Addiction Bruce K. Alexander,2008-07-03 The Globalization of Addiction presents a radical rethink about the nature of addiction Scientific medicine has failed when it comes to addiction There are no reliable methods to cure it prevent it or take the pain out of it There is no durable consensus on what addiction is what causes it or what should be done about it Meanwhile it continues to increase around the world This book argues that the cause of this failure to control addiction is

that the conventional wisdom of the 19th and 20th centuries focused too single mindedly on the afflicted individual addict Although addiction obviously manifests itself in individual cases its prevalence differs dramatically between societies For example it can be quite rare in a society for centuries and then become common when a tribal culture is destroyed or a highly developed civilization collapses When addiction becomes commonplace in a society people become addicted not only to alcohol and drugs but to a thousand other destructive pursuits money power dysfunctional relationships or video games A social perspective on addiction does not deny individual differences in vulnerability to addiction but it removes them from the foreground of attention because social determinants are more powerful This book shows that the social circumstances that spread addiction in a conquered tribe or a falling civilisation are also built into today s globalizing free market society A free market society is magnificently productive but it subjects people to irresistible pressures towards individualism and competition tearing rich and poor alike from the close social and spiritual ties that normally constitute human life People adapt to their dislocation by finding the best substitutes for a sustaining social and spiritual life that they can and addiction serves this function all too well The book argues that the most effective response to a growing addiction problem is a social and political one rather than an individual one Such a solution would not put the doctors psychologists social workers policemen and priests out of work but it would incorporate their practices in a larger social project The project is to reshape society with enough force and imagination to enable people to find social integration and meaning in everyday life Then great numbers of them would not need to fill their inner void with addictions

Soulcraft Douglas D. Webster, 1999 This special book by Douglas D Webster reveals how God molds us into the people he wants us to be as we work and play and cry and laugh with each other in the daily grind of life
