Love That Was And Is:

To Save the Love that Was Lost Lyman Allen, Sofia, 2008-03 When asked what led him to write To Save the Love That Was Lost Lyman Allen said I wrote because I had to It was a matter of passion I should say guided passion because I found out that I was guided and so the book is ours Sofia s and mine There was a lid on my passion I wanted to believe that life made more sense than what we experience every day We function from day to day yes but I think a lot of us live with a gut feeling of how life ought to be and this is backed up maybe by a higher sense of that truth Well I found that there is that truth and it s in To Save the Love that Was Lost In fact it s in the title So I m offering an invitation to people to peek out from under that lid and see what they might find I found the answer that makes sense Our book is about the original message of Jesus Christianity before it was taken over by organized faith is that a contradiction in terms It s about what was intended to work for the world how we must learn to live I found that Jesus lost teachings are supported by religious history of 20 even 26 centuries ago A lot of those teachings were discovered in 1945 hidden for all that time They never got tampered with The title is from a verse deleted from a famous parable It s a mission statement about advancing the original Christianity of Jesus that s the love part and it relates directly to the fate of our planet It turns out that my mission was to write a book about these things The book is in fact a spiritual thesis supported by ancient documents recently discovered That might be a first

The Love That Was Meant to Be Pastor Darryl Riley, 2022-11-03 The author of this book come from very humble beginnings the seventh child of nine children He was raised to be a God fearing man to respect others and to be a help to all that he could The inspiration for his book actually came from the woman that he eventually married and later fathered two beautiful children with The wait has finally ended for him as he was unsure which direction to take while he was contemplating his next move on what to write about Then it dawned upon him that his story of love was a very unique story that should be shared with the whole world Not only is it a story of love and fidelity but a story of how God can match two people together in a very unique bond As you read the account open your heart and mind to the most wonderful steps it takes to find true romance to what it will take to have a meaningful relationship The author wished many times that he could find his lovely wife long before he did But as the saying goes better late than never This book is designed for each individual to do some soul searching while you seek to find your soul mate Hope you enjoy reading this book it will inspire you and motivate you to be with the one you were meant to be with in life

love without power Too many theologies cast God either as the tyrant whose loveless power lifts up the mighty or the victim whose powerless love sends the poor away empty Wielding Stephen Colbert s word truthiness as a scalpel Greene slices out one perilous theology after another to restore the wholesome truth that God is love Supported by three world religions Buddhism Christianity and Taoism he discovers a remarkably harmonious and revolutionary divine power that is fully aligned with divine love To reunify love and power here in the world as King challenges it is time to abandon ideologies of divine power that devastate divine love and promote atrocities Greene s call for the end of divine truthiness heralds a new day for the God whose love is power and whose power is love Good Vs. Evil . . . Overcoming Degradation Through the Love and Brilliance of God Jerry Davis,2010-12-27 The truth is we are all just a little bit crazy in some areas of our life to a whole lot of crazy Being miss directed is one of the things mankind has in common as the various forms of insanity work the same way in every one of us Weve all been programmed to unknowingly believe in a host of lies and its our belief in the need to uphold the lies that do us in There are laws that pertain to the universe These laws cannot be broken without creating diverse consequences With every action there is an opposite reaction of effect And where do the decisions we make come from They generally come from our minds The question then becomes Whos controlling the mind If your mind is at work and in agreement with you then you would rightly say you are controlling your mind But if you occasionally find that your mind is working against you then you should consider you are not solely in control Jesus referred to Satan as the father of lies I intend to show how the workings of evil are constructed through the placement of lies and how these lies in combination are at work to disrupt our lives I will show how the longest and greatest lie is packaged and how the six major steps that makes up a combined package works powerfully against you Then I will show how the effects from the lies get all mixed in with the pain you experience and how the end results can be devastating This book is about our need for revelation and offers the reader an opportunity to begin a personal journey with life as it truly is This is a lifelong journey in Spirit and truth and it begins with your full recognition of the need for having God working continuously in your life The Works of the Rev. John Howe ... John Howe,Edmund Calamy,1838 **Friendship, Love, and Brotherhood in Medieval Northern Europe, c. 1000-1200** Lars Hermanson,2019-05-15 In this book Lars Hermanson discusses how religious beliefs and norms steered attitudes to friendship and love and how these ways of thinking affected social identity and political behaviour With examples taken from eleventh and twelfth century northern Europe the author investigates why friendship was praised both by brotherhoods of aristocratic warriors and by brethren within monastery walls Social and political functions rested on personal connections rather than a strong central state in the High Middle Ages This meant that friendship was an important pragmatic instrument for establishing social order and achieving success in the game of politics *Romantic Love* Yolanda van Ede,2006 **Love's Touch** Anit Arca,2022-04-10 Is the world an illusion Is our Universe a hologram This is a magical world All there Is is you you are the magnificent reflection of All That Is in the world of Existence and three dimensions Let

