**Philosophy of Sri Chinmoy** Kusumita P. Pedersen, 2021-06-28 This is the first book length study of the thought of Sri Chinmoy 1931 2007 who became well known during his lifetime as the exponent of a dynamic spirituality of integral transformation which he set forth in an extensive body of writings in both prose and poetry mostly in English but also in his native Bengali He held that all fields of human endeavor can be venues of spiritual transformation when founded in aspiration and contemplative practice He is noted not only as a spiritual teacher but also as an advocate of peace a composer and musician an artist and a sportsman who created innovative programs promoting self transcendence and understanding between people of all cultures and walks of life This study of Sri Chinmoy s philosophy refers to these diverse activities especially in the biographical first chapter but is mainly based on his written works The book s aim is to give to the reader a straightforward and unembroidered account of Sri Chinmoy s philosophy It makes every attempt to allow Sri Chinmoy to speak for himself in his own words and thus provides ample quotation and draws on his poetic works as much as on his other writings **Die to Love** Unmani Liza Hyde, 2011-06-16 This is book is for those who have been genuinely searching and

longing for awakening or the truth *Die to Love* directly points the reader to the end of the spiritual search once and for all I am not trying to help you If you read this book I will simply destroy you And who am I I am you I am Life itself *Die to Love* explores the desperate longing for love and surrender that so many people feel But are we willing to lose everything that is familiar and safe in order to know that love that we long for Are we willing to die for love This is the death not of the body but of the identity called me Unmani looks at what it is to fall in love and how in moments of intimacy there is no separation Two merge and become one Two separate individuals know that they can never be separate There are also chapters on relationships and the madness of love as well as unconditional and conditional love and what compassion really is **Love**

**and Friendship Across Cultures** Soraj Hongladarom, Jeremiah Joven Joaquin, 2021-01-10 This collection brings together different philosophical points of view discussing two important aspects of human life namely love and friendship within the

broad context of comparative philosophy These points of view differ in terms of their cultural orientations East or West ancient or modern philosophical methodologies analytical historical experimental or phenomenological broadly construed and motivation explanatory revisionary or argumentative The volume is a comparative treatment of how diverse philosophical cultures view love and friendship such as how Aristotle and Confucius views on friendship are similar and different how the ancient Greeks and the Buddhists view friendship and happiness and how posthumous love is possible With contributions from a diverse set of scholars this book presents the emerging views of Southeast Asian philosophers compared with those of philosophers from other regions including Europe and North America The volume thus provides a multi faceted way of understanding love and friendship across cultures and will be relevant to scholars interested in philosophy the history of ideas Asian Studies and religious studies

*Subordinated Ethics* Caitlin Smith Gilson,2020-08-21 With Dostoyevsky s Idiot and Aquinas Dumb Ox as guides this book seeks to recover the elemental mystery of the natural law a law revealed only in wonder If ethics is to guide us along the way it must recover its subordination description must precede prescription If ethics is to invite us along the way it cannot lead either as politburo or even as public orthodoxy It cannot be smugly symbolic but must be by way of signage of directionality of the open realization that ethical meaning is en route pointing the way because it is within the way as only sign not symbol can point to the sacramental terminus The courtesies of dogma and tradition are the road signs and guideposts along the longior via not themselves the termini We seek the dialogic heart of the natural law through two seemingly contradictory voices and approaches St Thomas Aquinas and his famous five ways and Fyodor Dostoyevsky s holy idiot Prince Myshkin It is precisely the apparent miscellany of these selected voices that provide us with a connatural invitation into the natural law as subordinated as descriptive guide not as prescriptive leader

**She, in Light** Puja Karan,2025-03-23 This book *She in Light* is a book for readers who want to get started with the realization of truth This book is also for the readers who are unknowingly making mistakes in day to day life It s about Energy Cosmos and Universe at the same time it s about the surroundings we are living in It s the bare truth So please feel free to dive in to get the answers This book will bust all the false programming and myth that is conditioned in our minds These programming are being transferred generation after generation It s destroying the real bliss that a soul is meant to experience So dive in the deepest truth and bust all the myths Spread love

**Act of Love** Kino MacGregor,2022-10-28 After dealing with a series of obstacles and life challenges Kino MacGregor experienced a revelation Whether eating speaking writing traveling or living she pledged to let everything she did in life be an act of love Just like that the seed of a new world was planted as she began to integrate this simple yet truly life changing principle into her daily routine In a guide shared to help others attain spiritual growth love and true happiness MacGregor presents a new paradigm that promotes an entirely new way of living and being While offering anecdotal stories from her own journey as well as the journeys of students and fellow spiritual practitioners she leads others down a courageous path inward to reset the mind to overcome heartache become more aware and embrace

the process of awakening Through moving stories trusted advice and meditation and reflection points MacGregor sets up the parameters of love action and the ultimate shift that teaches students of life how to truly act from love in all we do say and become Act of Love shares anecdotes advice and guidance that will help anyone reprogram the mind choose a new outlook and follow a simple roadmap to attain true love and happiness in life

