Love In A Different Key:

Love in a Different Key Marjorie Franco, 1986 Neenah a talented pianist falls in love with handsome Michael but then Michael is hospitalized for a psychiatric illness and Neenah must come to terms with the demands of her own life The Truth about Love Elizabeth Currie, 2005 The Truth About Love is an original philosophical theory which presents a comprehensive holistic model of the normal human psyche The purpose of the book is to reveal to the average person their own nature The Truth About Love is written in question and answer form which gives the advantage of allowing the reader to focus quickly on questions of personal interest and to reflect on each issue before moving on to a new concept The first section Love The Key comprises the central theory which explains the phenomenon of love You learn how love transcends its reputation as a romantic attachment to another person and gives you a basic premise for understanding most aspects of human nature The second section Emotion and Feeling gives a complete explanation of emotion and for the first time an explanation of feeling apart from emotion This new knowledge is used to examine old philosophical questions about human nature such as altruism creativity and happiness The third section Motivation relates the central theory to your everyday life giving structure and meaning to your thoughts and actions in a simple and concise way Also in this section is perhaps the most important application of the concepts of love emotion and feeling in an explanation of self love In conclusion you will discover how self love leads to optimum mental health and how this affects other areas of your life The Truth About Love provides answers that you cannot find in textbooks but that you ask yourself everyday They are simple questions and simple answers that will change your life The Key of Love , 2009-06-25 This book is the result of many years of study and prayer meditating on the Word making notes and assembling those notes into something that I believe will be a blessing to others who are seeking God in their lives I discovered that God was telling me in Matthew 6 33 to seek first of all the Kingdom of God and all of His righteousness And when I went looking I wasnt able to find anybody who knew much of anything about what I was asking So I set out to remedy that situation And in doing so I had to learn early on that I had to have a total dependency upon God to give me the answers I was seeking I had to yield to the Holy Spirit who lives in me because one cant get spiritual answers from the physical I had to learn to differentiate between the Holy Spirit and the devil talking to me I had to learn to walk by faith to step out and obey God I had to learn that as I read the Word of God my trust in Him and my faith would grow and go beyond what I could ever ask or think The Key of Love is designed to be a study guide to get you from where you are to where God wants you to be Have your Bible with you as you read and take the time to look up and study the numerous references to scripture herein as well as cross references which appear in parentheses following many of the Bible quotations If you experience a closer walk with God you will come to know God and to understand just how much He loves and cares for you Ask the Holy Spirit to help you as you study John 16 13 Look up each scripture read several verses before and after the noted verse and study it meditate on it and let the Word of God be your final judge God has sent the Holy

Spirit into your life to guide you unto all truth John 16 13 I Thessalonians 5 21 Take full advantage of all that God has provided for you to make your life everything that He has created it to be To understand God one must understand that there are Keys to the Kingdom of Heaven that unlock the mystery of how we can know God and achieve what he has planned for us