us wake up from this illusion We have to realize we will leave this body one day we have to realize all of our possessions will be left behind as we depart for our next new adventure This is not a book of divine informative revelation These words do not come from heaven These writings knowledge arose in the Heart through Universal Intuition and were written from Oneself to oneself without the interference of the author s personal thoughts ego What you call I is your identity Bonding yourself with your identity creates the I am ego personality This identity of yours is not actually you it is an illusory state of what you are not In Reality you are not your ego identity The external world and its social parameters play a big role in forming this ego identity You do not own anything no name no form or any image that you can call I You have not constructed or created these You do not own anything you think you can control or possess When you identify yourself with these things the things that you are not or do not own you are creating a self imposed prison for yourself and living inside of it In other words you create your ego personality In this case we have to ask the following question who am I Really Are you really all that you claim to own names forms and images Are you only made up of body and mind When you identify with these beliefs and those of the collective world consciousness you get lost and break away from your true Reality When you claim ownership of these names forms and images you create your ego personality Whenever you say I am this or that you are identifying with that thing which you now claim as your own and you unify yourself with that thing If you do not identify with anything if you do not claim ownership of anything the I ceases to exist Removing the I dissolving it is the ultimate freedom we seek The walls of the self imposed prison of ego personality you possessively created will fall away Here in this liberated state of being the necessity for choice or decision falls away too You act just as is needed in each moment of life as it arises in the Now Thoughts of should I have done this or that will disappear The mind is like software running on a computer The virus that corrupts the software is the ego It is this ego personality that creates erroneous beliefs and then claims ownership of them Only when this virus is removed by an antivirus program Mind reveals itself in its full capacity With this cleaning up process human minds become increasingly liberated and expansively intelligent In this Book knowledge of advanced life is being released into the public publishing domain for the first time This life can be described with concepts of Absolute Human Birth of Absolute Humanity Experiencing Non Existence and Beyond Non Existence We believe through our life experience that the only way to change our individual and collective point of view is to know NON EXISTENCE The will behind the writing and publishing of this knowledge in the Book arose in servitude

The works of Robert Leighton Robert Leighton (abp. of Glasgow.),1859 *The Whole Works of Robert Leighton ...* Robert Leighton,James Aikman,1832 God's Love for Us and His Remedy for Our Sins Al Matlock, When we were children we didn t usually understand that the rules our parents laid down for us were born out of their love for us What is true for parents is also true for God The rules God has given to us the Ten Commandments are not only given to us because He loves us but also they are a transcript of His character By obeying God s law we begin the journey of becoming like Him The vast majority of people Christian or not will readily agree that

some of the Ten Commandments are still valid don't kill don't steal honor your parents be faithful to your spouse The majority of Christians acknowledge that nine of the Ten are still valid But what about that other one the fourth Are we still obligated to keep the fourth commandment Why is it that the one commandment that God begins with the word remember is the one that many people would like to forget Between these covers you will find a clear concise biblical answer to these questions The author lays out in logical form scriptural evidence that God's law including the fourth commandment was kept and is intended to be kept from Eden down through all eternity The only question you'll have by the end of the book will be will I honor God by keeping all ten of His commandments or not **The Gospel herald; or, Poor Christian's magazine**, 1851 *Co-dependency: Self-love that was lost* Dr. Meenu Dhiman, 2022-07-12 This book helps readers identify if they have co-dependency traits that stem from wrong childhood programming The book seeks to touch upon aspects of self-love in the absence of which co-dependent people lose themselves in each situation to seek validation and approval from outsiders The author courageously shares her childhood events which were not handled well by her primary caregivers and shut her innocent brain encouraging her to tolerate exploitations by toxic people later on in her life as an adult She gives a fresh perspective on the new age therapy of healing through unblocking seven prominent chakras that play an important role in grounding us and developing our self-worth and self-love through dedicated meditation The author stresses the need to heal ourselves from childhood trauma to lead a stress-free anxiety-free and healthy life **A Dictionary and Concordance of the Names of Persons and Places** William Henderson, 1869
