The Quest for Mark's Sources Thomas P. Nelligan, 2015-07-07 The question of the relationship between the Gospel of Mark and letters of Paul has been ever present in New Testament scholarship but has never been fully explored This monograph seeks to probe further into this question through an examination of the literary relationship between sections of Mark and 1 Corinthians Nelligan explores the context of these texts in Greco Roman and Jewish literature adopting the view that New Testament authors use imitation with a sophisticated use of literary sources as a major technique in their composition He proposes a new set of criteria for judging literary dependence that builds upon and advances those already promoted by biblical scholars Sections of Mark and 1 Corinthians are then compared and analyzed including the Eucharist accounts given in both texts By analyzing and comparing sections of Mark and 1 Corinthians most notably the account of the Eucharist in both texts Nelligan argues Mark used 1 Corinthians as a literary source and that this was done using well established literary techniques used in the wider Greco Roman and Jewish literary world

Grainger, 2017-12-12 First Love Devotions is written from the authors rich experience of over fifty years as a pastor and teacher One of the dangers a pastor faces is becoming mechanical and professional and losing the first love that motivated him to devote his life as a servant of God The best safeguard against that is maintaining a loving intimate daily fellowship with Jesus as you seek his guidance in understanding the scripture If you find your love for Jesus waning do a thorough job of repentance as you renew and cultivate this relationship Each first love devotion treats a passage of scripture and gives insight based on prayerful reflection as it relates to personal experience In addition to personal spiritual benefits the Christian worker will find a wealth of topics sermon prompts and illustrative materials that may be shared with others

New York School Journal ,1906 *Called into Questions* Matthew Lee Anderson, 2023-10-03 Do we know what it means to question well We need not fear questions By the grace of God we have the safety and security to rush headlong into them and find ourselves better for it on the other side Faith is not the sort of thing that endures so long as our eyes are closed The opposite is the case Faith helps us see and that means not shrinking from the ambiguities and the difficulties that provoke our most profound questions In our embrace of questioning we must learn to question well In our uncertainty we must not give up the task of walking worthy of the calling that Christ has placed upon us We are living in the age of deconstruction We are constantly bombarded online in schools and sometimes even in our homes by attitudes and arguments aimed at deconstructing our faith Called into Questions is written to aid us in faithfully questioning our foundations Professor Matthew Lee Anderson shows us and the ones we love how to grapple with doubt in a redemptive way in a way that brings us