**The Book of Wisdom** Osho,2023-07-09 Religion is not a science Religion is not a science in the sense physics mathematics and chemistry are sciences But still it is a science because it is the ultimate knowing the word science means knowing And if religion is not a science what else can be It is the highest knowing it is the purest knowing Ordinary science is knowledge not knowing religion is knowing itself Ordinary science is object oriented it knows something hence it is knowledge Religion is not object oriented it has no object it knows nothing Knowing knows itself as if the mirror is reflecting itself It is utterly pure of all content Hence religion is not knowledge but knowing

**The Religion of Love** Pafe Thomas Pafe,Thomas Pafe,2009-12 The Religion of Love is written for those who are seriously searching for wisdom and the path that leads to the Divine The journey is long and tedious but those who honestly search will find it To each soul God may appear different but it is the appearance that is unique not the reality God reveals himself or herself to us depending upon how eager and committed our search is Our love and the understanding of God will ultimately change our perception of the truth This book will guide you on your walk with God and illustrate how to find God It will also show you what God desires the purpose of life a practical approach to prayers how to find your path in life the secrets of the kingdom of God as mentioned in the Bible how to become a light worker The goal of this book is to provide missing information that can awaken or revolutionize consciousness by providing information on religion that has often been limited to morality or sociality and sometimes theology And finally create an environment where religious vibes can flourish

**The Power of Shakti** Padma Aon Prakasha,2009-07-24 Transformational wisdom designed for both women and men to access and enhance the inner power of the Divine Reveals how to activate your sacred sexual self and find your soul mission Shows how to access the wisdom of the Galactic Center Explains why men need the Shakti Circuit to connect with the Divine Masculine Shakti is the Divine life force that ceaselessly manifests creates and activates Igniting this living power within is the key for both men and women to transform themselves and attain union harmony and peace The fluid intelligence of Shakti enflames empowers and awakens igniting life force joy and organic wisdom within Uniting the forms of Tantra Yoga found in Indian Tibetan and Aramaic sacred traditions Padma Aon Prakasha reveals how to activate the power of Shakti by opening the 18 energetic pathways of the Shakti Circuit The Circuit begins with galactic energy entering the body at the Alta Major chakra located at the back of the head Traveling down the pillar of the spine through the root chakra the Circuit passes through the Seven Gates of the Womb Grail to link the sacred sexual center and the heart center From the heart the energy completes the Circuit by traveling to the third eye and back to the Alta Major starting point to reveal the All seeing eye Centered on the womb in women and the hara in men the Shakti Circuit links the soul body mind

emotions and chakras to the power and loving wisdom of the Galactic Center The Power of Shakti includes the insights and experiences of both men and women as they activate the power of Shakti and shows that clearing all 18 pathways of the Shakti Circuit enables us to activate our sacred sexual self and find our soul mission *Pure Love Dada*

Bhagwan,2015-04-28 For those wondering how to become more spiritual or how to lead a spiritual life Pure Love emerges as an essential value Naturally one begins inquiring into the ultimate meaning of love what is love what is true love and what is unconditional love Other questions may also arise such as To cultivate unconditional love is forgiveness required If so how can I learn to practice forgiveness prayer Does unconditional positive regard evolve into unconditional love In the context of unconditional love what is marriage Can a husband and wife relationship transform into living for love and ultimately become an example of love supreme In the book Pure Love Gnani Purush embodiment of Self knowledge Dada Bhagwan offers a profound explanation of unconditional love meaning and describes how Pure Love grows naturally with spiritual development Dadashri explains that the knowledge of Self the beginning of spiritual awakening and that the blossoming of Pure Love is one of the signs of spiritual awakening Among the many spiritual books available today this resource on the topic of Pure Love will prove invaluable Love Is Craig R Durrant,2019-11-17 What is love Craig thought that he knew what it was until his life fell apart and his dreams shattered along with all that he held close to his heart burnt in the fires of divorce and broken hearts He thought it was giving up our dreams in order to please others and to do whatever it takes to make them happy but that isn't love Everything that he thought was love failed over and over and felt more like neediness and desperation instead of love Believing that his only source of love was from others he had given away his dreams and his power which left him feeling broken and needy Love is a heart and soul learning how to love and dream again with increased openness and greater depth Love is many things but it is never needy or broken In his journey to love again the answers came It exposes our inner song as a gift to those we love and to the world This is a gift to the world It is Craig's inner song of loving again with the transparency and nakedness of love It is remembering and learning that love is Read on and see if it speaks to your soul like it has for so many others Love is **Through The Eyes Of The Master** Sri Sri

