Real Life Love Michael Gibson, 2019-08-27 From the grandson of world famous marriage expert Gary Smalley comes a practical and hope filled guide to building great relationships No one in history has seen a world like this Never before has information been so accessible Never before have people lived as long enjoyed fuller bank accounts or been more connected Yet we live in a world where relationships remain unfulfilled People aren't happy Marriages are falling apart And the so called strongest relationships we have are built on a

simple swipe to the right So what's the problem If anyone can answer this impending question it's Michael Gibson Growing up with a front row seat to the life and marriage of his grandfather best selling author and speaker Gary Smalley Michael witnessed firsthand what it truly takes to build a life filled with great relationships Providing a modern take on time tested wisdom for a new generation Michael challenges us to push past the fake heal the pain in our hearts and move into a love that is real through 7 practical principles Honor others Identify anger Forgive Celebrate in the midst of trials Understand the power of God's Word Be second in a world of firsts Identify the personalities of others to foster understanding By the end of REAL LIFE LOVE you will learn to love and be loved like never before understand why you've been holding back on experiencing amazing relationships from the beginning and ensure that the love of your life won't just come into your life but stay in your life **The Practice of Love** Lair Torrent,2022-02-15 A master class in relationship repair and connection At its core this book delivers an inconvenient truth Our relationships have to be a daily practice if we want them to thrive We should treat them like we treat anything that we want to succeed by giving them time and attention For far too long it has been assumed that we should innately understand how to love one another Relationships have fallen into the category of things we should know how to do But we are not born knowing how to make a relationship work any more than we are born knowing how to file taxes or buy insurance and there are no classes in high school or college that teach us how to do this The Practice of Love is that class In his work Lair Torrent a licensed marriage and family therapist brings together concepts and tools that can actually help couples heal for the long haul Diving beneath the symptoms most therapies focus on he helps couples develop a deeper understanding of the wounds that brought them together and how they show up in their relationships The 5 Practices gives the reader an opportunity to weed out and take responsibility for limiting or negative habits while allowing them to learn and adopt new and healthier practices with their partner These are not short term solutions but rather a path to profound healing deeper connection and stronger happier relationships [Handbook of Psychodynamic Approaches to Psychopathology](#) Patrick Luyten,Linda C. Mayes,Peter Fonagy,Sidney J. Blatt,Mary Target,2017-05-04 Authoritative and comprehensive this volume provides a contemporary psychodynamic perspective on frequently encountered psychological disorders in adults children and adolescents Leading international authorities review the growing evidence base for psychoanalytic theories and therapeutic models Chapters examine the etiology and psychological mechanisms of each disorder and thoroughly describe effective treatment strategies Highly accessible the book is richly illustrated with clinical case material It demonstrates ways in which psychodynamic theory and therapy are enhanced by integrating ideas and findings from neuroscience social and personality psychology cognitive behavioral therapy and other fields Winner Goethe Award for Psychoanalytic and Psychodynamic Scholarship [The Oxford Handbook of Close Relationships](#) Jeffry A. Simpson,Lorne Campbell,2013-05-02 This book provides an in depth and comprehensive summary of the psychology of close relationships and showcases classic and contemporary theories models and empirical research that

have been conducted in the field *Attachment in Adulthood* Mario Mikulincer, Phillip R. Shaver, 2016-04-22 Synthesizing a vast body of empirical research and organizing it around a comprehensive conceptual model this book is recognized as the definitive reference on adult attachment The authors explain how what began as a theory of child development is now used to conceptualize and study nearly all aspects of social functioning across the lifespan including mental representations of self and others emotion regulation personal goals and strivings couple relationships caregiving sexuality psychopathology psychotherapy and organizational behavior The origins and measurement of individual differences in adult attachment are examined as is the question of whether and how attachment patterns can change New to This Edition Reflects major advances including hundreds of new studies Clarifies and extends the authors influential model of attachment system functioning Cutting edge content on genetics and on the neural and hormonal substrates of attachment Increased attention to the interplay among attachment and other behavioral systems such as caregiving and sexuality Expanded discussion of attachment processes in counseling and psychotherapy Additional coverage of leadership group dynamics and religion