Ravishankar,2021-06-15 Have you ever thought what the purpose of your life is What is life all about Such questions are very precious When they dawn in your mind only then does your life begin They help you improve the quality of your life Through The Eyes Of The Master is a compilation of published newspaper articles by Gurudev Sri Sri Ravi Shankar In this collection he gives insightful and practical wisdom on various topics like Freedom Healing Success Anger Desire Atheism Karma parenting Politics and many more The Book of Secrets Osho,2012-05-15 The Book of Secrets is a step by step guide to find the best meditation suitable for you 112 methods of meditation are described and introduced here with helpful background information to give contemporary people a door to meditation Reading this book not only will your outlook on life change but so will your life If you want to know more about life and yourself this is your book Each chapter that focuses on

describing specific meditation techniques is followed by a chapter of questions from those who were present during the talks. In most cases their questions relate to the techniques given in the previous chapter. So as you start to experiment with a technique it will be helpful to look into these chapters for some extra hint, some greater depth of understanding or response to a question that might have arisen for you in your experiments.      *Ressourcement after Vatican II* Matthew Levering, 2019-10-31. Beginning with a personal recollection of the achievements of Fr Joseph Fessio S J by David L Schinder, this work includes twelve essays by theologians who acknowledge a debt to Father Fessio and Ignatius Press. These twelve essays treat topics such as the Church as the mystical body, the liturgy, Christian apologetics in post modern culture, public theology, analogy, Scriptural interpretation, marriage and the Trinity, theological dramatics, Pope Benedict XVI's sources, Tradition and development of doctrine. Among the major 20th century figures treated in these essays are Hans Urs von Balthasar, Louis Bouyer, Henri de Lubac, Joseph Ratzinger and Josef Pieper. The contributors hope that the topics of the essays represent a large swath of the interests of Father Fessio from his early scholarly work on the Church, his commitment to liturgical renewal and Catholic catechesis through his devotion to Ignatian spirituality and his appreciation for Thomistic philosophy and his lifelong engagement with the theology of von Balthasar and Ratzinger.      *Dogmatics I* Emil Brunner, 2025-04-24. One of the great twentieth century works of theology, Emil Brunner's *Dogmatics* series presents a profoundly biblical systematic theology. Finding a path between Barth and Bultmann, Brunner explores key doctrines such as the doctrine of God, creation and redemption, and the doctrine of the church and of faith. These foundational texts from a leading theologian of the 20th century are crucial for scholars and students, illuminating how modern Protestant theology was formed in the last century. The first volume serves as an introduction to Brunner's view of dogmatics, setting out the nature, position, and necessity of dogmatics before exploring the many facets of the doctrine of God. In detailed, vigorous explanation, Brunner considers the nature and will of God, including his name, his holiness, his wisdom, and his glory. Thorough, insightful, and extensive, this first volume is an illuminating beginning to this series. The second volume explores the fundamental concepts of the Protestant doctrine from creation and the creator to man's position within creation, sin and its consequences, and the saving work of Jesus. Brunner explores all of the possibilities of these fundamentals, and his detailed, thoughtful arguments are designed, as he says, to set us free to have a faith which is based on nothing save the Love of God revealed in Jesus Christ. The third and final volume focusses on the theology of the Church as a reflection of God's self-revelation through the Holy Spirit and an eternal consummation of Divine self-communication. Drawing together the understanding gleaned in the previous two volumes, Brunner addresses the nature of the church and faith to bring his systematic biblical theology into the experiences of his readers.      *Lacan on Love* Bruce Fink, 2015-12-09. Quintessentially fascinating, love intrigues and perplexes us and drives much of what we do in life. As wary as we may be of its illusions and disappointments, many of us fall blindly into its traps and become ensnared. Time and again, Deliriously mad excitement turns to disenchantment if not

deadening repetition and we wonder how we shall ever break out of this vicious cycle Can psychoanalysis with ample assistance from philosophers poets novelists and songwriters give us a new perspective on the wellsprings and course of love Can it help us fathom how and why we are often looking for love in all the wrong places and are fundamentally confused about what love really is In this lively and wide ranging exploration of love throughout the ages Fink argues that it can Taking within his compass a vast array of traditions from Antiquity to the courtly love poets Christian love and Romanticism and providing an in depth examination of Freud and Lacan on love and libido Fink unpacks Lacan s paradoxical claim that love is giving what you don t have He shows how the emptiness or lack we feel within ourselves gets covered over or entwined in love and how it is possible and indeed vital to give something to another that we feel we ourselves don t have This first ever commentary on Lacan s Seminar VIII Transference provides readers with a clear and systematic introduction to Lacan s views on love It will be of great value to students and scholars of psychology and of the humanities generally and to analysts of all persuasions
